8. Before any economic development bonds are issued, the proposed bond issue shall be approved by the Secretary of the Finance and Administration Cabinet and the State Property and Buildings Commission under the provisions of KRS 56.440 to 56.590. In addition to the terms and conditions of KRS 154.12-100, administration of the Economic Development Bond program by the Secretary of the Cabinet for Economic Development is subject to the following guideline: project selection shall be documented when presented to the Secretary of the Finance and Administration Cabinet. Included in the documentation shall be the rationale for selection and expected economic development impact.

9. Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Repair of State-Owned Dams, Land Acquisition, Property Demolition, Guaranteed Energy Savings projects, Purchase of Agricultural Conservation Easements (PACE), Phase I Tobacco Settlement Agricultural Development Initiative, Economic Development projects, Infrastructure projects, Employment Services Facilities projects authorized in Part IX of this Act, Asbestos Abatement projects, Technology Trust Fund projects, systems, and initiatives authorized in Part III of this Act, and the Council on Postsecondary Education Agency Bond Pool and Capital Renewal and Maintenance Pool. Any projects estimated to cost over $400,000 and equipment estimated to cost over $100,000 shall be reported to the Capital Projects and Bond Oversight Committee. All moneys transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction.

10. The Council on Postsecondary Education subheading in this Part includes a project entitled "Capital Renewal and Maintenance Pool." For the Capital Renewal and Maintenance Pool, $60,000,000 in projects are authorized to be funded from $30,000,000 in General Fund supported bonds and matched with $30,000,000 in Restricted Funds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and

Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2000-2002 biennium. Council recommendations may include groupings of projects such as "Life Safety Projects in E&G Buildings." However, if such groupings do not constitute a single construction project, any individual subproject exceeding $400,000 must be separately identified.

The Council on Postsecondary Education subheading in this Part includes a project entitled "Equipment Replacement Pool." For the Equipment Replacement Pool $20,000,000 in projects are authorized to be funded from General Fund supported bonds. Allocations from the pool will be determined by the Council, based on the proportional institutional expenditures for instruction and research. Institutions will be required to match research, but not instructional, equipment on a dollar-for-dollar basis. Council recommendations for funding from the pool will be made to the Secretary of the Finance and Administration Cabinet.

11. The General Fund amount of $75,000 authorized in 1998 Kentucky Acts, Chapter 615, Part II (House Bill 321) for the Estill County Board of Education Swimming Pool renovation is reauthorized in fiscal year 2000-2001 and shall be redirected to finance other initiatives.

If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 2000-2001 or fiscal year 2001-2002, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400 to 48.800 and this Act, and with the authorization of the State Budget Director of the Office of State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

3. Compliance with the provisions of this subsection shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

5. No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly, legislative and executive records, and the statutory budget memorandum.

6. Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account respectively to the extent the Federal Funds otherwise become available.

Proposed revisions to an appropriation contained in the enacted State/Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 3 of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

10. Allotments within appropriated sums for the activities and purposes contained in the enacted State/Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

11. All statutory continuing appropriations in existence at the time this Act takes effect are discontinued and suspended by this Act except as provided by Chapters 42, 96A, 164, 183, 278, and 441 of the Kentucky Revised Statutes. All statutes and portions of statutes in conflict with any of the provisions of this Section, to the extent of the conflict, are suspended, unless otherwise provided by this Act.

12. Except as otherwise explicitly authorized by this Act, nothing in this Act shall be construed to repeal any appropriation made herebefore or hereafter for the fiscal year ending June 30, 2000, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42, 45, and 48 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Finance and Administration Cabinet except as otherwise provided in this Act.

13. All questions that arise in interpreting any appropriation in this Act as to the purpose or manner for which the appropriation may be expended shall be decided by the Secretary of the Finance and Administration Cabinet pursuant to KRS 48.500, and the decision of the Secretary of the Finance and Administration Cabinet shall be final and conclusive.

14. The State Budget Director shall cause the Governor's Office for Policy and Management, within sixty (60) days upon adjournment of the 2000 Regular Session of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the recommended State/Executive Budget, Judicial Budget, and Legislative Budget as enacted by the 2000 Regular Session of the General Assembly as well as other Acts which contain appropriation provisions for the 2000-2002 biennium, and based upon supporting documentation and legislative records as considered by the 2000 Regular Session of the General Assembly and the statutory budget memorandum. This document shall include for each agency and budget unit a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class and for the State/Executive Budget, any other fiscal data and commentary considered necessary for budget execution by the Governor's Office for Policy and Management and oversight by the Interim Joint Committee on Appropriations and Revenue. The enacted State/Executive Budget shall be revised or adjusted only upon approval by the Governor's Office for Policy and Management as provided in each part of this Act and by KRS 48.400 to 48.800, and upon review and action by the Interim Joint

Committee on Appropriations and Revenue.

15. Pursuant to KRS 48.400, the Secretary of the Finance and Administration Cabinet shall monitor and report on the financial condition of the Commonwealth.

16. The Secretary of the Finance and Administration Cabinet is authorized to establish a system or formula or a combination of both for prorating the administrative costs of the Finance and Administration Cabinet, the Department of Treasury, and the Office of the Attorney General relative to the administration of programs in which there is joint participation by the state and federal governments for the purpose of receiving the maximum amount of participation permitted under the appropriate federal laws and regulations governing the programs. The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

17. The Secretary of the Transportation Cabinet shall use Road Fund resources to meet the lease rental payments to the Kentucky Turnpike Authority for Resource Recovery Road projects in the amount certified by the Secretary of the Transportation Cabinet. However, if Road Fund resources are not sufficient to meet lease rental payments, the additional amount required for meeting lease rental payments as certified by the Secretary of the Transportation Cabinet under KRS 143.090 shall be transferred from coal severance tax receipts to meet the obligation.

18. Nothing in this Act shall be construed to confirm or ratify, under KRS 12.027 or 12.028, any executive reorganization order unless the executive order was confirmed or ratified by appropriate amendment to the Kentucky Revised Statutes in another Act of the 2000 Regular Session of the General Assembly. If any executive reorganization order issued from sine die adjournment of the 1998 Regular Session to sine die adjournment of the 2000 Regular Session is not confirmed by the 2000 Regular Session of the General Assembly, the Secretary of the Finance and Administration Cabinet shall, in consultation with agency heads and with notification to the Legislative Research Commission, transfer the balance of funds for any affected program or function for fiscal year 1999-2000 and any related appropriations and funds for each of the next two fiscal years from the budget unit in which the program or function was placed by the executive reorganization order to the budget unit in which the program or function resided prior to the reorganization action or in which it was placed by action of the 2000 Regular Session of the General Assembly. The Legislative Research Commission shall forward the documentation to the appropriate committees.

19. Notwithstanding KRS 48.705(2), there shall be no General Fund surplus revenue receipts or unexpended balances of appropriations deposited in the Budget Reserve Trust Fund Account for fiscal year 2000-2001 or fiscal year 2001-2002 except as otherwise provided in this Act. Existing funds in the account in an amount specified in this Act may be used as provided otherwise in this Act or as designated in Part VI, General Fund Budget Reduction Plan, if General Fund receipts during fiscal year 2000-2001 or fiscal year 2001-2002 are not sufficient to meet the level of General Fund appropriations included in biennial budget bills or any enactment by the 2000 General Assembly which contains an appropriation provision.

20. Notwithstanding KRS 61.565, the employer contribution rate for the Kentucky Employees Retirement System from July 1, 2000, through June 30, 2002, shall be no more than 5.89 percent for nonhazardous duty employees and 18.84 percent for hazardous duty employees; for the same period, the employer contribution for employees of the State Police Retirement System shall be no more than 21.58 percent.

22. By October 15, 2001, the Finance and Administration Cabinet shall provide to each branch of government detailed estimates for the General Fund and Road Fund for the current and next two fiscal years of the revenue loss effected by tax expenditures. The Revenue Cabinet shall provide assistance and furnish data which is not restricted by KRS 131.190. "Tax expenditure" means an exemption, exclusion, or deduction from the base of a tax, a credit against the tax, a deferral of a tax, or a preferential tax rate. The estimates shall include for each tax expenditure the amount of revenue loss, a citation of the legal authority for the tax expenditure, the year in which it was enacted, and the tax year in which it became effective.

23. Any appropriation item and sum in Part I to Part XI of this Act and in an appropriation provision in another Act of the 2000 Regular Session which constitute a duplicate appropriation shall be governed by KRS 48.312.

24. KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

25. Appropriation items and sums in Part I to Part XI of this Act shall conform to KRS 48.311. If any section, any subsection, or any provision is found by a court of competent jurisdiction in a final, unappealable order to be invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

26. It is the intent of the General Assembly that the Executive Branch implement actions necessary to achieve cost savings as intended, authorized, and directed by 1998 Kentucky Acts, and 1998 House Bill 321 (1998 Ky. Acts ch. 615, Part X), by authorizing the Executive Branch, within the limitations provided for in this Act, to transfer General Fund appropriation amounts related to Technology Trust Fund savings from one budget unit to another budget unit solely within the Cabinets for Families and Children, Finance and Administration, Health Services, Justice, Natural Resources and Environmental Protection, and Workforce Development, and the Department of Education. Any transfer of General Fund appropriation amounts related to Technology Trust Fund savings from one budget unit to another budget unit shall be made only within each specified Cabinet and the Department of Education and shall be limited to the General Fund cost savings amounts identified in the 2000-2002 agency

budget request and executive records. The Secretary of any of the specified cabinets and the Commissioner of the Department of Education may submit requests to the State Budget Director of the Governor's Office for Policy and Management for the transfer of General Fund appropriation authority. Such requests shall specify the need for the transfer of General Fund appropriation authority and the manner in which such a transfer would better achieve the General Fund cost savings. Any transfers made under this provision for any of the cabinets identified above or the Department of Education shall result in no change to the total value of the General Fund cost savings amounts as identified in the agency budget request records recommendation and executive records for the individual cabinets specified above or the Department of Education. Any transfer made under this provision shall be made pursuant to KRS 48.500 and shall be reported, in writing, to the Interim Joint Committee on Appropriations and Revenue.

27. For fiscal year 2000-2001 and fiscal year 2001-2002, the first $6,000,000 of any unclaimed prize money held in the corporate operating account of the Kentucky Lottery Corporation shall be added to the pool from which future prizes are to be awarded or used for special prize promotions, and any amount in excess of $6,000,000 shall be transferred to the Affordable Housing Trust Fund established by KRS 198A.710.

28. Notwithstanding the provisions in Parts I, II, IX, or X of this Act, the amount from the undesignated fiscal year 2000-2001 General Fund balance (General Fund Surplus Account, KRS 48.700) that is carried forward to fiscal year 2001-2002 for budgeted purposes shall be specified in the statutory budget memorandum. This amount may be adjusted in accordance with KRS 48.120(3).

29. Notwithstanding KRS 142.311(2), the dispensing or delivering of outpatient prescription drugs in this state shall be taxed at the rate of fifteen cents ($0.15) per prescription for which any initial payment is received after June 30, 1999, through June 30, 2000. There shall be no tax on outpatient prescriptions after June 30, 2000.

30. Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, to the extent that any governmental agency purchases motor vehicle liability insurance, sovereign immunity shall be waived to the extent of the insurance coverage.

31. (a) The Technology Trust Fund is the Technology Trust Fund established by the 1996 Ky. Acts ch. 380, Part X, to empower Kentucky state government through technology and redesigned business systems. The provisions of this Section apply to that Technology Trust Fund and any additional amounts made available and appropriated to it by the 1998 Regular Session in House Bill 321 (1998 Ky. Acts ch. 615, Part X). The General Assembly has determined that the provisions of this Section shall apply to all General Fund appropriations to the Technology Trust Fund originally authorized and appropriated by the 1996 Ky. Acts ch. 380, Part X and renewed and expanded by the 1998 Kentucky Acts and House Bill 321 (1998 Ky. Acts ch. 615, Part X).

(b) Appropriations allotted from the Technology Trust Fund for each project, initiative, or system, as well as all other associated resources made available from regular appropriations for the same purpose from a budget unit shall be transferred and credited to, and accounted for and expended from a discrete account established for the individual project, initiative, or system item.

(c) In addition to the General Fund appropriations for the Technology Trust Fund, Restricted Funds, Federal Funds, the Road Fund, private funds, and any matching fund appropriations required are appropriated in support of the projects and priorities identified by the Redesign Steering Committee. However, KRS 45.760(14), 45.770, 45.780, and 45.800 notwithstanding, no funds from the Emergency Repair, Maintenance and Replacement Account shall be used for Technology Trust Fund projects, systems, or initiatives. Allocations from the Capital Construction and Equipment Purchase Contingency Account may be used for Technology Trust Fund projects and systems, but notwithstanding KRS 45.770 and 45.800, the total amount of allocations from the Account for Technology Trust Fund projects and systems shall not exceed $2,500,000.

32. The fund sources and appropriation amounts relating to the Transportation Cabinet contained in House Bill 502, as introduced and adjusted by the House Appropriations and Revenue Committee action, are reserved in reports and measures pertaining to the House Committee Substitute for House Bill 502, pending further action on the State/Executive Branch Budget Bill by the Committee and the House of Representatives.

33. The Kentucky Revenue Cabinet may enter into discussions with states regarding development of a multi-state, voluntary, streamlined system for sales and use tax which would have the capability to determine the taxability of a transaction and provide a method for collecting and remitting the taxes to the state. The system may provide compensation for the costs of collecting and remitting sales and use taxes. Following these discussions, the Cabinet may proceed to issue a Joint Request for Information.

The Cabinet may participate in a sales tax pilot project with other states and selected businesses to test means for simplifying sales and use tax administration and may enter into joint agreements for this purpose, subject to the following conditions.

(a) Agreements to participate in the test shall establish provisions for the administration, imposition and collection of sales and use taxes resulting in revenues paid that are the same as would be paid under KRS Chapter 139.

(b) Parties to the agreements are excused from complying with the provisions of KRS Chapter 45A to the extent a different procedure is required by the agreements.

(c) Agreements authorized under this Section, if any, shall terminate no later than December 31, 2001.

Return information submitted to any party or parties acting for and on behalf of the state shall be treated as confidential taxpayer information. Disclosure of confidential information necessary under any agreement shall be pursuant to a written agreement between the Cabinet and other party or parties. Other party or parties shall be bound by the same requirements of confidentiality as the Cabinet under KRS 131.190.

By March 1, 2001, the Cabinet shall report to the Governor and the Legislative Research Commission on the status of multi-state discussions and, if a proposed system is agreed upon by participating states, shall also recommend whether the state should participate in the system.

PART IV

A copy of records, certifications, and actions authorized in this section shall be provided to the Interim Joint Committee on Appropriations and Revenue on a monthly basis.

3. Pursuant to KRS 18A.355, an increment of five percent (5%) is provided in both fiscal year 2000-2001 and fiscal year 2001-2002 on the base salary or wages of each eligible state employee on their anniversary date.

4. Effective July 1 of each year of the 2000-2002 biennium, the base salary or wage of each state employee that is not in initial probationary status shall be no less than 105 percent of the entry level salary or wage for the grade assigned to each employee's job classification.

The individual appropriation units defined in Part I of this Act include funds to implement the above provisions of the Wage Equity Plan.

On July 1, 2000, classifications that have been determined by the Personnel Cabinet to be five pay grades too low will be raised three pay grades, classifications that are four pay grades too low will be raised two pay grades, and classifications that are three grades too low will be raised one pay grade. Employees that are paid less than 105 percent of the entry level salary or wage shall receive a pay raise to bring their salary or wage to 105 percent of the entry level salary or wage.

The General Fund amount appropriated to the Surplus Expenditure Plan from the undesignated fund balance in the General Fund at the close of fiscal year 1999-2000 and fiscal year 2000-2001 respectively shall not exceed the total for the appropriations made for fiscal years 2000-2001 and 2001-2002 combined. If the undesignated fund balance in the General Fund at the close of fiscal year 1999-2000 and at the close of fiscal year 2000-2001 totals less than the total combined Surplus Funds appropriation amounts for fiscal year 2000-2001 and fiscal year 2001-2002, the amount available for appropriation for fiscal year 2000-2001 and for fiscal year 2001-2002 pursuant to this section shall be the total undesignated fund balance amount at June 30, 2000, and at June 30, 2001, for the respective years. These amounts are appropriated in fiscal year 2000-2001 and in fiscal year 2001-2002, and shall be allocated in the following manner: 83.33 percent of the total General Fund surplus balance to the Endowment program of the Research Challenge Trust Fund of the Council on Postsecondary Education, and 16.67 percent to the Endowment program of the Regional University Excellence Trust Fund of the Council on Postsecondary Education not to exceed a total of $120,000,000. In the event that the total General Fund surplus balance at the close of fiscal year 1999-2000 shall be less than $120,000,000, a proportional amount of the General Fund surplus balance shall be allocated to each of the Trust Funds. In the event that the total General Fund surplus balance exceeds $120,000,000 at the close of fiscal year 1999-2000, the amount up to $10,000,000 that exceeds $120,000,000 shall be credited to the Capital Facilities Fund. In the event that the total General Fund surplus income balance exceeds $130,000,000 at the close of fiscal year 1999-2000, the amount of the balance that exceeds $130,000,000 shall be credited to the Budget Reserve Trust Fund.

3. The Secretary of the Finance and Administration Cabinet shall determine, within thirty (30) days after the close of fiscal year 1999-2000, and the close of fiscal year 2000-2001, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year 2000-2001 and fiscal year 2001-2002.

The Secretary of the Finance and Administration Cabinet shall certify the amount of actual General Fund undesignated fund balance available for expenditure to the Legislative Research Commission.

Subsequent to June 30, 2000, funds that are certified as being available in the actual General Fund undesignated fund balance for the General Fund Surplus Account are appropriated for expenditure in fiscal year 2000-2001 pursuant to the Plan.

4. To the extent that projects are enumerated in the priority ranking and sufficient General Fund moneys are not certified to be available for expenditure and appropriation in fiscal year 2000-2001, the remaining projects in the same priority order set forth in this Part are appropriated from the actual General Fund undesignated fund balance for the General Fund Surplus Account effective July 1, 2001, for fiscal year 2001-2002.

5. Individual project priority rankings have been established as follows:

PART XI

PHASE I TOBACCO SETTLEMENT

This section of the Act prescribes the policy implementing aspects of the national settlement agreement between the tobacco industry and the collective states as anticipated by the 1998 Regular Session of the General Assembly in House Bill 321, Part III, item 29. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 40 Settling States which provides reimbursement to states for smoking related expenditures made over time.

1. The Commonwealth's share of the MSA is equal to 1.7611586% of the total settlement amount. Payments under the MSA are to be made to the states in January and April of each year. The Commonwealth has already received the first such payment from which no funds have been expended pursuant to the policy set forth by the 1998 General Assembly.

2. The total settlement amount to be distributed each payment date is subject to change pursuant to several variables provided in the MSA, including inflation adjustments, volume adjustments, and previously settled states adjustments.

3. The General Assembly has determined that it shall be the policy of the Commonwealth that all Phase I Tobacco Settlement funds shall be deposited to the credit of the General Fund and shall maintain a distinct identity as Phase I Tobacco Settlement funds that shall not lapse to the credit of the General Fund surplus, but shall continue forward from each fiscal year to the next fiscal year to the extent that any balance is unexpended.

4. Based on the current estimates as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments expected to be received in fiscal year 1999-2000 is $137,800,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet.

5. From the estimated $137,800,000 in fiscal year 1999-2000 the General Assembly directs the following:

a. Fifty percent (50%) of the MSA payments received in fiscal year 1999-2000, which is estimated to be $68,900,000, is credited in fiscal year 1999-2000 to the General Fund Surplus Account.

(1) Eighty-three and thirty-three hundredths percent (83.33%) of this amount shall be dedicated to the Endowment Program of the Research Challenge Trust Fund of the Council on Postsecondary Education as specified in Part IX of this Act.

(2) Sixteen and sixty-seven hundredths percent (16.67%) of this amount shall be dedicated to the Endowment Program of the Regional University Excellence Trust Fund of the Council on Postsecondary Education as specified in Part X of this Act.

b. Fifty percent (50%) of the MSA payments received in fiscal year 1999-2000, which is estimated to be $68,900,000, is appropriated in fiscal year 2000-2001 to the Rural Development Fund attached to the Governor's Office for

Agriculture Policy to be used for agricultural development initiatives pursuant to enabling legislation to be considered by the 2000 General Assembly.

(1) Of this amount, $40,000,000 shall be designated and reserved to ensure that recipients of payments from the National Tobacco Grower Settlement Trust (Phase II Settlement) in calendar years 2000 and 2001 are compensated at a level not less than the compensation received from the Phase II Settlement in calendar year 1999.

6. It is estimated that MSA Phase I Tobacco Settlement Funds amounting to $101,100,000 in fiscal year 2000-2001 and $121,600,000 in fiscal year 2001-2002 will be received and available for appropriation.

a. Twenty-five percent (25%) of the MSA payments received in fiscal year 2000-2001, estimated to be $25,275,000, and in fiscal year 2001-2002, estimated to be $30,400,000, is appropriated to the Early Childhood Development Fund which is proposed to be established by enabling legislation in the Governor's Office for Early Childhood Development to be used for early childhood development initiatives. The Fund will be administered by a board to be established by enabling legislation.

b. Twenty-five percent (25%) of the MSA payments received in fiscal year 2000-2001, estimated to be $25,275,000, and in fiscal year 2001-2002, estimated to be $30,400,000, is appropriated to the Kentucky Health Care Improvement Fund which is proposed to be established by enabling legislation in the Department of Insurance to be used for health care initiatives. The Fund will be administered by a board to be legislatively established.

(1) Of these amounts, twenty percent (20%), estimated to be $5,055,000 in fiscal year 2000-2001 and $6,080,000 in fiscal year 2001-2002, shall be dedicated to a lung cancer research program. The appropriation for this initiative is contained within the appropriation amount for the Council on Postsecondary Education in Part I of the Act and is subject to approval by the board.

(2) Of these amounts, ten percent (10%), estimated to be $2,527,500 in fiscal year 2000-2001 and $3,040,000 in fiscal year 2001-2002, shall be dedicated to a smoking prevention program to be administered by the Department for Public Health in the Cabinet for Health Services. The appropriation for this initiative is contained within the appropriation amount for the Department for Public Health in the Cabinet for Health Services in Part I of the Act and is subject to approval by the board.

(3) Of these amounts, seventy percent (70%), estimated to be $17,692,500 in fiscal year 2000-2001 and $21,280,000 in fiscal year 2001-2002, shall be dedicated to a health insurance program for high cost individuals to be administered by the Department of Insurance in the Public Protection Cabinet. The appropriation for this initiative is contained within the appropriation amount for the Department of Insurance in the Public Protection Cabinet in Part I of the Act and is subject to approval by the board.

c. Fifty Percent (50%) of the MSA payments received in fiscal year 2000-2001, estimated to be $50,550,000, and in fiscal year 2001-2002, estimated to be $60,800,000, is appropriated to the Rural Development Fund which is proposed to be established in enabling legislation in the Governor's Office for Agriculture Policy to be used for agricultural development initiatives. The Fund will be administered by a board to be legislatively established.

d. Notwithstanding any provision in another enactment by the 2000 General Assembly and any other provision in this Act, there is appropriated out of the Kentucky Agricultural Development Fund to the Governor's office for Agricultural Policy the sum of $1,100,000 in fiscal year 2000-2001 and the sum of $1,250,000 in fiscal year 2001-2002 for the Aquaculture Production Ponds Construction Program.

The Aquaculture Production Ponds Construction Matching Program and the Aquaculture Infrastructure Components Program are established in the Governor's Office for Agricultural Policy. The Aquaculture Production Ponds Construction Matching Program shall match private dollars with program funds for the purpose of constructing ponds suitable for aquaculture on public or private lands. The Aquaculture Infrastructure Components Program may match private dollars with program funds or award grants for the purpose of purchasing or developing aquaculture infrastructure components and aquaculture marketing. The Governor's Office for Agricultural Policy shall have the authority to promulgate regulations to administer these programs. Moneys remaining at the end of the year shall not lapse, notwithstanding KRS 42.229.

Veto Message

The veto message on **HB 130** is as follows:

I, Paul E. Patton, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky State Constitution, do hereby veto **House Bill 130** as enacted by the 2000 Regular Session of the Kentucky General Assembly. I exercise this authority for the following reason:

House Bill 130 creates a new section of KRS 61.870 to 61.884 to prohibit public agencies from selling or distributing private wage data and any other information collected by the state from individuals and corporations. On its face this bill appears to be an effort to limit the selling of information by public agencies to third parties but the bill also contains provisions that are contrary to the meaning and intent of Kentucky's Open Records Law. In particular, **House Bill 130** conflicts with the public policy of the Open Records Law as declared by the General Assembly in 1992 which is that free and open examination of public records is in the public interest and that the exceptions provided for by law shall be strictly construed. The broad language prohibiting the distribution of essentially any filings required by a state agency and the vague language which attempts to resolve this situation by excluding information "that is part of a public record which is regularly and customarily open to inspection" are further reasons this bill, however well intentioned, would not be in the best interest of the Commonwealth. Done this 24th day of March, 2000 in Frankfort, Kentucky at 2:50 p.m.

(1) If the requirements of subsection (2) of this section are met, the cabinet shall not assess unmined minerals and other energy resources as a distinct interest in real property, separate and apart from the surface real estate. The property valuation administrator shall assess the surface at its agricultural or horticultural value and any unmined minerals and other energy resources shall be considered as a value in excess of the agricultural or horticultural use as provided in KRS 132.450(2)(d).

(2) Unmined minerals and other energy resources within or beneath parcels of real estate classified as agricultural or horticultural, as defined in Section 5 of this Act, that are not being extracted shall be included as a part of the surface real estate and shall be subject to assessment by the property valuation administrator if the surface real estate and the unmined mineral or other energy resource are owned by the same taxpayer.

(3) Notwithstanding the provisions of this section to the contrary, any leasehold interest in unmined minerals and other energy resources shall be assessed by the cabinet as a distinct interest in real property separate and apart from the surface real property interest, against the owner of the leasehold interest.

Section 5. KRS 132.010 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Cabinet" means the Revenue Cabinet.

(2) "Taxpayer" means any person made liable by law to file a return or pay a tax.

(3) "Real property" includes all lands within this state and improvements thereon.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve (12) months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent ($0.001) per one hundred dollars ($100) of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference between:

  (a) The total valuation of property subject to taxation by the county, city, school district, or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and

  (b) The total valuation of property subject to taxation by the county, city, school district, or special district for the current year.

(8) "New property" means the net difference in taxable value between real property additions and deletions to the property tax roll for the current year. "Real property additions" shall mean:

  (a) Property annexed or incorporated by a municipal corporation, or any other taxing jurisdiction; however, this definition shall not apply to property acquired through the merger or consolidation of school districts, or the transfer of property from one (1) school district to another;

  (b) Property, the ownership of which has been transferred from a tax-exempt entity to a nontax-exempt entity;

  (c) The value of improvements to existing nonresidential property;

  (d) The value of new residential improvements to property;

  (e) The value of improvements to existing residential property when the improvement increases the assessed value of the property by fifty percent (50%) or more;

(f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator, the value of such property as a farm shall be a deletion from that category;

(g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

(h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided; and

(i) The value of improvements to real property previously under assessment moratorium.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(9) "Agricultural land" means any tract of land, including all income-producing improvements, of at least ten (10) contiguous acres in area used for the production of livestock, livestock products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government. ***Agricultural land shall include only the surface real estate if the mineral or energy resource rights have been severed. Agricultural land shall include both the surface real estate and the mineral or energy resources if the mineral or energy resource rights have not been severed and if the value of the mineral or energy resources is less than the value of the surface for agricultural use. Agricultural land shall include only the surface real estate if the mineral or energy resource rights have not been severed and if the value of the mineral or energy resources is greater than the value of the surface for agricultural use. However, in no case shall agricultural land include leasehold interests in mineral and energy resources.***

(10) "Horticultural land" means any tract of land, including all income-producing improvements, of at least five (5) contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers, or ornamental plants.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, ***excluding the value of any unmined minerals and other energy resources if the conditions established by Section 4 of this Act are met, and*** excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

(e) Row crop capability including allotted crops other than tobacco;

(f) Accessibility to all-weather roads and markets; and

(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(12) "Deferred tax" means the difference in the tax based on agricultural or horticultural value and the tax based on fair cash value.

(13) "Homestead" means real property maintained as the permanent residence of the owner with all land and improvements adjoining and contiguous thereto including, but not limited to, lawns, drives, flower or vegetable gardens, outbuildings, and all other land connected thereto.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(15) "Special benefits" are those which are provided by public works not financed through the general tax levy but through special assessments against the benefited property.

(16) "Mobile home" means a structure, transportable in one (1) or more sections, which when erected on site measures eight (8) body feet or more in width and thirty-two (32) body feet or more in length, and which is built on a permanent chassis and designed to be used as a dwelling, with or without a permanent foundation, when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems contained therein. It may be used as a place of residence, business, profession, or trade by the owner, lessee, or their assigns and may consist of one (1) or more units that can be attached or joined together to comprise an integral unit or condominium structure.

(17) "Recreational vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational,

camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle. The basic entities are: travel trailer, camping trailer, truck camper, and motor home.

(a) Travel trailer: A vehicular unit, mounted on wheels, designed to provide temporary living quarters for recreational, camping, or travel use, and of such size or weight as not to require special highway movement permits when drawn by a motorized vehicle, and with a living area of less than two hundred twenty (220) square feet, excluding built-in equipment (such as wardrobes, closets, cabinets, kitchen units or fixtures) and bath and toilet rooms.

(b) Camping trailer: A vehicular portable unit mounted on wheels and constructed with collapsible partial side walls which fold for towing by another vehicle and unfold at the camp site to provide temporary living quarters for recreational, camping, or travel use.

(c) Truck camper: A portable unit constructed to provide temporary living quarters for recreational, travel, or camping use, consisting of a roof, floor, and sides, designed to be loaded onto and unloaded from the bed of a pick-up truck.

(d) Motor home: A vehicular unit designed to provide temporary living quarters for recreational, camping, or travel use built on or permanently attached to a self-propelled motor vehicle chassis or on a chassis cab or van which is an integral part of the completed vehicle.".

Floor Amendment No. 2 to **SB 15**, by Representative Rasche:

On page 4, after line 13, by inserting the following language:

"Section 2. KRS 6.505 is amended to read as follows:

(1) Each legislator in office on July 1, 1980, may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the Legislators' Retirement Plan, in an amount equal to five percent (5%) of his monthly creditable compensation, as defined in KRS 61.510(13). The election shall be effective to establish membership in the plan as of July 1, 1980, or as of the date from which the thirty (30) day period is measured, as the case may be. Provided, however, that any legislator who was in office on July 1, 1980, and who is in office at the time he makes the election may, after the expiration of the thirty (30) day period and until May 1, 1982, make the election, in which event he shall pay to the Legislators' Retirement Plan, for the months between July 1, 1980, and the date of his election such sum as, when added to any member's contribution by him that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. If the member makes his election after February 1, 1981, he shall in addition pay to the plan interest on the foregoing sum, at six percent (6%) per annum, calculated as if the sum consisted of equal monthly payments, one (1) of which was due at the end of

each month between July 1, 1980, and the date the election was made. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five percent (5%) thereof, as a voluntarily elected contribution by the member towards the funding of the Legislators' Retirement Plan. Such election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530. An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be considered to apply to all future service as a legislator, whether in the same or a different office as a legislator, and whether or not it is in successive terms.

(2) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

(3) ***(a) Except as otherwise provided in paragraph (b) of this subsection,*** when any legislator elects membership in the Legislators' Retirement Plan in accordance with this section, his active membership in the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.

(b) Any other provision of law to the contrary notwithstanding, a member of the Legislators' Retirement Plan who was previously an active member of the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System, and who would otherwise qualify for active membership in one of those plans, may elect, in writing, to transfer out of the Legislators' Retirement Plan to that other retirement plan for which the member would otherwise qualify. If an election under this paragraph is made, all service credit and benefits earned as a member of the Legislators' Retirement System shall be transferred, as well as the dollar amount equal to the member's and employer's contributions from the date the contributions were made to the date of the transfer, plus interest, at the actuarially assumed interest rate for the Legislators' Retirement Plan. The member shall be entitled to the transferred service credit in the plan to which the member seeks transfer, when the member pays the difference, if any, between the amount of the funds transferred by the Legislators' Retirement Plan and the cost of the credit to the system accepting the transfer as determined by the receiving system's actuary.

(4) A member of the Legislators' Retirement Plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky Employees Retirement System, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the Legislators' Retirement Plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky Employees Retirement System for credit which would be transferred to the Legislators' Retirement Plan. In such event, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Plan an amount equal to the employer's contributions that originally were made to the Kentucky Employees Retirement System for the regained service credit, with interest as provided in KRS 6.535. Six (6) months' current service shall be required in the Legislators' Retirement Plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552."

(2) *Because nonparticipating manufacturers as defined under the Master Settlement Agreement and those who sell gray market cigarettes do not pay into the Master Settlement Agreement fund that is returned to the states under the Master Settlement Agreement, a supplemental tax is placed on those cigarettes sold by nonparticipating manufacturers and on gray market cigarettes, at the rate of fifteen cents ($0.15) per pack. (1) Except as provided in subsections (7), (8), and (9) of this section, each county, urban-county government, or charter

county government shall provide a universal collection program by July 1, 2001, for all municipal solid waste generated within the county. This collection program shall provide for curbside collection or collection at the end of driveways, and collection shall not be interrupted for failure to pay collection fees. Collection service may be provided by the county, by contract with a private entity, franchise, or under local permit.

(2) When collection is provided by contract, franchise, or under local permit, the county, urban-county government, or charter county government shall require reports from the entity providing collection to document the number of households served, volume of solid waste collected, and destination of solid waste.

(3) The county, urban-county government, or charter county government shall amend its solid waste management plan to include how universal collection will be funded and enforced. In order to facilitate uninterrupted collection service, the amended plan shall include the method of billing and collecting pick-up fees from households or solid waste generators, the method for pursuing collection of delinquent fees, and the method for tracking households or solid waste generators moving into the county.

(4) If a household or solid waste generator becomes delinquent in the payment of solid waste pick-up fees, the county, urban-county, or charter county government shall determine the reason for delinquency and pursue means to resolve the delinquency to ensure payment of solid waste pick-up fees. These means may include:

(a) Setting reduced solid waste pick-up fees for low income households; and

(b) Allowing an electric or other utility company to collect the solid waste pick-up fee for a commission or percentage of the total fees collected.

(5) The county, urban-county government, or charter county government may maintain staffed convenience centers or transfer facilities for the disposal of appliances, drop-off of bulk solid waste, and drop-off of recyclable material.

(6) The county, urban-county government, or charter county government shall submit an annual report to the cabinet and to any waste management district of which it is a member detailing its solid waste collection activities in accordance with requirements established by this section. The report shall include the status and progress of the universal collection program, the rate of collection, strategy for pursuing delinquent accounts, strategy for pursuing nonsubscribers to the collection service, and method of tracking households or solid waste generators moving into the county.

(7) The county, urban-county government, or charter county government may enter into agreements with any person for performing the responsibilities described in this section, including cities within its geographic boundaries, but the county, urban-county government, or charter county government shall be responsible for providing the universal collection program described in this section, except any city of the first or second class having sole responsibility for developing its portion of the solid waste plan shall be responsible for providing the universal collection within its jurisdiction.

(8) A county, urban-county government, or charter county government shall be exempted from providing universal garbage collection if it has a solid waste collection program that meets or exceeds an seventy-five percent (75%) collection rate of household solid waste, and the cabinet approves the exemption. The county, urban-county government, or charter county government shall still be subject to reporting requirements as determined by the cabinet.

(9) If after one (1) year, a county, urban-county government, charter county government, or city fails to meet a collection rate of seventy-five percent (75%) for household solid waste for three (3) consecutive months, the cabinet shall issue a notice of intent to operate the universal collection program. Along with the notice of intent, the cabinet shall make recommendations on how to increase the collection rate. If the county, urban-county government, charter county government, or city fails to meet the collection rate for household solid waste within ninety (90) days following the notice of intent, the cabinet shall operate the universal collection program. The Commonwealth shall not endorse projects that generate solid waste under the Kentucky intergovernmental review process for any county, urban-county government, charter county government, or city that has a universal collection program operated by the cabinet.

(10) A commercial or industrial entity which transports or contracts for the transport of solid waste it generates or which operates an industrial solid waste management facility for its exclusive use may be excluded from participation in the universal collection program with approval by the county, urban-county government, or charter county government. This entity may be required by the county, urban-county government, or charter county government to periodically show proof that its solid waste is disposed of properly.

The fees shall be limited to operational costs.

(2) The pick-up fee when combined with the property tax bill shall be clearly set out as the amount owed for solid waste pick-up services and shall in no way be represented as an assessment based on the value of the property.

(3) If the owner of the property is not the occupant of the property where the solid waste is picked up, the owner of the property shall pay the solid waste pick-up fees for the property.

(4) If the owner of the property uses the property as a vacation home for a period of three (3) months or less, the county, urban-county government, or charter county government may waive the solid waste pick-up fee portion of the property tax bill if the owner of the property requests a waiver. In requesting the waiver, the owner shall certify that the property is a vacation home, and that the owner will remove solid waste from the property in a legal manner or temporarily subscribe for universal collection service while the property is in use.

Representative Crall moved the adoption of the following **Legislative Citation No. 145**.

The House of Representatives of the Commonwealth of Kentucky hereby recognizes and honors the Kentucky General Assembly as it enters the 21st Century with the highest expectations and brightest hopes for its citizens and its future. Whereas, the General Assembly draws its bold resolve from its storied history; a history of opportunities often seized and opportunities sometimes squandered; a history replete with examples of stellar accomplishments as well as yet-to-be developed potential frequently disguised as weakness and maligned as failure; and whereas, the General Assembly conducts its business under the shadow and in the light of the "great seal" of Kentucky, whose inscribed motto is "United we stand, divided we fall;" and, whereas this great seal and this timeless motto inspires the work of the General Assembly in recognizing the inalienable rights and treasured privileges endowed and allowed by the Creator; and, whereas, the General Assembly, conscious of and committed to the moral force of its Constitution, the laws accordingly prescribed therefrom and the character inalterably demanded thereby, does also extol the wonder of its design, the benefits of its function and the wisdom of its foreordained procedures of governance; and whereas the promise of this new millennium does importune the affirmation, of all affiliated herewith, of the integrity envisioned at its design and codified in its articulation of precepts (inclusive of but exclusive to statutes, regulations, rules, procedures and the like) for the effectuation of its exclusively prescribed functions. Therefore, be it noted, that the General Assembly of the Commonwealth of Kentucky does hereby, on this 24th day of March, 2000, join with Representative Brian Crall in commending, congratulating and celebrating the proud heritage of this institution and its even brighter future and does also hereby adjourn itself in honor of those great leaders whose impeccable character and unparalleled exploits have proceeded this first session of this new millennium. Done in Frankfort, this twenty-fourth day of March, in the year two thousand.

Legislative Citation No. 145 was adopted without objection.

"Section 2. KRS 161.507 is amended to read as follows:

(1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 and to administrative regulations promulgated by the board of trustees. Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no

case a greater number of years than the actual years of contributing service in Kentucky.

(2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

(3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.

(4) (a) A member receiving retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service for which the member is receiving credit. Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.

(b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid.

(5) An active contributing member of the Teachers' Retirement System may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. ***Notwithstanding any other statute, administrative regulation, or policy to the contrary, the system shall provide a member, upon request, the estimated actuarial cost of the National Guard or military reserves service purchase based upon the information available at the time of the request. The member shall be entitled to enter into a contract with the system at the time of the request to purchase the National Guard or military reserve service by paying to the system the estimated actuarial cost, either by installments or lump sum***~~[The member shall pay the full actuarial cost of the service in the military reserves or the National Guard]~~. Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).".

Floor Amendment No. 1 to **SB 394**, by Representative Worthington:

On page 1, line 1, after "Section 1." by inserting "KRS 154.22-040 is amended to read as follows:

(1) Each year the authority shall under its Rural Economic Development Assistance Program, on the basis of the final unemployment figures calculated by the Department for Employment Services within the Cabinet for Workforce Development, determine which counties have had a countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth in the most recent five (5) consecutive calendar years, or which have had an average countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth by two hundred percent (200%) in the most recent twelve (12) consecutive months for which unemployment figures are available, and shall certify those counties as qualified counties. If the authority determines that a county which has previously been certified as a qualified county no longer has an unemployment rate that meets the criteria of this subsection, the authority shall decertify that county. The authority shall not finance any facilities in that county and an approved company shall not be eligible for the incentives offered by KRS 154.22-010 to 154.22-070 unless the financing agreements required herein are entered into by all parties prior to July 1 of the year following the calendar year in which the authority decertified that county.

(2) A county shall be eligible for the benefits under KRS 154.22-010 to KRS 154.22-070 if the income from the sale of tobacco produced in that county constitutes greater than five percent (5%) of the total personal income in that county for the calendar year 1997. The eligibility of a county based on the provisions of this subsection shall terminate five (5) years from the date the county was made eligible unless the financing agreements are entered into by all parties prior to July 1 of the year following the calendar year in which the authority decertifies that county.

(3) The authority shall establish the procedures and standards for the determination and approval of eligible companies and their economic development projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A. The criteria for approval of eligible companies and economic development projects shall include but not be limited to the creditworthiness of eligible companies; the number of new jobs to be provided by an economic development project to residents of the Commonwealth; and the likelihood of the economic success of the economic development project.

(4)[~~(3)~~]The economic development project shall involve a minimum investment of one hundred thousand dollars ($100,000) by the eligible company and shall result in the creation by the eligible company, within two (2) years from the date of the final approval authorizing the economic development project, of a minimum of fifteen (15) new full-time jobs at the site of the economic development project for Kentucky residents to be employed by the eligible company and to be held by persons subject to the personal income tax of the Commonwealth. The authority may extend this two (2) year period upon the written application of an eligible company requesting an extension. No economic development project which will result in the replacement of manufacturing facilities existing in the state shall be approved by the authority; however, the authority may approve an economic development project that:

(a) Rehabilitates a manufacturing facility:

1. Which has not been in operation for a period of ninety (90) or more consecutive days; or

2. The title to which is vested in other than the eligible company or an affiliate of the eligible company and that is sold or transferred pursuant to a foreclosure ordered by a court of competent jurisdiction or an order of a bankruptcy court of competent jurisdiction;

(b) Replaces a manufacturing facility existing in the Commonwealth:

1. The title to which shall have been taken under the exercise of the power of eminent domain, or the title to which shall be the subject of a nonappealable judgment granting the authority to exercise the power of eminent domain, in either event to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or

2. Which has been damaged or destroyed by fire or other casualty to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or

(c) Replaces an existing manufacturing facility located in the same qualified county, and the existing manufacturing facility to be replaced cannot be expanded due to the unavailability of real estate at or adjacent to the manufacturing facility to be replaced. Any economic development project satisfying the requirements of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the manufacturing facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority which results in a lease abandonment or lease termination by the approved company without the consent of the lessor.

(5)[~~(4)~~]With respect to each eligible company making an application to the authority for inducements, and with respect to the economic development project described in the application, the authority shall request materials and make inquiries of the applicant as necessary or appropriate. Upon review of the application and completion of initial inquiries, the authority may, by resolution, give its preliminary approval by designating an eligible company as a preliminarily approved company and authorizing the undertaking of the economic development project. After preliminary approval and completion by the eligible company of its bond, loan, or other financing and review thereof by the authority, the authority may by final approval designate an eligible company to be an approved company.

Section 2. KRS 154.22-050 is amended to read as follows:

The authority may enter into, with any approved company, a financing agreement with respect to its economic development project. Subject to the inclusion of the mandatory provisions set forth below, the terms and provisions of each financing agreement shall be determined by negotiations between the authority and the approved company.

(1) If an eligible company, at the time of submission of its application to the authority to become an approved company, requests the authority in writing to issue bonds on its behalf, then each financing agreement used in connection with the issuance of bonds by the authority shall include the following provisions:

(a) The term of a financing agreement shall not be less than the last maturity of the bonds issued with respect to the economic development project, except that the financing agreement may terminate upon the earlier redemption of all of the bonds issued with respect to the economic development project and, if the authority owns the economic development project, the authority may grant to the approved company or its affiliate an option to purchase, for the consideration the authority may approve, the economic development project from the authority upon the termination of the financing agreement. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refunding of the correlative bonds or otherwise.

(b) All proceeds of any bonds incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of bonds incurred in connection with the economic development project are not fully expended within the three (3) year period, the amount of the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) The financing agreement shall specify that the annual obligations of the approved company pursuant to KRS 154.22-010 to 154.22-080 shall equal in each year the annual debt service for that year on the bonds issued with respect to the economic development project; and the approved company shall pay such obligation of the financing agreement to the trustee for bonds issued for the benefit of the approved company, at such time and in such amounts sufficient to amortize such bonds.

(d) 1. In consideration for financing agreement payment, the approved company may be permitted the following during the period of time not to exceed fifteen (15) years from the activation date in which the financing agreement is in effect, which period of time shall commence for purposes of the following upon the date of the financing agreement.

a. A one hundred percent (100%) credit against the Kentucky income tax that otherwise would be owed in the year, as determined under KRS 141.347, to the Commonwealth by the approved company on the income of the approved company generated by or arising out of the economic development project, the credit not to exceed the total debt service paid under the respective financing agreement; plus

b. The aggregate assessment withheld by the approved company in each year.

2. The income tax credited to the approved company referred to herein shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042.

(e) 1. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax herein granted, shall not exceed the total financing agreement annual payment by the approved company in any year; however, to the extent that financing agreement annual payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.

2. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

3. If in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.

4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees' wages next succeeding the first date when the approved company collected excess assessments.

(f) The financing agreement shall provide in substance that:

1. It may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to such effect; and

2. Upon default by the approved company in any obligations under the financing agreement or other documents evidencing, securing, or related to the approved company's obligations, the authority, or any of its assignees, shall have the right, at its option, to declare the financing agreement or other such documents in default; and

a. Accelerate and declare the total of all such payments due by the approved company and sell the economic development project at public, private, or judicial sale;

c. Pursue all other remedies available to it under the Kentucky Uniform Commercial Code;

d. Be entitled to the appointment of a receiver by the Circuit Court wherein any part of the economic development project is located; and

e. Pursue any other remedy at law to which it appears entitled.

3. All remedies provided in subsection (1)(f)2. of this section shall be deemed cumulative.

(2) If an eligible company, at the time of submission of its application to the authority to become an approved company, does not request the authority in writing to issue bonds on its behalf, then each financing agreement used in connection with loans or other financing (other than bonds issued by the authority for which subsection (1) of this section shall be used) shall include the following provisions:

(a) The term of a financing agreement, which shall commence on the date of the financing agreement, shall not be longer than:

1. The maturity of any loan or other financing incurred in connection with the economic development project, except that the financing agreement may terminate upon the earlier prepayment of all loans or other financing incurred in connection with the economic development project; or

2. Fifteen (15) years from the activation date.

3. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refinancing of the loans or other financing. The authority shall not own an economic development project that is the subject of this form of financing agreement.

(b) All proceeds of any loan or other financing incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of any loan or other financing incurred in connection with the economic development project are not fully expended within the three (3) year period, the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) 1. The approved company may be permitted the following during the term of the financing agreement:

a. A one-hundred percent (100%) credit against the Kentucky income tax that otherwise would be owed in the year, as determined under KRS 141.347, to the Commonwealth by the approved company on the income of the approved company generated by or arising out of the economic development project, such credit not to exceed the total debt service paid with respect to the loans or other financing incurred in connection with the economic development project; plus

b. The aggregate assessment withheld by the approved company in each year.

2. The income tax credited to the approved company shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042.

(d) 1. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax as provided in KRS 154.22-060, shall not exceed the total annual debt service payments of the approved company with respect to the loans or other financing incurred in connection with the economic development project in any year; however, to the extent that such annual debt service payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.

2. If, in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company, plus the assessment collected from the wages of the employees, equals the annual debt service payments with respect to the loans or other financing incurred in connection with the economic development project, and if all excess payments with respect to the loans or other financing incurred in connection with the economic development project accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

3. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.

4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date

for employees wages next succeeding the first date when the approved company collected excess assessments.

(e) The financing agreement shall provide in substance that it may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

(f) The financing agreement shall provide that an approved company shall require of any lender to the approved company funding the loans or other financing incurred in connection with the economic development project written evidence to be provided to the authority of payments of all annual debt service to such lender. Such evidence shall be provided to the authority within forty-five (45) days after the end of each fiscal year of the financing agreement.

(g) The financing agreement shall provide that if an approved company fails to comply with its respective obligations under the financing agreement, or that the lender to an approved company fails to comply with its requirements set forth in subsection (2)(f) of this section, or is declared in default under the loans or other financing incurred in connection with the economic development project, then the authority, or any of its assignees, shall have the right, at its option, to:

1. Suspend the availability of the income tax credits and job development assessment fees to the approved company;

2. Pursue any remedy provided under the financing agreement, including termination thereof; and

3. Pursue any other remedy at law to which it appears entitled.

(3) All remedies provided in subsection (2)(g) of this section shall be deemed cumulative.

(4) Pursuant to this section, the activation date shall be established by the approved company in the financing agreement at any time in a two (2) year period after the date of final approval of the financing agreement by the authority. To implement the activation date, the approved company shall notify the authority, the Revenue Cabinet, and the approved company's employees of the activation date when the implementation of the inducements authorized in the financing agreement shall occur. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040*(4)*[~~(3)~~] by the activation date, the approved company shall not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies the requirements; however, the fifteen (15) year period for the term of the financing agreement shall begin from the activation date. Section 3.".

Floor Amendment No. 2 to **SB 394**, by Representative Worthington:

On page 1, line 1, after "Section 1." by inserting "The Kentucky General Assembly is aware and concerned that with the decline of the tobacco industry, tobacco warehouses throughout the Commonwealth, that were once well maintained and proud centers of economic development activity, have been vacated, fallen into disrepair, depreciated in value, and lacking the vibrant community presence of their past. Many of these tobacco warehouses are located in the heart of our cities and counties and have over time become a hardship for their owners and an eyesore for their communities. It is the intention of the General Assembly to allow and encourage cities and counties throughout the Commonwealth to utilize this excess capacity in their midst and to focus existing and new resources on reinventing the tobacco warehouses into vibrant examples of economic development and community life.

SECTION 2. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) There shall be created and established a tobacco warehouse economic revitalization project with the purpose of assisting cities and counties in their purchase, demolition, redevelopment, and improvement of buildings and property that are found to be no longer economically viable as a tobacco warehouse.

(2) A city or county may, under the tobacco warehouse economic revitalization project, purchase buildings and property that are found to be no longer economically viable as a tobacco warehouse. The city or county may demolish, redevelop, and improve the buildings and property and may resell, lease, or contract for the use of the improved property in an effort to create, revitalize, or expand economic opportunity, residential availability, or commercial enterprises. Based on an appropriate application and as a project may warrant, a city or county that participates in the tobacco warehouse economic revitalization project shall be given consideration for the following economic assistance benefits:

(a) Local Government Economic Assistance Program benefits created in KRS 42.455;

(b) Local Government Economic Development Program benefits created in KRS 42.4588;

(c) Federal block grants under KRS 45.350 to 45.359;

(d) Industrial revenue bonds under KRS 103.200 to 103.285;

(e) Economic development bonds under KRS 154.12-050 to 154.12-100;

SECTION 3. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Inasmuch as the tobacco warehouse industry has declined and often left tobacco warehouse owners with a tobacco warehouse that is no longer viable as a business and with a single-purpose structure not suitable for other types of businesses, tobacco warehouse owners are encouraged to sell the tobacco warehouse and property upon which it is located to the city or county through the tobacco warehouse revitalization project under Section 2 of this Act, and to reinvest the capitol in a new economic development project under subsections (2) to (4) of this section.

(2) An owner of a tobacco warehouse that sells the tobacco warehouse and property upon which the warehouse is located at a decreased market value and who reinvests capitol in a new economic development project shall be eligible for industrial revenue bonds issued by a city, county, or the authority, under KRS 103.200 to 103.285.

(3) An eligible company as defined in KRS 154.22-010(10) seeking to locate an economic development project as defined in KRS 154.22-010(9) in a development of an owner of a tobacco warehouse under subsection (2) of this section shall be eligible for the rural economic development assistance benefits set forth in KRS 154.22-010 to 154.22-070.

(4) In order for the benefits in subsections (2) and (3) of this section to pertain, the owner of a tobacco warehouse shall reinvest in a new economic development project within the city or county where the tobacco warehouse is located. The owner of a tobacco warehouse shall be eligible for the benefits in subsections (2) and (3) of this section for a building or buildings with a maximum square footage not exceeding that of the original tobacco warehouse.

(a) The term of a financing agreement shall not be less than the last maturity of the bonds issued with respect to the economic development project, except that the financing agreement may terminate upon the earlier redemption of all of the bonds issued with respect to the economic development project and, if the authority owns the economic development project, the authority may grant to the approved company or its affiliate an option to purchase, for the consideration the authority may approve, the economic development project from the authority upon the termination of the financing agreement. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refunding of the correlative bonds or otherwise.

(b) All proceeds of any bonds incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of bonds incurred in connection with the economic development project are not fully expended within the three (3) year period, the amount of the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) The financing agreement shall specify that the annual obligations of the approved company pursuant to KRS 154.22-010 to 154.22-080 shall equal in each year the annual debt service for that year on the bonds issued with respect to the economic development project; and the approved company shall pay such obligation of the financing agreement to the trustee for bonds issued for the benefit of the approved company, at such time and in such amounts sufficient to amortize such bonds.

(d) 1. In consideration for financing agreement payment, the approved company may be permitted the following during the period of time not to exceed fifteen (15) years from the activation date in which the financing agreement is in effect, which period of time shall commence for purposes of the following upon the date of the financing agreement.

b. The aggregate assessment withheld by the approved company in each year.

2. The income tax credited to the approved company referred to herein shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042.

(e) 1. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax herein granted, shall not exceed the total financing agreement annual payment by the approved company in any year; however, to the extent that financing agreement annual payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.

2. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

3. If in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.

4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees' wages next succeeding the first date when the approved company collected excess assessments.

(f) The financing agreement shall provide in substance that:

1. It may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to such effect; and

2. Upon default by the approved company in any obligations under the financing agreement or other documents evidencing, securing, or related to the approved company's obligations, the authority, or any of its assignees, shall have the right, at its option, to declare the financing agreement or other such documents in default; and

a. Accelerate and declare the total of all such payments due by the approved company and sell the economic development project at public, private, or judicial sale;

b. Pursue any remedy provided under the financing agreement or other such documents;

c. Pursue all other remedies available to it under the Kentucky Uniform Commercial Code;

d. Be entitled to the appointment of a receiver by the Circuit Court wherein any part of the economic development project is located; and

e. Pursue any other remedy at law to which it appears entitled.

3. All remedies provided in subsection (1)(f)2. of this section shall be deemed cumulative.

(2) If an eligible company, at the time of submission of its application to the authority to become an approved company, does not request the authority in writing to issue bonds on its behalf, then each financing agreement used in connection with loans or other financing (other than bonds issued by the authority for which subsection (1) of this section shall be used) shall include the following provisions:

(a) The term of a financing agreement, which shall commence on the date of the financing agreement, shall not be longer than:

1. The maturity of any loan or other financing incurred in connection with the economic development project, except that the financing agreement may terminate upon the earlier prepayment of all loans or other financing incurred in connection with the economic development project; or

2. Fifteen (15) years from the activation date.

3. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refinancing of the loans or other financing. The authority shall not own an economic development project that is the subject of this form of financing agreement.

(b) All proceeds of any loan or other financing incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of any loan or other financing incurred in connection with the economic development project are not fully expended within the three (3) year period, the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) 1. The approved company may be permitted the following during the term of the financing agreement:

a. A one-hundred percent (100%) credit against the Kentucky income tax that otherwise would be owed in the year, as determined under KRS 141.347, to the Commonwealth by the approved company on the income of the approved company generated by or arising out of the economic development project, such credit not to exceed the total debt service paid with respect to the loans or other financing incurred in connection with the economic development project; plus

b. The aggregate assessment withheld by the approved company in each year.

2. The income tax credited to the approved company shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042.

(d) 1. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax as provided in KRS 154.22-060, shall not exceed the total annual debt service payments of the approved company with respect to the loans or other financing incurred in connection with the economic development project in any year; however, to the extent that such annual debt service payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.

2. If, in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company, plus the assessment collected from the wages of the employees, equals the annual debt service payments with respect to the loans or other financing incurred in connection with the economic development project, and if all excess payments with respect to the loans or other financing incurred in connection with the economic development project accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

3. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.

4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees wages next succeeding the first date when the approved company collected excess assessments.

(e) The financing agreement shall provide in substance that it may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

(f) The financing agreement shall provide that an approved company shall require of any lender to the approved company funding the loans or other financing incurred in connection with the economic development project written evidence to be provided to the authority of payments of all annual debt service to such lender. Such evidence shall be provided to the authority within forty-five (45) days after the end of each fiscal year of the financing agreement.

(g) The financing agreement shall provide that if an approved company fails to comply with its respective obligations under the financing agreement, or that the lender to an approved company fails to comply with its requirements set forth in subsection (2)(f) of this section, or is declared in default under the loans or other financing incurred in connection with the economic development project, then the authority, or any of its assignees, shall have the right, at its option, to:

1. Suspend the availability of the income tax credits and job development assessment fees to the approved company;
2. Pursue any remedy provided under the financing agreement, including termination thereof; and
3. Pursue any other remedy at law to which it appears entitled.

(3) All remedies provided in subsection (2)(g) of this section shall be deemed cumulative.

(4) Pursuant to this section, the activation date shall be established by the approved company in the financing agreement at any time in a two (2) year period after the date of final approval of the financing agreement by the authority. To implement the activation date, the approved company shall notify the authority, the Revenue Cabinet, and the approved company's employees of the activation date when the implementation of the inducements authorized in the financing agreement shall occur. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040*(5)*[~~(3)~~] by the activation date, the approved company shall not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies the requirements; however, the fifteen (15) year period for the term of the financing agreement shall begin from the activation date. Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040*(5)*[~~(3)~~] within two (2) years from the date of final approval of the financing agreement, then the approved company shall be ineligible to receive inducements under this subchapter unless an extension is approved by the authority.

The authority may enter into, with any approved company, a financing agreement with respect to its economic development project. Subject to the inclusion of the mandatory provisions set forth below, the terms and provisions of each financing agreement shall be determined by negotiations between the authority and the approved company.

(1) If an eligible company, at the time of submission of its application to the authority to become an approved company, requests the authority in writing to issue bonds on its behalf, then each financing agreement used in connection with the issuance of bonds by the authority shall include the following provisions:

(a) The term of a financing agreement shall not be less than the last maturity of the bonds issued with respect to the economic development project, except that the financing agreement may terminate upon the earlier redemption of all of the bonds issued with respect to the economic development project and, if the authority owns the economic development project, the authority may grant to the approved company or its affiliate an option to purchase, for the consideration the authority may approve, the economic development project from the authority upon the termination of the financing agreement. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refunding of the correlative bonds or otherwise.

(b) All proceeds of any bonds incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of bonds incurred in connection with the economic development project are not fully expended within the three (3) year period, the amount of the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) The financing agreement shall specify that the annual obligations of the approved company pursuant to KRS 154.22-010 to 154.22-080 shall equal in each year the annual debt service for that year on the bonds issued with respect to the economic development project; and the approved company shall pay such obligation of the financing agreement to the trustee for bonds issued for the benefit of the approved company, at such time and in such amounts sufficient to amortize such bonds.

2. The income tax credited to the approved company referred to herein shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042.

(e) 1. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax herein granted, shall not exceed the total financing agreement annual payment by the approved company in any year; however, to the extent that financing agreement annual payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.

2. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

3. If in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.

4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees' wages next succeeding the first date when the approved company collected excess assessments.

2. If, in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company, plus the assessment collected from the wages of the employees, equals the annual debt service payments with respect to the loans or other financing incurred in connection with the economic development project, and if all excess payments with respect to the loans or other financing incurred in connection with the economic development project accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

Floor Amendment No. 3 to **SB 23**, by Representative Worthington:

On page 1, before line 1, by inserting:

"Section 1. The Kentucky General Assembly is aware and concerned that with the decline of the tobacco industry, tobacco warehouses throughout the Commonwealth, that were once well maintained and proud centers of economic development activity, have been vacated, fallen into disrepair, depreciated in value, and lacking the vibrant community presence of their past. Many of these tobacco warehouses are located in the heart of our cities and counties and have over time become a hardship for their owners and an eyesore for their communities. It is the intention of the General Assembly to allow and encourage cities and counties throughout the Commonwealth to utilize this excess capacity in their midst and to focus existing and new resources on reinventing the tobacco warehouses into vibrant examples of economic development and community life.

SECTION 2. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) There shall be created and established a tobacco warehouse economic revitalization project with the purpose of assisting cities and counties in their purchase, demolition, redevelopment, and improvement of buildings and property that are found to be no longer economically viable as a tobacco warehouse.

(2) A city or county may, under the tobacco warehouse economic revitalization project, purchase buildings and property that are found to be no longer economically viable as a tobacco warehouse. The city or county may demolish, redevelop, and improve the buildings and property and may resell, lease, or contract for the use of the improved property in an effort to create, revitalize, or expand economic opportunity, residential availability, or commercial enterprises. Based on an appropriate application and as a project may warrant, a city or county that participates in the tobacco warehouse economic revitalization project shall be given consideration for the following economic assistance benefits:

(a) Local Government Economic Assistance Program benefits created in KRS 42.455;

(b) Local Government Economic Development Program benefits created in KRS 42.4588;

(c) Federal block grants under KRS 45.350 to 45.359;

(d) Industrial revenue bonds under KRS 103.200 to 103.285;

(e) Economic development bonds under KRS 154.12-050 to 154.12-100;

(f) Rural economic development assistance benefits, under KRS 154.22-010 to 154.22-070; and

(g) Other state economic development loans, grants, and incentive programs administered by the Kentucky Economic Development Finance Authority under KRS Chapter 154.

SECTION 3. A NEW SECTION OF SUBCHAPTER 20 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Inasmuch as the tobacco warehouse industry has declined and often left tobacco warehouse owners with a tobacco warehouse that is no longer viable as a business and with a single-purpose structure not suitable for other types of businesses, tobacco warehouse owners are encouraged to sell the tobacco warehouse and property upon which it is located to the city or county through the tobacco warehouse revitalization project under Section 2 of this Act, and to reinvest the capitol in a new economic development project under subsections (2) to (4) of this section.

(2) An owner of a tobacco warehouse that sells the tobacco warehouse and property upon which the warehouse is located at a decreased market value and who reinvests capitol in a new economic development project shall be eligible for industrial revenue bonds issued by a city, county, or the authority, under KRS 103.200 to 103.285.

(3) An eligible company as defined in KRS 154.22-010(10) seeking to locate an economic development project as defined in KRS 154.22-010(9) in a development of an owner of a tobacco warehouse under subsection (2) of this section shall be eligible for the rural economic development assistance benefits set forth in KRS 154.22-010 to 154.22-070.

(4) In order for the benefits in subsections (2) and (3) of this section to pertain, the owner of a tobacco warehouse shall reinvest in a new economic development project within the city or county where the tobacco warehouse is located. The owner of a tobacco warehouse shall be eligible for the benefits in subsections (2) and (3) of this section for a building or buildings with a maximum square footage not exceeding that of the original tobacco warehouse.

Section 4. KRS 42.455 is amended to read as follows:

(1) There is established within the Department for Local Government a Local Government Economic Assistance Program to consist of a system of grants to local governments to improve the environment for new industry and to improve the quality of life for the residents.

(2) Grants obtained under this program shall be used for priority expenditures. Thirty percent (30%) of all moneys in the fund shall be spent on the coal haul road system as described in subsection (7) of this section. The remaining seventy percent (70%) of the fund shall be spent on priority categories limited to the following, but in no event shall grants obtained under this program be used for expenses related to administration of government:

(4) Grants obtained under this program may be used as local portion to secure federal programs as long as program expenditures are in the priority category area. Interest earned on funds received by local units of government shall be considered available for use by the local unit of government in the priority expenditure categories.

(5) The Department for Local Government shall be responsible for the promulgation of rules and regulations necessary to implement the grants programs authorized by this section.

(6) The Department for Local Government shall assure that a public hearing is held on the expenditure of funds received under KRS 42.450 to 42.495. Advertisement of the public hearing shall be published at least once but may be published two (2) or more times, provided that one (1) publication occurs not less than seven (7) days nor more than twenty-one (21) days before the scheduled date of the public hearing. The department shall submit an annual report to the Governor indicating how the grants were used and an evaluation of the program's effectiveness in improving the economy of the units of government receiving assistance.

(7) On or before August 15, 1980, and each year thereafter, the Transportation Cabinet shall publish and furnish to the Department for Local Government a directory, including supporting maps and other documents, designating the official state coal road system in coal impact and coal producing counties which shall include all public highways, roads, and streets over which quantities of coal, sufficient to significantly affect the condition and state of repair of highways, roads, and streets, have been transported in the immediately preceding fiscal year. The cabinet shall further publish the total county mileage of the official state coal road system and the total ton/miles within each coal impact and coal producing county for said preceding fiscal year.

(8) Every person shipping or transporting coal, and every carrier for hire or common carrier hauling coal over the public highways, roads, and streets shall file with the Transportation Cabinet such information and at intervals as the department shall designate by regulation duly adopted for the purpose of identifying those highways, roads, and streets comprising the coal haul road system and the quantities of coal transported thereon, in order that the cabinet can accurately calculate total ton/miles within each coal impact and coal producing county.

(9) The Revenue Cabinet shall make available to the Transportation Cabinet coal severance and processing tax data for use in verifying and supplementing the information furnished under the provisions of subsection (8) of this section. The information shall be furnished in such a manner as to conceal the identity of individual taxpayers; if the data cannot be furnished without revealing the identity of individual taxpayers, it shall be withheld.

Section 5. KRS 42.4588 is amended to read as follows:

(1) There is established within the Kentucky Economic Development Finance Authority a Local Government Economic Development Program to consist of a system of grants to counties to attract new industry.

(2) Grants obtained under this program shall be used for:

   (a) Industrial development projects if an industrial firm has agreed with the local government, to the satisfaction of the Kentucky Economic Development Finance Authority, to develop, in conjunction with the industrial development project, manufacturing, processing, assembling, or other facilities approved by the secretary of the Cabinet for Economic Development;

   (b) Industrial development projects if the secretary of the Cabinet for Economic Development finds that the project is necessary for the creation of an environment for new industry in order to obtain an agreement from an industrial firm to develop manufacturing, processing, assembling, or other facilities approved by the secretary of the Cabinet for Economic Development; and

The secretary may also approve privately-owned facilities for transient lodging and recreation where the secretary finds that the cost of the recreation component of the facility is equal to, or greater than, the cost of the lodging component of the facility. The criteria for approval of applications for grants provided for in paragraphs (a), (b), and (c) of subsection (9) of this section shall be paramount in the case of lodging and recreational facilities.

(5) A grant may be awarded for an industrial development project located in a county that does not have an account in the local government economic development fund, if the secretary of the Cabinet for Economic Development finds that the industrial development project may be reasonably expected to create jobs for residents of the local unit or units of government applying for the grant. Application for the grant shall be made by the legislative bodies of one (1) or more counties with accounts in the local government economic development fund.

(6) Grants awarded from funds provided for in KRS 42.4592(1)(a) and (b) shall not exceed the total balance of the accounts of the applicant counties at the time of the award of the grant.

(c) The size, nature, and cost of the industrial development project, including the prospect of the industrial development project providing long-term jobs in enterprises consistent with the changing economies of the affected local units of government;

The authority may enter into, with any approved company, a financing agreement with respect to its economic development project. Subject to the inclusion of the mandatory provisions set forth below, the terms and provisions of each financing agreement shall be determined by negotiations between the authority and the approved company.

(1) If an eligible company, at the time of submission of its application to the authority to become an approved company, requests the authority in writing to issue bonds on its behalf, then each financing agreement used in connection with the issuance of bonds by the authority shall include the following provisions:

(a) The term of a financing agreement shall not be less than the last maturity of the bonds issued with respect to the economic development project, except that the financing agreement may terminate upon the earlier redemption of all of the bonds issued with respect to the economic development project and, if the authority owns the economic development project, the authority may grant to the approved company or its affiliate an option to purchase, for the consideration the authority may approve, the economic development project from the authority upon the termination of the financing agreement. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refunding of the correlative bonds or otherwise.

(b) All proceeds of any bonds incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of bonds incurred in connection with the economic development project are not fully expended within the three (3) year period, the amount of the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) The financing agreement shall specify that the annual obligations of the approved company pursuant to KRS 154.22-010 to 154.22-080 shall equal in each year the annual debt service for that year on the bonds issued with respect to the economic development project; and the approved company shall pay such obligation of the financing agreement to the trustee for bonds issued for the benefit of the approved company, at such time and in such amounts sufficient to amortize such bonds.

(d) 1. In consideration for financing agreement payment, the approved company may be permitted the following during the period of time not to exceed fifteen (15) years from the activation date in which the financing agreement is in effect, which period of time shall commence for purposes of the following upon the date of the financing agreement.

a. A one hundred percent (100%) credit against the Kentucky income tax that otherwise would be owed in the year, as determined under KRS 141.347, to the Commonwealth by the approved company on the income of the approved company generated by or arising out of the economic development project, the credit not to exceed the total debt service paid under the respective financing agreement; plus

b. The aggregate assessment withheld by the approved company in each year.

2. The income tax credited to the approved company referred to herein shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042.

(e) 1. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax herein granted, shall not exceed the total financing agreement annual payment by the approved company in any year; however, to the extent that financing agreement annual payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.

2. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

3. If in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.

4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees' wages next succeeding the first date when the approved company collected excess assessments.

(f) The financing agreement shall provide in substance that:

1. It may be assigned by the approved company only upon the prior written consent of the authority following

the adoption of a resolution by the authority to such effect; and

2. Upon default by the approved company in any obligations under the financing agreement or other documents evidencing, securing, or related to the approved company's obligations, the authority, or any of its assignees, shall have the right, at its option, to declare the financing agreement or other such documents in default; and

a. Accelerate and declare the total of all such payments due by the approved company and sell the economic development project at public, private, or judicial sale;

b. Pursue any remedy provided under the financing agreement or other such documents;

c. Pursue all other remedies available to it under the Kentucky Uniform Commercial Code;

d. Be entitled to the appointment of a receiver by the Circuit Court wherein any part of the economic development project is located; and

e. Pursue any other remedy at law to which it appears entitled.

3. All remedies provided in subsection (1)(f)2. of this section shall be deemed cumulative.

(2) If an eligible company, at the time of submission of its application to the authority to become an approved company, does not request the authority in writing to issue bonds on its behalf, then each financing agreement used in connection with loans or other financing (other than bonds issued by the authority for which subsection (1) of this section shall be used) shall include the following provisions:

(a) The term of a financing agreement, which shall commence on the date of the financing agreement, shall not be longer than:

1. The maturity of any loan or other financing incurred in connection with the economic development project, except that the financing agreement may terminate upon the earlier prepayment of all loans or other financing incurred in connection with the economic development project; or

2. Fifteen (15) years from the activation date.

3. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refinancing of the loans or other financing. The authority shall not own an economic development project that is the subject of this form of financing agreement.

(b) All proceeds of any loan or other financing incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of any loan or other financing incurred in connection with the economic development project are not fully expended within the three (3) year period, the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

(c) 1. The approved company may be permitted the following during the term of the financing agreement:

a. A one-hundred percent (100%) credit against the Kentucky income tax that otherwise would be owed in the year, as determined under KRS 141.347, to the Commonwealth by the approved company on the income of the approved company generated by or arising out of the economic development project, such credit not to exceed the total debt service paid with respect to the loans or other financing incurred in connection with the economic development project; plus

b. The aggregate assessment withheld by the approved company in each year.

2. The income tax credited to the approved company shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042.

(d) 1. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax as provided in KRS 154.22-060, shall not exceed the total annual debt service payments of the approved company with respect to the loans or other financing incurred in connection with the economic development project in any year; however, to the extent that such annual debt service payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.

2. If, in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company, plus the assessment collected from the wages of the employees, equals the annual debt service payments with respect to the loans or other financing incurred in connection with the economic development project, and if all excess payments with respect to the loans or other financing incurred in connection with the economic development project accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company and the approved company shall resume normal

personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.

3. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.

4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees wages next succeeding the first date when the approved company collected excess assessments.

(e) The financing agreement shall provide in substance that it may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

(f) The financing agreement shall provide that an approved company shall require of any lender to the approved company funding the loans or other financing incurred in connection with the economic development project written evidence to be provided to the authority of payments of all annual debt service to such lender. Such evidence shall be provided to the authority within forty-five (45) days after the end of each fiscal year of the financing agreement.

(g) The financing agreement shall provide that if an approved company fails to comply with its respective obligations under the financing agreement, or that the lender to an approved company fails to comply with its requirements set forth in subsection (2)(f) of this section, or is declared in default under the loans or other financing incurred in connection with the economic development project, then the authority, or any of its assignees, shall have the right, at its option, to:

1. Suspend the availability of the income tax credits and job development assessment fees to the approved company;

2. Pursue any remedy provided under the financing agreement, including termination thereof; and

3. Pursue any other remedy at law to which it appears entitled.

(3) All remedies provided in subsection (2)(g) of this section shall be deemed cumulative.

(4) Pursuant to this section, the activation date shall be established by the approved company in the financing agreement at any time in a two (2) year period after the date of final approval of the financing agreement by the authority. To implement the activation date, the approved company shall notify the authority, the Revenue Cabinet, and the approved company's employees of the activation date when the implementation of the inducements authorized in the financing agreement shall occur. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040***(5)***[~~(3)~~] by the activation date, the approved company shall not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies the requirements; however, the fifteen (15) year period for the term of the financing agreement shall begin from the activation date. Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040***(5)***[~~(3)~~] within two (2) years from the date of final approval of the financing agreement, then the approved company shall be ineligible to receive inducements under this subchapter unless an extension is approved by the authority.".

(2) (a) Notwithstanding any other provisions of KRS 6.500 to 6.535, 16.510 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and 161.220 to 161.714, upon death, disability, or service retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits. (b) The provisions of paragraph (a) of this subsection shall be waived if the member notifies the system of his desire to maintain separate retirement accounts in the State Police Retirement System, Kentucky Employees Retirement System, or County Employees Retirement System, or if he is a member of the State Police Retirement System or is working in a hazardous position under the Kentucky Employees Retirement System or County Employees Retirement System and as a result of an act in line of duty, becomes disabled or deceased.

(c) If the member has not contributed at least one (1) year in a system in which he has prior service, his current service in the system shall be valid for purposes of determining eligibility and in computation of benefits on a consolidated basis.

(3) A member with service credit in the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System who becomes the holder of an office entitling him to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, but who does not elect within thirty (30) days after taking office in such service to participate in the plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System. In that event, the agency employing the member shall withhold employee contributions, or picked-up employee contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership. Any person entitled to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, who does not elect within thirty (30) days after taking office to participate in the plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have service credit in, any of the retirement systems mentioned in this section, or the Teachers' Retirement System, shall participate in the Kentucky Employees Retirement System. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS

21.360 and who is employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the system in which the employer of the nonelected position participates. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is not employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the Kentucky Employees Retirement System***, unless that member has chosen to opt out of the Kentucky Employees Retirement System in writing within sixty (60) days of the effective date of this Act, or within sixty (60) days of the date the member ceases to contribute to the plan as provided in KRS 21.360, whichever occurs later***.

(4) (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, shall be exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.

(b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, if he elects to cancel his option prior to January 1, 1977.

(c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan, as provided for in KRS 6.535, when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(3).

(5) Effective July 1, 1974, any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up the employee contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership, as subsection (2) of this section eliminates the necessity of the transfers.

(6) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by the same retirement system, shall have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, an accumulation of all hours worked within the same retirement system shall be used to determine eligibility under KRS 61.510(21).

(7) Notwithstanding the provisions of subsection (3) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System, but who is a member of one (1) of the systems or is a former member of one (1) or more of the systems with valid service credit therein, shall become eligible for service retirement benefits attributable to the amount of his actual service credit in each system in which he has service credit when his combined service credit in all the systems, plus any service credit he has in the Judicial Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system. The final compensation shall be determined by using the creditable compensation reported to the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System and only as much of the compensation earned in the Judicial Retirement Plan as is needed to satisfy the final compensation requirement applicable in the respective retirement systems.

Section 57. KRS 6.520 is amended to read as follows:

(1) A member of the Legislators' Retirement Plan who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement, except that in the case of a legislator who retires pursuant to KRS 21.410 or who dies in office, "final compensation" shall be ***one-twelfth (1/12) of one hundred percent (100%) of the annual assumed salary for legislators set forth in subsection (13) of Section 48 of this Act.***~~[two thousand two hundred ninety-one dollars sixty-six cents ($2,291.66)]~~.

(2) A member shall have rights, with respect to retirement before reaching normal retirement date in the Legislators' Retirement Plan, identical in terms with those rights provided in KRS 21.400(2) and (3) in the Judicial Retirement Plan for members of that plan, except that the reduction in a legislators' service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date.

(3) Subsections (1) and (2) of this section to the contrary notwithstanding, each legislator in office on July 1, 1982, that is a member of the Legislators' Retirement Plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the Court of Justice with an equivalent service entrance date, but in no event less than that specified in subsection (1) of this section, of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the sixty (60) months of service immediately preceding retirement.

(4) Subsections (1) and (2) of this section to the contrary notwithstanding, a member of the Legislators' Retirement Plan with a service entrance date after July 1, 1982, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five one-hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement.

SECTION 58. A NEW SECTION OF KRS CHAPTER 6 IS CREATED TO READ AS FOLLOWS:

When a legislator, including a legislator who has ceased to contribute to the legislative retirement system under KRS 21.360, is contributing to another retirement system in accordance with Section 56 of this Act and makes application for retirement benefits in accordance with the provisions of the retirement system to which he or she has contributed, the retirement system shall base the determination of final compensation, including the average monthly creditable compensation for purposes of determining retirement benefits, on the higher of the annual assumed salary for legislators under subsection (13) of Section 48 of this Act or the actual creditable compensation in the retirement system.

Section 59. The amendment that increases "creditable compensation" for legislators to an assumed salary of forty-five thousand dollars ($45,000) set forth in subsection (13) of Section 48 of this Act, and increases "final compensation" for legislators to forty-five thousand dollars ($45,000) set forth in subsection (14) of Section 48 of this Act shall be applied to calendar years beginning after December 31, 1999; and any other provision of law to the contrary notwithstanding, including, but not limited to, KRS 21.525, 6.525, and 61.565, the funding of retirement benefits for the increase in "final compensation" outlined in subsection (13) of Section 48 of this Act and subsection (14) Section 48 of this Act shall be provided from existing funds in the system's respective retirement account to which the increases in benefits applies for the biennium beginning July 1, 2000, and ending June 30, 2002.

HB 360, AN ACT relating to the police and firefighters' retirement fund in cities of the second class.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 95.859 is amended to read as follows:

(1) The rate of retirement annuity shall be two and one-half percent (2.5%) of average salary, as defined in KRS 95.851(13), for each year of total service up to and including thirty (30) years, subject to a maximum of seventy-five percent (75%) of average salary. Fractional periods of service shall be considered in the calculation of such annuities according to the aforesaid rate. If the calculated benefit for a member is less than four thousand eight hundred dollars ($4,800) per year, the board may increase the annual benefit to a minimum of four thousand eight hundred dollars ($4,800) if the increase can be supported on an actuarially-sound basis by the fund.

(2) Any member who retired prior to June 21, 1974, shall receive an increase of ten dollars ($10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars ($170) per month. No surviving widow of a retiree shall receive a pension of less than one hundred and fifty dollars ($150) per month. The board may increase the minimum benefit to no more than ***five hundred dollars ($500)***~~[four hundred dollars ($400)]~~ per month if the increase can be supported on an actuarially-sound basis by the fund. When Social Security benefits are increased, the surviving widows' minimum shall be increased by a like percentage, but the pension increase shall not exceed five percent (5%).

(3) Within six (6) months after the performance of the actuarial study required by KRS 95.872(6), the rate of retirement annuity of each annuitant shall be increased annually by an amount determined by the study to reflect so much of the annual increase in the cost of living of the annuitant as may be supported on an actuarially sound basis by the fund. So long as the same is published, such studies shall rely on the ***percentage increase in the annual average of the consumer price index for all items for the most recent calendar year as published by***~~["All Items Index" of]~~ the United States Department of Labor's ***Bureau of Labor Statistics, not to***~~[Consumer Price Indexes, but no increase in the cost of living shall]~~ exceed five percent (5%)~~[or the actual increase in the cost of living, whichever is lower]~~. ***In any year that the percentage increase in the annual average of the consumer price index for all items is less than five percent (5%), the board may set the annual increase at a rate higher than the increase of the consumer price index but not in excess of five percent (5%), if the board determines that the increase can be supported on an actuarially-sound basis by the fund.*** The increases shall be payable to all members of the fund on the effective date of the increases, and all increases granted on July 15, 1990, or thereafter shall be compounded.

(4) A surviving spouse who does not receive a pension increase pursuant to subsection (2) of this section or whose pension increase pursuant to the Social Security increase is less than the cost-of-living increase in subsection (3) of this section shall receive the same increase an annuitant receives pursuant to subsection (3) of this section, not to exceed a total of five percent (5%).

Section 2. KRS 95.860 is amended to read as follows:

(1) Upon death of a member due to occupational causes, regardless of length of service, his surviving widow shall be entitled immediately upon cessation of salary or annuity, as the case may be, to an annuity equal to fifty percent (50%) of the member's last rate of salary plus the total increase the retired member may have received in his annuity pursuant to KRS 95.859(3). This annuity shall be payable until she dies or remarries. No surviving widow shall receive an annuity of less than one hundred and fifty dollars ($150) per month. The board may increase the minimum benefit to no more than ***five hundred dollars ($500)***~~[four hundred dollars ($400)]~~ per month if the increase can be supported on an actuarially-sound basis by the fund. When Social Security benefits are increased, the minimum shall be increased by a like percentage, provided the increase shall not exceed five percent (5%). In addition, if minor children, under age eighteen (18), survive the member, the widow shall receive twenty-five percent (25%) of the member's last rate of salary until the last child attains age eighteen (18). The combined payments to a widow and minor children, excluding cost-of-living increases or increases in the survivor benefit due to increases the retired member may have received in his annuity pursuant to KRS 95.859(3), shall not exceed seventy-five percent (75%) of his final rate of salary.

(2) If a widow does not survive the member, or if she remarries, and minor children under age eighteen (18) exist, the children shall be entitled to the benefits provided in KRS 95.861(3).

(3) If neither a widow nor minor children, eligible for benefits survive the member, each dependent parent shall be entitled to an annuity equal to twenty-five percent (25%) of the member's last rate of salary, or fifty percent (50%) to both parents.

(4) If a widow would receive from a combination of:

(a) Survivor benefits pursuant to this section, excluding benefits for minor children or increases in the survivor benefit due to increases the retired member may have received in his annuity pursuant to KRS 95.859(3); and

(b) Workers' compensation benefits, excluding dependent children's allowances or payments for medical expenses or legal fees related to the workers' compensation claim, an amount greater than one hundred percent (100%) of the deceased member's last rate of salary,

then the pension system survivor benefits shall be reduced to the point that the combined payments equal one hundred percent (100%) of the last rate of salary. The survivor benefit shall not be reduced, however, below an amount equal to two and one-half percent (2.5%) of average salary for each year of the deceased member's service. Any reduction in the survivor payment shall be based upon workers' compensation benefits applicable at the time the survivor payment is granted, and not upon subsequent increases in either benefit. If workers' compensation benefits are reduced at a subsequent time, the surviving spouse shall inform the board, and the board shall increase the survivor's benefit by the amount of the reductions, but not by more than an amount which would increase the survivor's benefit to fifty percent (50%) of last rate of salary, excluding cost-of-living increases or increases in the survivor benefit due to increases the retired member may have received in his annuity pursuant to KRS 95.859(3). The board of trustees may pay estimated benefits to a surviving spouse, upon qualification for the benefits, based upon an estimate of workers' compensation benefits until such amounts are actually determined, at which time a final calculation of the spouse's actual benefits shall be determined and the account corrected retroactive to the effective date of the survivor benefit. If workers' compensation benefits are paid in lump sums, the board shall reduce the survivor benefit on a monthly rather than a lump-sum basis. The amount of the monthly reduction shall be based upon the life expectancy of the survivor. The board may request the assistance of the general manager of Kentucky retirement systems to calculate the reduction in survivor benefits when lump-sum payments are involved, and the general manager shall provide such assistance upon request.

(5) A surviving child or parent receiving benefits pursuant to this section shall receive the same cost-of-living increase granted to retirees pursuant to KRS 95.859(3). A surviving spouse who does not receive an increase pursuant to subsection (1) of this section or whose pension increase pursuant to the Social Security increase is less than the cost-of-living increase in KRS 95.859(3) shall receive the same increase an annuitant receives pursuant to KRS 95.859(3), not to exceed a total of five percent (5%).

Section 3. KRS 95.861 is amended to read as follows:

(1) Upon death of a member occurring while in service, arising from any cause other than in the performance of duty, provided the member has had at least three (3) years of total service, his widow shall receive an annuity equal to one and one-half percent (1-1/2%) of average salary for each year of total service, credited to the member, plus the total increase the retired member may have received in his retirement annuity pursuant to KRS 95.859(3), subject to a maximum payment, excluding cost-of-living increases of the member or the widow, to the widow of fifty percent (50%). If the member has had at least ten (10) years of total service, the widow shall receive an annuity of no less than one hundred and fifty dollars ($150) per month. The board may increase the minimum benefit to not more than ***five hundred dollars ($500)***~~[four hundred dollars ($400)]~~ per month if the increase can be supported on an actuarially-sound basis by the fund. When Social Security benefits are increased, the minimum shall be increased by a like percentage, but the increase shall not exceed five percent (5%). Payment of the annuity shall be subject to the following conditions:

(a) The widow had been married to the member at least one (1) year prior to his death;

(b) The widow is at least forty-five (45) years of age, otherwise payment will be deferred until she attains such age, except that if she is or becomes totally disabled before age forty-five (45), or has a minor child or children by the member in her care under age eighteen (18), (including adopted children provided the proceedings for adoption were initiated at least one (1) year prior to death of member) payment of the widow's annuity will begin immediately together with an additional allowance on account of the child or children;

(c) The widow's annuity will terminate in any event when the widow remarries. The annuity of each child or children shall continue until each child attains age eighteen (18).

(2) If the widow has minor children under age of eighteen (18), the annuity to the widow shall be increased one-half (1/2) on account of the first child and one-fourth (1/4) on account of each additional child, subject to a maximum combined payment, excluding cost-of-living increases or increases the retired member may have received in his annuity pursuant to KRS 95.859(3), to the widow and children of seventy-five percent (75%) of the average salary as defined in KRS 95.851(13).

(3) If the pensioner is not survived by a widow and there are minor children the following benefits shall be paid:

(a) One (1) minor child, fifty percent (50%) of the average salary plus the total increase the retired member may have received in his annuity pursuant to KRS 95.859(3);

(b) Two (2) minor children, fifteen percent (15%) of the average salary additional;

(c) Three (3) or more minor children, ten percent (10%) of the average salary additional, subject to a maximum combined payment, excluding cost-of-living increases of the member or the minor children, of seventy-five percent (75%) of the average salary as defined in KRS 95.851(13). The annuity of each child or children shall continue until each child attains age eighteen (18), or, in the case of a child regularly employed in full-time educational activities the age of twenty-three (23). The annuity payments shall be reduced in reverse order.

(4) These benefits shall also be payable upon death of the member while on retirement, provided marriage was in effect for at least one (1) year before death.

(5) A surviving child receiving benefits pursuant to this section shall receive the same cost-of-living increases granted to retirees pursuant to KRS 95.859(3). A surviving spouse who does not receive an increase pursuant to subsection (1) of this section or whose pension increase pursuant to the Social Security increase is less than the cost of living increase in KRS 95.859(3) shall receive the same increase an annuitant receives pursuant to KRS 95.859(3), not to exceed a total of five percent (5%).

Section 4. KRS 95.862 is amended to read as follows:

(1) In the event a total and permanent occupational disability occurs, the member shall receive an annuity equal to seventy percent (70%) of his last rate of salary. If the calculated monthly benefit is less than ***five hundred dollars ($500)***[~~four hundred dollars ($400)~~] per month, the board may increase the monthly benefit to a minimum of ***five hundred dollars ($500)***[~~four hundred dollars ($400)~~] monthly if the increase can be supported on an actuarially-sound basis by the fund. This benefit shall begin at such time as his salary may cease, and shall be paid during his entire lifetime. Any member who retired prior to June 21, 1974, shall receive an increase of ten dollars ($10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars ($170) per month. Upon his death, his eligible widow and minor children, if any, shall receive the benefits as provided under KRS 95.860.

(2) If the member retired for total and permanent occupational disability would receive from a combination of (a) pension disability payments pursuant to subsection (1) of this section, and (b) workers' compensation payments, excluding spouse or dependent children's allowances or payments for medical expenses or legal fees related to the workers' compensation claim, an amount greater than one hundred percent (100%) of his last rate of salary, then the pension system benefits shall be reduced to the point that the combined payments equal one hundred percent (100%) of the last rate of salary. The benefit shall not be reduced, however, below an amount equal to two and one-half percent (2-1/2%) of average salary for each year of the member's service. Any reduction in the payment shall be based upon workers' compensation benefits applicable at the time the payment is granted, and not upon subsequent increases in either benefit. If workers' compensation benefits are reduced at a subsequent time, the retiree shall inform the board, and the board shall increase the benefit by the amount of the reductions, but not by more than an amount which would increase the benefit to seventy percent (70%) of the last rate of salary, excluding cost-of-living increases. The board of trustees may pay estimated benefits to a retiree, upon qualification for the benefits, based upon an estimate of workers' compensation benefits until such amounts are actually determined, at which time a final calculation of the actual benefits shall be determined and the account corrected retroactive to the effective date of the benefit. If workers' compensation benefits are paid in lump sums, the board shall reduce the disability retirement annuity on a monthly rather than a lump sum basis. The amount of the monthly reduction shall be based upon the life expectancy of the retired member. The board may request the assistance of the general manager of Kentucky Retirement Systems to calculate the reduction in the retirement benefit when lump sum payments are involved, and the general manager shall provide such assistance upon request.

(3) Any member retired pursuant to this section shall receive the same cost-of-living increases granted to other retirees pursuant to the terms of KRS 95.859(3).

Section 5. KRS 95.863 is amended to read as follows:

(1) Upon total and permanent disability of a member as the result of any cause other than occupational disability, if a member shall have rendered at least ten (10) years of total service, he shall be entitled to a disability retirement annuity. The amount of such annuity shall be equal to two and one-half percent (2-1/2%) of average salary, as defined in KRS 95.851(13), for each full year of total service, subject to a minimum payment of twenty-five percent (25%) of such average salary, and a maximum payment, excluding cost-of-living increases, of fifty percent (50%) of average salary. If the calculated monthly benefit is less than ***five hundred dollars ($500)***[~~four hundred dollars ($400)~~] per month, the board may increase the monthly benefit to a minimum of ***five hundred dollars ($500)***[~~four hundred dollars ($400)~~] monthly if the increase can be supported on an actuarially-sound basis by the fund. Payment of this annuity shall be made during disability of the member. Any member who retired prior to June 21, 1974, shall receive an increase of ten dollars ($10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars ($170) per month. Upon death of the member, if an eligible widow or minor children survive, such survivors shall be entitled to the regular annuities provided under KRS 95.861.

(2) Any annuity for nonoccupational disability shall begin to accrue upon the expiration of ninety (90) days following the commencement of disability provided that if the member is receiving salary for sick leave for a period of more than ninety (90) days, payment shall accrue from the date such salary ceases. If written application for such annuity shall not have been filed with the board prior to the expiration of ninety (90) days from the date of disability, the annuity shall begin to accrue from the date the application shall be filed but not prior to the expiration of ninety (90) days from the date of

disability, nor in any event prior to the time when salary payments to the employee shall have ceased.

(3) Any member retired pursuant to this section shall receive the same cost-of-living increases granted to other retirees pursuant to the terms of KRS 95.859(3).

Section 6. KRS 61.702 is amended to read as follows:

(1) The board of trustees of Kentucky Retirement Systems shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan for present and future recipients of a retirement allowance from the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System. The board shall also arrange to provide health care coverage by health maintenance organizations, as defined in KRS 18A.225, as an alternative to group hospital and medical insurance for any person eligible for hospital and medical benefits under this section. Any person who chooses coverage by a health maintenance organization shall pay, by payroll deduction from the retirement allowance or by another method, the difference in premium between the cost of health maintenance organization coverage and the benefits to which he would be entitled under this section. The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems, who are under age sixty-five (65), to be included in the state employees' group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status.

(2) Each employer participating in the State Police Retirement System as provided for in KRS 16.510 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under KRS 61.565.

(3) (a) The premium required to provide hospital and medical benefits under this section shall be paid:

1. Wholly or partly from funds contributed by the recipient of a retirement allowance, by payroll deduction, or otherwise;

2. Wholly or partly from funds contributed by the Kentucky Retirement Systems insurance fund;

3. Wholly or partly from funds contributed by another state-administered retirement system under a reciprocal arrangement, except that any portion of the premium paid from the Kentucky Retirement Systems insurance fund under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in one (1) of the systems administered by the Kentucky Retirement Systems;

4. Partly from subparagraphs 1., 2., or 3., except that any premium for hospital and medical insurance over the amount contributed by the Kentucky Retirement Systems insurance fund or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the Kentucky Retirement Systems insurance fund shall pay the balance, not to exceed the monthly contribution.

5. In full from the Kentucky Retirement Systems insurance fund for all recipients of a retirement allowance from any of the three (3) retirement systems where such recipient is a retired former member of one (1) or more of the three (3) retirement systems (not a beneficiary or dependent child receiving benefits) and had two hundred and forty (240) months or more of service upon retirement. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180) months of service, seventy-five percent (75%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. Notwithstanding the foregoing provisions of this subsection, a State Police Retirement System member or a hazardous position employee, as defined in KRS 61.592, who becomes disabled in the line of duty as defined in KRS 16.505(19), shall have his premium paid in full as if he had two hundred forty (240) months or more of service. Further, a State Police Retirement System member or a hazardous position employee as defined in KRS 61.592, who is killed in the line of duty as defined in KRS 16.505(19), shall have the premium for the beneficiary, if the beneficiary is the member's

spouse, and for each dependent child paid so long as they individually remain eligible for a monthly retirement benefit. "Months of service" as used in this section shall mean the total months of combined service used to determine benefits under any or all of the three (3) retirement systems, except service added to determine disability benefits shall not be counted as "months of service."

(b) For a member electing insurance coverage through the Kentucky Retirement Systems, "months of service" shall include, in addition to service as described in paragraph (a) of this subsection, service credit in one of the other state-administered retirement plans.

1. Effective August 1, 1998, the Kentucky Retirement Systems shall compute the member's combined service, including service credit in another state-administered retirement plan, and calculate the portion of the member's premium to be paid by the insurance fund, according to the criteria established in paragraph (a) of this subsection. Each state-administered retirement plan annually shall pay to the insurance fund the percentage of the system's cost of the retiree's monthly contribution for single coverage for hospital and medical insurance which shall be equal to the percentage of the member's number of months of service in the other state-administered retirement plan divided by his total combined service. The amounts paid by the other state-administered retirement plans and the insurance fund shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.

2. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.

3. A state-administered retirement plan shall not pay any portion of a member's monthly contribution for medical insurance unless the member is a recipient or annuitant of the plan.

(4) (a) Group rates under the hospital and medical insurance plan shall be made available to the spouse, dependents, and disabled children, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the spouse, dependent, disabled child, or beneficiary hospital and medical insurance is paid by payroll deduction from the retirement allowance or by another method. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(b) The other provisions of this section notwithstanding, the insurance fund shall pay a percentage of the monthly contribution for the spouse and dependents of a recipient who was a member of the General Assembly and is receiving a retirement allowance based on General Assembly service, of the Kentucky Employees Retirement System and determined to be in a hazardous position, of the County Employees Retirement System, and determined to be in a hazardous position or of the State Police Retirement System, or the beneficiary of the member, if the member designated only one (1) person as beneficiary. The percentage of the monthly contribution paid for the spouse and dependents ***of a recipient who was in a hazardous position*** shall be based solely on the member's service with the State Police Retirement System or service in a hazardous position using the formula in subsection (3)(a) of this section***, except that for any recipient of a retirement allowance from the County Employees Retirement System who was contributing to the system on January 1, 1998, for service in a hazardous position, the percentage of the monthly contribution shall be based on the total of hazardous service and any nonhazardous service as a police or firefighter with the same agency, if that agency was participating in the County Employees Retirement System but did not offer hazardous duty coverage for its police and firefighters at the time of initial participation***.

(c) The insurance fund shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance fund provides coverage for the spouse or dependents or beneficiary of a former member of the County Employees Retirement System, the insurance fund shall continue the same level of coverage for the spouse or dependent or beneficiary after the age of sixty-five (65) as before the age of sixty-five (65), if the spouse or dependent or beneficiary is not eligible for Medicare coverage.

(5) After July 1, 1998, notwithstanding any other provision to the contrary, a member who holds a judicial office but did not elect to participate in the Judicial Retirement Plan and is participating instead in the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System, as provided in KRS 61.680, and who has at least twenty (20) years of total service, one-half (1/2) of which is in a judicial office, shall receive the same hospital and medical insurance benefits, including paid benefits for spouse and dependents, as provided to persons retiring under the provisions of KRS 21.427. The Administrative Office of the Courts shall pay the cost of the medical insurance benefits provided by this subsection.

(6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.

SECTION 1. A NEW SECTION OF KRS 186.186 TO 186.1867 IS CREATED TO READ AS FOLLOWS:

(1) Any person who complies with the provisions of KRS 186.186 may apply for an independent collegiate license plate for any independent college or university licensed by the Council on Postsecondary Education.

(2) An independent collegiate license plate shall be the color and design selected by the Association of Independent Kentucky Colleges and Universities and approved by the Transportation Cabinet. The name "Kentucky" and the annual renewal decal shall appear on the plate, along with the logo of the Kentucky Association of Independent Colleges and Universities and a decal bearing the name of the college or university selected by the person purchasing the plate. From all insurers, an amount based on the total amount of all health benefit plan premiums earned during the prior assessment period and paid by all insurers who received any of the health benefit plan premiums on which the annual assessment is based. The percentage rate used for the annual assessment shall be the same percentage rate as calculated in the GAP risk adjustment process for the six (6) month period of July 1, 1998, through December 31, 1998;

3. If determined necessary by the department, a second assessment may be assessed in the same manner as the annual assessment in subparagraph 2. of this paragraph; and

4. In no event shall the sum of the first assessment provided for in subparagraph 2. of this paragraph and the second assessment provided for in subparagraph 3. of this paragraph be greater than one percent (1%) of the total amount of all assessable health benefit plan premiums earned during the prior assessment period;

(b) The first assessment shall be for the period from January 1, 2000, through December 31, 2000, and shall be paid on or before March 31, 2001. Subsequent annual assessments shall be paid on or before March 31 of the year following the assessment period.

(2) Every supporting insurer shall report to the department, in a form and at the time as the department may specify, the following information for the specified period:

(a) The insurer's total stop-loss premiums and health benefit plan premiums in the individual, small group, large group, and association markets; and

(b) If the amount of actual guaranteed acceptance program plan losses exceeds the assessment provided for in paragraph (a) of this subsection, a second assessment shall be authorized under subsection (1)(a)3. of this section. If the amount of GAP losses exceeds the assessments provided under subsection (1)(a)1., subsection (1)(a)2., and subsection (1)(a)3. of this section, moneys received and available from the Kentucky Health Care Improvement Fund after the Department determines available funding for Kentucky Access for the current calendar year pursuant to subsection (6) of this section, shall be used to reimburse GAP participating insurers for any actual guaranteed acceptance program losses. If the amount of GAP losses exceeds the amount in the Kentucky Health Care Improvement Fund after reserving sufficient funds for Kentucky Access for the current year, each GAP participating insurer shall be reimbursed up to the amount of its proportional share of actual guaranteed acceptance program plan losses from the fund. Effective for any assessment on or after October 1, 2000, in calculating GAP losses, total premiums and total claims of the GAP participating insurer shall be used. Actual guaranteed acceptance program losses shall be calculated as the difference between the total GAP claims and the total GAP premiums on an aggregate basis.

(7) With respect to a GAP participating insurer who reasonably will be expected both to pay assessments and to receive payments from the assessment fund, the department shall calculate the net amount owed to or to be received from the fund, and the department shall only collect assessments for or make payments from the fund based upon net amounts.

(8) Insurers paying an assessment may include in any health insurance rate filing the amount of these assessments as provided for in Subtitle 17A of this chapter.

(9) Insurers shall pay any assessment amounts authorized in Sections 1 to 16 of this Act within thirty (30) days of receiving notice from the department of the assessment amount.

As used in this subsection, "future losses" may include reserves for incurred but not reported claims.

Premium rates for a health benefit plan issued or renewed to an individual, a small group, or an association on or after April 10, 1998, shall be subject to the following provisions:

(1) The premium rates charged during a rating period to an individual with similar case characteristics for the same coverage, or the rates that could be charged to that individual under the rating system for that class of business, shall not vary from the index rate by more than thirty-five percent (35%) of the index rate***, except that the premium rates charged to an individual shall not vary from the index rate by more than fifty percent (50%) for two (2) consecutive years beginning January 1, 2001***.

(2) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed ***twenty***[~~ten~~] percent ***(20%)***[~~(10%)~~] annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.

(3) [~~(a) Notwithstanding subsection (2) of this section, at renewal the insurer may replace modified community rates with rates determined in accordance with subsection (1) of this section.~~

~~(b) Within the limitations set out in subsections (1) and (2) of this section, the premium rate for health benefit plans issued to high-risk individuals under modified community rating who at the time of issue had a high-cost condition during the period from July 15, 1995, until April 10, 1998, for a new rating period:~~

~~1. Shall not be increased by more than twenty-five percent (25%) on either of the first two (2) renewal dates after April 10, 1998. The total increase shall not result in a rate that exceeds thirty-five percent (35%) of the index rate. Notwithstanding subsection (1) of this section, the program established under KRS 304.17A-400 shall reimburse the insurer for any premium loss incurred under this subsection to the extent that funds are available;~~

~~2. May be increased without restriction to the applicable rate as determined by the insurer's rate manual on the third renewal date after April 10, 1998; and~~

~~3. Shall be subject to subsection (2) of this section on the fourth renewal date after April 10, 1998, and thereafter.~~

~~(4)~~]The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate***, except that the premium rate charged to a small group or association shall not vary from the index rate by more than forty percent (40%) for two (2) consecutive years beginning January 1, 2001***.

(4)[~~(5)~~]The percentage increase in the premium rate charged to a small group or to an association member for a new rating period shall not exceed the sum of the following:

(a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;

(b) Any adjustment, not to exceed ***twenty***[~~fifteen~~] percent ***(20%)***[~~(15%)~~] annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and

(c) Any adjustment due to change in coverage or change in the case characteristics of the small group or association member as determined from the insurer's rate manual for the class of business.

(5)[~~(6)~~]In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.

(6)[~~(7)~~]Adjustments in rates for claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, health status, and duration of coverage shall not be charged to an individual group member or the member's dependents. Any adjustment shall be applied uniformly to the rates charged for all individuals and dependents of the small group.

(7)[~~(8)~~]The commissioner may approve establishment of additional classes of business upon application to the commissioner and a finding by the commissioner that the additional class would enhance the efficiency and fairness for the applicable market segment.

(a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than ten percent (10%).

(b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:

1. The insurer uses more than one (1) type of system for the marketing and sale of the health benefit plans; or

2. The insurer has acquired a class of business from another insurer.

(c) Notwithstanding any other provision of this subsection, beginning January 1, 2001, an insurer may establish a separate class of business for the purpose of separating guaranteed acceptance program qualified individuals from other individuals enrolled in their plan prior to January 1, 2001. The index rate for the separate class

created under this paragraph shall be established taking into consideration expected claims experience and administrative costs of the new class of business and the previous class of business.

(8)~~[(9)]~~For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network if utilization of the restricted provider network results in substantial differences in claims costs.

(9)~~[(10)]~~ Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995, and April 10, 1998, to develop the insurer's index rate for its individual policies.

(10)~~[(11)]~~ Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

Section 20. KRS 304.17A-150 is amended to read as follows:

(a) Encourage individuals or groups to refrain from filing an application for coverage with the insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(b) Encourage or direct individuals or groups to seek coverage from another insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

The provisions of ~~[paragraphs (a) and (b) of]~~this subsection shall not apply to information provided regarding the established geographic service area of an insurer.

(2) It is an unfair trade practice for an insurer to compensate an agent, broker, or any other person in the business of marketing and selling health plans on the basis of the health status, claims experience, industry, occupation, or geographic location of the insured or prospective insured***, except as provided in Sections 1 to 16 of this Act***.

(3) It shall constitute an unfair trade practice for any insurer, insurance agent, or third-party administrator to refer an individual employee to the Kentucky guaranteed acceptance program ***or to Kentucky Access,*** or to arrange for an individual employee to apply to ***either***~~[that]~~ plan, for the purpose of separating an employee from group health insurance coverage provided in connection with the individual's employment.

(4) It is an unfair trade practice for an insurer not to compute an insured's coinsurance or cost sharing on the basis of the amount actually received by a health-care provider from the insurer.

(5) The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any insurer that fails to pay an assessment under ***Section 11 of this Act***~~[KRS 304.17A-470]~~. As an alternative, the commissioner may levy a civil penalty on any member insurer that fails to pay the assessment when due. The civil penalty shall not exceed five percent (5%) of the unpaid assessment per month, but no civil penalty shall be less than one hundred dollars ($100) per month.

(6) The remedy provided by KRS 304.12-120 shall be available for conduct proscribed by this section.

Section 21. KRS 304.17A-250 is amended to read as follows:

(1) The commissioner shall, by administrative regulations promulgated under KRS Chapter 13A, define one (1) standard health benefit plan that shall provide health insurance coverage in the individual and small group markets after June 30, 1998. As a condition of doing business in the ~~[individual or]~~small group market in the Commonwealth, the health insurer shall offer the standard health benefit plan, but the extent to which the standard health benefit plan shall be offered on a guaranteed issue basis shall only be as provided in KRS 304.17A-200~~[and 304.17A-210]~~. ***As a condition of doing business in the individual market on or after January 1, 2001, a health insurer shall offer the standard health benefit plan.*** Except as may be necessary to coordinate with changes in federal law, the commissioner shall not alter, amend, or replace the standard health benefit plan more frequently than annually. Initially, the standard health benefit plan shall be the standard high plan in effect on April 10, 1998.

(2) The standard health benefit plan shall be available in at least one (1) of these four (4) forms of coverage:

(a) A fee-for-service product type;

(b) A health maintenance organization type;

(c) A point-of-service type; and

(d) A preferred provider organization type.

(3) The standard health benefit plan shall be defined so that it meets the requirements of KRS 304.17A-430 for inclusion in calculating assessments and refunds under the guaranteed acceptance program.

(4) Any health insurer who elects to offer health insurance policies in the individual or small group markets in this state shall, as a condition of offering health benefit plans in this state after June 30, 1998, offer and issue the standard health benefit

plan in the individual or small group markets in each and every form of coverage that the health insurer offers to sell.

(5) Nothing in this section shall be construed:

(a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;

(b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or

(c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under KRS 304.17A-200, ~~[304.17A-210,]~~304.17A-220, 304.17A.230, and 304.17A-240.

(6) Insurance agents licensed under this chapter who present for sale any health benefit plan in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same insurer.

(7) (a) A benefits comparison shall be delivered to a prospective applicant for any health insurance coverage in the individual or small group markets at the time of initial solicitation through means that prominently direct the attention of the prospective applicant to the document and its purpose.

1. The commissioner shall prescribe a standard format, including style, arrangement, and overall appearance, and the content of a benefits comparison.

2. In the case of agent solicitations, an agent shall deliver the benefits comparison to the prospective applicant prior to the presentation of an application or enrollment form.

3. In the case of direct response solicitations, the benefits comparison shall be presented in conjunction with any application or enrollment form.

(b) The benefits comparison given to a prospective applicant shall include:

1. A description of the principal benefits and coverage provided in the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant;

2. A statement of the principal exclusions, reductions, and limitations contained in the standard health benefit plan offered under this section, and the health benefit plan being offered to the prospective applicant; and

3. A chart providing a direct comparison of the insurer's premium rate for the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant.

(c) At the time of the execution of an application for any health benefit plan, the prospective applicant shall sign a statement contained in or accompanying the application, which shall remain on file with the health insurer for five (5) years, indicating that the insured has been provided with and understands the benefits comparison required by this subsection.

(d) As used in this subsection and in subsection (6) of this section, the term "prospective applicant" refers only to a natural person who is a resident of the Commonwealth and who is purchasing health insurance coverage in the individual market providing benefits to that person, that person's spouse, or that person's children. It does not include an employer or representative of an employer who is considering health insurance coverage that would provide benefits to employees and their families.

(8) All health benefit plans shall cover hospice care at least equal to the Medicare benefits.

(9) All health benefit plans shall coordinate benefits with other health benefit plans in accordance with the guidelines for coordination of benefits prescribed by the commissioner as provided in KRS 304.18-085.

(10) Every health insurer of any kind, nonprofit hospital, medical-surgical, dental and health service corporation, health maintenance organization, or provider-sponsored health delivery network that issues or delivers an insurance policy in this state that directs or gives any incentives to insureds to obtain health care services from certain health care providers shall not imply or otherwise represent that a health care provider is a participant in or an affiliate of an approved or selected provider network unless the health care provider has agreed in writing to the representation or there is a written contract between the health care provider and the insurer or an agreement by the provider to abide by the terms for participation established by the insurer. This requirement to have written contracts shall apply whenever an insurer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the insurer's insureds. The obligation set forth in this section for an insurer to have written contracts with providers selected for use by the insurer shall not apply to emergency or out-of-area services.

(12) Any health insurer that fails to issue a premium rate quote to an individual within thirty (30) days of receiving a completed application request for the quote shall be required to issue coverage to that individual and shall not impose any pre-existing conditions exclusion on that individual with respect to the coverage. Each health insurer offering individual

health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an ***applicant or*** insured with a high-cost condition shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision, a statement setting forth the specific high-cost condition that is the basis for refusing to issue a policy, a description of the Guaranteed Acceptance Program ***until October 1, 2000***, and the name and the telephone number of a contact person who can provide additional information about the Guaranteed Acceptance Program. ***On or after October 1, 2000, the denial letter shall include a description of Kentucky Access and the name and telephone number of a contact person who can provide additional information about Kentucky Access for any reason an insurer refuses to issue a policy.***

(13) If a standard health benefit plan covers services that the plan's insureds lawfully obtain from health departments established under KRS Chapter 212, the health insurer shall pay the plan's established rate for those services to the health department.

(14) No individually insured person shall be required to replace an individual policy with group coverage on becoming eligible for group coverage that is not provided by an employer. In a situation where a person holding individual coverage is offered or becomes eligible for group coverage not provided by an employer, the person holding the individual coverage shall have the option of remaining individually insured, as the policyholder may decide. This shall apply in any such situation that may arise through an association, an affiliated group, the Kentucky state employee health insurance plan, or any other entity.

Section 22. KRS 304.17A-260 is amended to read as follows:

(6) For each calendar year that the Kentucky Guaranteed Acceptance Program is operating, every insurer shall report to the commissioner and the Health Insurance Advisory Council, in the form and at the time as the commissioner by administrative regulation may specify, information that the commissioner deems necessary for the council and commissioner to evaluate the list of high-cost conditions as required under this section.

Section 26. KRS 304.17A-095 is amended to read as follows:

(1) Notwithstanding any other provisions of this chapter to the contrary, each insurer that issues, delivers, or renews any health benefit plan shall, before use thereof, file with the commissioner its rates, fees, dues, and other charges paid by insureds, members, enrollees, or subscribers, shall submit a copy of the filing to the Attorney General, and shall comply with the provisions of this section. The insurer shall adhere to its rates, fees, dues, and other charges as filed with the commissioner. The insurer may submit new filings from time to time as it deems proper.

(2) (a) A rate filing under this section may be used by the insurer on and after the date of filing with the commissioner prior to approval by the commissioner. A rate filing shall be approved or disapproved by the commissioner within sixty (60) days after the date of filing. Should sixty (60) days expire after the commissioner receives the filing before approval or disapproval of the filing, the filing shall be deemed approved. The commissioner may hold a hearing within sixty (60) days after receiving a filing containing a rate increase. Not less than thirty (30) days in advance of a hearing held under this section, the commissioner shall notify the Attorney General in writing of the hearing. The Attorney General may participate as a health insurance consumer intervenor and be considered a party to the hearing.

(b) The commissioner shall hold a hearing upon written request, including the reasons for the request, by the Attorney General, provided the request is in accordance with subsection (3) of this section.

(c) The commissioner shall hold a hearing, unless waived by the health insurer, before ordering a retroactive reduction of rates.

(d) The hearing shall be a public hearing conducted in accordance with KRS Chapter 13B.

(e) In the circumstances of a filing that has been deemed approved under paragraph (a) of this subsection, the commissioner shall have the authority to order a retroactive reduction of rates to a reasonable rate if after applying the factors in subsection (3) of this section the commissioner determines that the rates were unreasonable. If the commissioner seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the commissioner shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.

(3) In approving or disapproving a filing under this section, the commissioner shall consider:

(a) Whether the benefits provided are reasonable in relation to the premium or fee charged;

(b) Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;

(c) Previous premium rates or fees for the policies or contracts to which the filing applies;

(d) The effect of the rate or rate increase on policyholders, enrollees, and subscribers;

(e) Whether the rates, fees, dues, or other charges are excessive, inadequate, or unfairly discriminatory; and

(f) The effect on the rates of any assessment made under KRS 304.17A-460 ***ending December 31, 2000, and beginning January 1, 2001, and Section 11 of this Act***; and

(g) Other factors as deemed relevant by the commissioner.

(4) The rates for each policyholder shall be guaranteed for twelve (12) months at the rate in effect on the date of issue or date of renewal.

(5) At any time the commissioner, after a public hearing for which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund or future premium credit to policyholders, enrollees, and subscribers if the commissioner determines that the rates or fees previously approved are in violation of this chapter.

(6) *Notwithstanding (2)(a) to (e) of this section, beginning January 1, 2001, premium rates may be used upon filing with the department of a policy form not previously used if the filing is accompanied by the policy form filing and a minimum loss ratio guarantee. Insurers may use the filing procedure specified in this subsection only if the affected policy forms disclose the benefit of a minimum loss ratio guarantee. An insurer may not elect to use the filing procedure in this subsection for a policy form that does not contain the minimum loss ratio guarantee. Insurers may not amend policy forms to provide for a minimum loss ratio guarantee. If an insurer elects to use the filing procedure in this subsection for a policy form or forms, the insurer shall not use a filing of premium rates that does not provide a minimum loss ratio guarantee for that policy form or forms.*

(a) The minimum loss ratio shall be in writing and shall contain at least the following:

1. An actuarial memorandum specifying the expected loss ratio that complies with the standards as set forth in this subsection;

2. A statement certifying that all rates, fees, dues, and other charges are not excessive, inadequate, or unfairly discriminatory;

3. Detailed experience information concerning the policy forms;

4. A step-by-step description of the process used to develop the experience loss ratio, including demonstration with supporting data;

5. A guarantee of a specific lifetime minimum loss ratio, that shall be greater than or equal to the following, taking into consideration adjustments for duration as set forth in administrative regulations promulgated by the commissioner:

a. Seventy percent (70%) for policies issued to individuals or for certificates issued to members of an association that does not offer coverage to small employers;

b. Seventy percent (70%) for policies issued to small groups of two (2) to ten (10) employees or for certificates issued to members of an association that offers coverage to small employers; and

c. Seventy-five percent (75%) for policies issued to small groups of eleven (11) to fifty (50) employees;

6. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph, adjusted for duration;

7. A guarantee that the actual Kentucky lifetime loss ratio shall meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph; and

8. If the annual earned premium volume in Kentucky under the particular policy form is less than two million five hundred thousand dollars ($2,500,000), the minimum loss ratio guarantee shall be based partially on the Kentucky earned premium and other credibility factors as specified by the commissioner.

(b) The actual Kentucky minimum loss ratio results for each year at issue shall be independently audited at the insurer's expense and the audit shall be filed with the commissioner not later than one hundred twenty (120) days after the end of the year at issue. The audit shall demonstrate the calculation of the actual Kentucky loss ratio in a manner prescribed as set forth in administrative regulations promulgated by the commissioner.

(c) The insurer shall refund premiums in the amount necessary to bring the actual loss ratio up to the guaranteed minimum loss ratio.

(d) A Kentucky policyholder affected by the guaranteed minimum loss ratio shall receive a portion of the premium refund relative to the premium paid by the policyholder. The refund shall be made to all Kentucky policyholders insured under the applicable policy form during the year at issue if the refund would equal ten dollars ($10) or more per policy. The refund shall include statutory interest from July 1 of the year at issue until the date of payment. Payment shall be made not later than one hundred eighty (180) days after the end of the year at issue.

(e) Premium refunds of less than ten dollars ($10) per insured shall be aggregated by the insurer and paid to the Kentucky State Treasury.

(f) None of the provisions of subsections (2) and (3) of this section shall apply if premium rates are filed with the department and accompanied by a minimum loss ratio guarantee that meets the requirements of this subsection. Such filings shall be deemed approved. Each insurer paying a risk assessment under KRS 304.17A-460 may include the amount of the assessment in establishing premium rates filed with the commissioner under this section. The insurer shall identify any assessment allocated.

(g) The policy form filing of an insurer using the filing procedure with a minimum loss ratio guarantee will disclose to the enrollee, member or subscriber as prescribed by the commissioner an explanation of the lifetime loss ratio guarantee, and the actual loss ratio, and any adjustments for duration.

(h) The insurer who elects to use the filing procedure with a minimum loss ratio guarantee shall notify all policyholders of the refund calculation, the result of the refund calculation, the percent of premium on an aggregate basis to be refunded if any, any amount of the refund attributed to the payment of interests, and an explanation of amounts less than ten dollars ($10).

(7) The commissioner may by administrative regulation prescribe any additional information related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she deems necessary and relevant to be included in the filings and the form of the filings required by this section. ***Beginning January 1, 2001, when determining a loss ratio for the purposes of loss ratio guarantee, the insurer shall divide the total of the claims incurred, plus preferred provider organization expenses, case management and utilization review expenses, plus reinsurance premiums less reinsurance recoveries by the premiums earned less state and local premium taxes less other assessments. For purposes of determining the loss ratio for any loss ratio guarantee pursuant to this Act, the commissioner may examine the insurer's expenses for preferred provider organization, case management, utilization review, and reinsurance used by the insurer in calculating the loss ratio guarantee for reasonableness. Only those expenses found to be reasonable by the commissioner may be used by the insurer for determining the loss ratio for purposes of any loss ratio guarantee.***

Section 27. KRS 304.17A-150 is amended to read as follows:

(1) On and after July 15, 1995, it is an unfair trade practice for an insurer, agent, broker, or any other person in the business of marketing and selling health plans, to commit or perform any of the following acts:

(a) Encourage individuals or groups to refrain from filing an application for coverage with the insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(b) Encourage or direct individuals or groups to seek coverage from another insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or

(c) Encourage an employer to exclude an employee from coverage.

The provisions of paragraphs (a) and (b) of this subsection shall not apply to information provided regarding the established geographic service area of an insurer.

(2) It is an unfair trade practice for an insurer to compensate an agent, broker, or any other person in the business of marketing and selling health plans on the basis of the health status, claims experience, industry, occupation, or geographic location of the insured or prospective insured.

(3) It shall constitute an unfair trade practice for any insurer, insurance agent, or third-party administrator to refer an individual employee to the Kentucky guaranteed acceptance program***, or Kentucky Access,*** or to arrange for an individual employee to apply to that plan, for the purpose of separating an employee from group health insurance coverage provided in connection with the individual's employment.

(4) It is an unfair trade practice for an insurer not to compute an insured's coinsurance or cost sharing on the basis of the amount actually received by a health-care provider from the insurer.

(5) ~~[The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any insurer that fails to pay an assessment under KRS 304.17A-470. As an alternative, the commissioner may levy a civil penalty on any member insurer that fails to pay the assessment when due. The civil penalty shall not exceed five percent (5%) of the unpaid assessment per month, but no civil penalty shall be less than one hundred dollars ($100) per month.~~

~~(6)~~] The remedy provided by KRS 304.12-120 shall be available for conduct proscribed by this section.

Section 28. KRS 304.17A-250 is amended to read as follows:

(1) The commissioner shall, by administrative regulations promulgated under KRS Chapter 13A, define one (1) standard health benefit plan that shall provide health insurance coverage in the individual and small group markets after June 30, 1998. As a condition of doing business in the individual or small group market in the Commonwealth, the health insurer shall offer the standard health benefit plan, but the extent to which the standard health benefit plan shall be offered on a guaranteed issue basis shall only be as provided in KRS 304.17A-200 and 304.17A-210. Except as may be necessary to coordinate with changes in federal law, the commissioner shall not alter, amend, or replace the standard health benefit plan more frequently than annually. Initially, the standard health benefit plan shall be the standard high plan in effect on April 10, 1998.

(2) The standard health benefit plan shall be available in at least one (1) of these four (4) forms of coverage:

(a) A fee-for-service product type;

(b) A health maintenance organization type;

(c) A point-of-service type; and

(d) A preferred provider organization type.

(3) [~~The standard health benefit plan shall be defined so that it meets the requirements of KRS 304.17A-430 for inclusion in calculating assessments and refunds under the guaranteed acceptance program.~~

~~(4)~~] Any health insurer who elects to offer health insurance policies in the individual or small group markets in this state shall, as a condition of offering health benefit plans in this state after June 30, 1998, offer and issue the standard health benefit plan in the individual or small group markets in each and every form of coverage that the health insurer offers to sell.

(4)[~~(5)~~]Nothing in this section shall be construed:

(a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;

(b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or

(c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under KRS 304.17A-200, 304.17A-210, 304.17A-220, 304.17A.230, and 304.17A-240.

(5)[~~(6)~~]Insurance agents licensed under this chapter who present for sale any health benefit plan in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same insurer.

(6)[~~(7)~~](a) A benefits comparison shall be delivered to a prospective applicant for any health insurance coverage in the individual or small group markets at the time of initial solicitation through means that prominently direct the attention of the prospective applicant to the document and its purpose.

1. The commissioner shall prescribe a standard format, including style, arrangement, and overall appearance, and the content of a benefits comparison.

2. In the case of agent solicitations, an agent shall deliver the benefits comparison to the prospective applicant prior to the presentation of an application or enrollment form.

3. In the case of direct response solicitations, the benefits comparison shall be presented in conjunction with any application or enrollment form.

(b) The benefits comparison given to a prospective applicant shall include:

1. A description of the principal benefits and coverage provided in the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant;

2. A statement of the principal exclusions, reductions, and limitations contained in the standard health benefit plan offered under this section, and the health benefit plan being offered to the prospective applicant; and

3. A chart providing a direct comparison of the insurer's premium rate for the standard health benefit plan offered under this section, and the health benefit policy being offered to the prospective applicant.

(c) At the time of the execution of an application for any health benefit plan, the prospective applicant shall sign a statement contained in or accompanying the application, which shall remain on file with the health insurer for five (5) years, indicating that the insured has been provided with and understands the benefits comparison required by this subsection.

(d) As used in this subsection and in subsection (6) of this section, the term "prospective applicant" refers only to a natural person who is a resident of the Commonwealth and who is purchasing health insurance coverage in the individual market providing benefits to that person, that person's spouse, or that person's children. It does not include an employer or representative of an employer who is considering health insurance coverage that would provide benefits to employees and their families.

(7)[~~(8)~~]All health benefit plans shall cover hospice care at least equal to the Medicare benefits.

(8)[~~(9)~~]All health benefit plans shall coordinate benefits with other health benefit plans in accordance with the guidelines for coordination of benefits prescribed by the commissioner as provided in KRS 304.18-085.

(9)[~~(10)~~] Every health insurer of any kind, nonprofit hospital, medical-surgical, dental and health service corporation, health maintenance organization, or provider-sponsored health delivery network that issues or delivers an insurance policy in this state that directs or gives any incentives to insureds to obtain health care services from certain health care providers shall not imply or otherwise represent that a health care provider is a participant in or an affiliate of an approved or selected provider network unless the health care provider has agreed in writing to the representation or there is a written contract between the health care provider and the insurer or an agreement by the provider to abide by the terms for participation established by the insurer. This requirement to have written contracts shall apply whenever an insurer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the insurer's insureds. The obligation set forth in this section for an insurer to have written contracts with

providers selected for use by the insurer shall not apply to emergency or out-of-area services.

(10)[~~(11)~~] A self-insured plan may select any third party administrator licensed under KRS 304.9-052 to adjust or settle claims for persons covered under the self-insured plan.

(11)[~~(12)~~] Any health insurer that fails to issue a premium rate quote to an individual within thirty (30) days of receiving a completed application request for the quote shall be required to issue coverage to that individual and shall not impose any pre-existing conditions exclusion on that individual with respect to the coverage. Each health insurer offering individual health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an insured with a high-cost condition shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision, a statement setting forth the specific high-cost condition that is the basis for refusing to issue a policy, a description of the Guaranteed Acceptance Program, and the name and the telephone number of a contact person who can provide additional information about the Guaranteed Acceptance Program.

(12)[~~(13)~~] If a standard health benefit plan covers services that the plan's insureds lawfully obtain from health departments established under KRS Chapter 212, the health insurer shall pay the plan's established rate for those services to the health department.

(13)[~~(14)~~] No individually insured person shall be required to replace an individual policy with group coverage on becoming eligible for group coverage that is not provided by an employer. In a situation where a person holding individual coverage is offered or becomes eligible for group coverage not provided by an employer, the person holding the individual coverage shall have the option of remaining individually insured, as the policyholder may decide. This shall apply in any such situation that may arise through an association, an affiliated group, the Kentucky state employee health insurance plan, or any other entity.

Section 29. KRS 304.17A-290 is amended to read as follows:

(1) Coverage of an individual who is not a state employee or a small group which on April 10, 1998, is covered under KRS 18A.2251 or KRS 18A.2281 shall not be renewed after April 10, 1998.

(2) The state employee health insurance fund established under KRS 18A.2281 shall be deemed an insurer as defined in KRS 304.17A-005 only for the coverage it provides to individuals not state employees or to small groups and only until such time as this coverage terminates in accordance with subsection (1) of this section.

(3) [~~The state employee health insurance fund established under KRS 18A.2281 shall be subject to assessments and reimbursements under KRS 304.17A-400 to 304.17A-480 only for the premium collected and the claims paid for individuals who are not state employees and the small groups which are covered by the fund.~~

~~(4)~~] Except as provided in this section, the state employee health insurance fund established under KRS 18A.2281 shall not be deemed an insurer for any other purpose in this chapter and, in no event, at any time more than twelve (12) months after April 10, 1998, shall it be deemed to be an insurer.

Section 30. KRS 304.17A-320 is amended to read as follows:

(1) No employer-organized association shall in this state self-insure in order to provide health benefit plans for its members unless it holds a certificate of filing from the commissioner.

(2) To qualify for a certificate of filing and to maintain a certificate of filing, the employer-organized association shall comply with the provisions of Subtitle 48 of this chapter to the extent not in conflict with the expressed provisions of this section.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.0011 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Injury" means any work-related traumatic event or series of traumatic events, including cumulative trauma, arising out of and in the course of employment which is the proximate cause producing a harmful change in the human organism evidenced by objective medical findings. "Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury.

(2) "Occupational disease" means a disease arising out of and in the course of the employment.

(3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

(4) "Injurious exposure" shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which the claim is made.

(5) "Death" means death resulting from an injury or occupational disease.

(6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer.

(7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter.

(8) "Department" means the Department of Workers' Claims in the Labor Cabinet.

(9) "Commissioner" means the commissioner of the Department of Workers' Claims.

(10) "Board" means the Workers' Compensation Board.

(11) (a) "Temporary total disability" means the condition of an employee who has not reached maximum medical improvement from an injury and has not reached a level of improvement that would permit a return to employment;

(b) "Permanent partial disability" means the condition of an employee who, due to an injury, has a permanent disability rating but retains the ability to work; and

(c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:

1. Total and permanent loss of sight in both eyes;
2. Loss of both feet at or above the ankle;
3. Loss of both hands at or above the wrist;
4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;
5. Permanent and complete paralysis of both arms, both legs, or one (1) arm and one (1) leg;
6. Incurable insanity or imbecility; or
7. Total loss of hearing.

(12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

(13) "Medical and related benefits" means payments made for medical, hospital, burial, and other services as provided in this chapter, other than income benefits.

(14) "Compensation" means all payments made under the provisions of this chapter representing the sum of income benefits and medical and related benefits.

(15) "Medical services" means medical, surgical, dental, hospital, nursing, and medical rehabilitation services, medicines, and fittings for artificial or prosthetic devices.

(16) "Person" means any individual, partnership, including a registered limited liability partnership, limited partnership, limited liability company, firm, association, trust, joint venture, corporation, limited liability company, or legal representative thereof.

(17) "Wages" means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, fuel, or similar advantages received from the employer, and gratuities received in the course of employment from persons other than the employer as evidenced by the employee's federal and state tax returns.

(18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting, and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with the farm operations. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market.

(19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter.

(20) "United States," when used in a geographic sense, means the several states, the District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, and the territories of the United States.

(21) "Alien" means a person who is not a citizen, a national, or a resident of the United States or Canada. Any person not a citizen or national of the United States who relinquishes or is about to relinquish his residence in the United States shall be regarded as an alien.

(22) "Insurance carrier" means every insurance carrier or insurance company authorized to do business in the Commonwealth writing workers' compensation insurance coverage and includes the Kentucky Employers Mutual Insurance Authority and every group of self-insurers operating under the provisions of this chapter.

(23) (a) "Severance or processing of coal" means all activities performed in the Commonwealth at underground, auger, and surface mining sites; all activities performed at tipple or processing plants that clean, break, size, or treat coal; and all activities performed at coal loading facilities for trucks, railroads, and barges. Severance or processing of coal shall not include acts performed by a final consumer if the acts are performed at the site of final consumption.

(b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, including registered limited liability partnerships, limited partnerships, limited liability companies, corporations, joint ventures, associations, or any other business entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether the acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including, but not limited to, administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.

(24) "Premium" for every group of self-insurers means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group.

(25) (a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the Kentucky Department of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.

(b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

(c) "Premium," for policies effective on or after January 1, 1994, for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

(d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.

(26) "Insurance policy" for an insurance company or group self-insurer means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year.

(27) "Self-insurance year" for a group self-insurer means the annual period of certification of the group created pursuant to KRS 342.350(4).

(28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:

(a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.

(b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department for Employment Services, Cabinet for Workforce Development. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

(c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department for Employment Services data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.

(d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.

(e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1).

(f) If an employer is certified to carry his own risk after having previously insured the risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection.

(g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection.

(h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents ($0.30) per one hundred dollars ($100) of the employer's most recent annualized payroll for employees covered by this chapter.

(29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.

(30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

(31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits.

(32) "Physician" means physicians and surgeons, psychologists, optometrists, dentists, podiatrists, and osteopathic and

chiropractic practitioners acting within the scope of their license issued by the Commonwealth.

(33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods.

(34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy.

(35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest available edition.

(36) "Permanent disability rating" means the permanent impairment rating selected by an~~[arbitrator or]~~ administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b).

Section 2. KRS 342.020 is amended to read as follows:

(1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee. The employer, insurer, or payment obligor acting on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of the services within thirty (30) days of receipt of a statement for services. The commissioner shall promulgate administrative regulations establishing conditions under which the thirty (30) day period for payment may be tolled. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter, if appropriate, as long as medical services are rendered. Except as provided in subsection (4) of this section, in no event shall a medical fee exceed the limitations of an adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The commissioner may promulgate administrative regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.

(2) Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.

(3) Employers may provide medical services through a managed health care system. The managed health care system shall file with the Department of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the commissioner pursuant to administrative regulations promulgated by the commissioner.

(4) All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:

(a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;

(b) The employee shall be allowed choice of provider within the plan;

(c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;

(d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;

(e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;

(f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and

(g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.

(h) A schedule of fees for all medical services to be provided under this chapter which shall not be subject to the limitations on medical fees contained in this chapter.

(i) Restrictions on provider selection imposed by a managed health care system authorized by this chapter shall not apply to emergency medical care.

(5) Except for emergency medical care, medical services rendered pursuant to this chapter shall be under the supervision of a single treating physician or physicians' group having the authority to make referrals, as reasonably necessary, to appropriate facilities and specialists. The employee may change his designated physician one (1) time and thereafter shall show reasonable cause in order to change physicians.

(6) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces as may reasonably be required at the time of the injury and thereafter during disability.

(7) Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge[~~ or arbitrator~~] by affidavits or testimony that, because of the physician selected by the employee to treat the injury or disease, or because of the hospital selected by the employee in which treatment is being rendered, that the employee is not receiving proper medical treatment and the recovery is being substantially affected or delayed; or that the funds for medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge[~~ or arbitrator~~] may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for the injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(8) An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund,[~~ arbitrator,~~] or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury or disease for which the employee claims compensation.

(9) When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the commissioner, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

Section 3. KRS 342.033 is amended to read as follows:

In a claim for benefits, no party may introduce direct testimony from more than two (2) physicians without prior consent from the[~~ arbitrator or~~] administrative law judge. The motion requesting additional testimony shall clearly demonstrate the need for such additional testimony. A party may introduce direct testimony from a physician through a written medical report. The report shall become a part of the evidentiary record, subject to the right of an adverse party to object to the admissibility of the report and to cross-examine the reporting physician. The commissioner shall promulgate administrative regulations prescribing the format and content of written medical reports.

Section 4. KRS 342.040 is amended to read as follows:

(1) Except as provided in KRS 342.020, no income benefits shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case income benefits shall be allowed from the first day of disability. All income benefits shall be payable on the regular payday of the employer, commencing with the first regular payday after seven (7) days after the injury or disability resulting from an occupational disease, with interest at the rate of twelve percent (12%) per annum on each installment from the time it is due until paid, except that if the[~~ arbitrator or~~] administrative law judge determines that a denial, delay, or termination in the payment of income benefits was without reasonable foundation, the rate of interest shall be eighteen percent (18%) per annum. In no event shall income benefits be instituted later than the fifteenth day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer's insurance carrier or other party responsible for the payment of workers' compensation benefits should terminate or fail to make payments when due, that party shall notify the commissioner of the termination or failure to make payments and the commissioner shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.

(2) If overdue temporary total disability income benefits are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee for these services may be awarded. The award of attorney's fees shall be paid by the employer if the[~~ arbitrator or~~] administrative law judge determines that the denial or delay was without reasonable foundation. No part of the fee for representing the employee in connection with the recovery of overdue temporary total disability benefits withheld without reasonable foundation shall be charged against or deducted from benefits otherwise due the employee.

(3) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the~~[arbitrator or]~~ administrative law judge becomes final. Retraining incentive benefits shall be due and payable not less often than semimonthly.

(4) Upon written request of the employee, all payments of compensation shall be mailed to the employee at his last known address.

Section 5. KRS 342.090 is amended to read as follows:

Payment of death benefits in good faith to a supposed dependent or to a dependent subsequent in right to another or other dependents shall protect and discharge the employer and insurer unless and until the lawful dependent or dependents prior in right have given the employer or insurer written notice of his or their claim. In case the employer or insurer is in doubt as to who are dependents or as to their respective rights, the~~[arbitrator or]~~ administrative law judge shall, on application, decide and direct to whom payment shall be made, and payment made under such direction shall release the employer and insurer from all liability. If an appeal is taken from the order of the~~[arbitrator or]~~ administrative law judge directing payment, persons receiving payment under such order shall furnish bond for the protection of adverse claimants pending the outcome of the proceedings.

Section 6. KRS 342.120 is amended to read as follows:

(1) There is created the Division of the Special Fund in the Department of Workplace Standards which shall be responsible for the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund. The Division of the Special Fund shall be headed by a director appointed by the commissioner, with the prior written approval of the Governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund.

(2) The special fund shall have no liability upon any claim in which the injury occurred, or for cumulative trauma, the disability became manifest, or, for occupational disease, if the date of injury or last exposure occurred, after December 12, 1996.

(3) Where the employer has settled its liability for income benefits and thereafter a determination has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, with the period of payment beginning on the date settlement was approved by an administrative law judge~~[or arbitrator]~~. This provision is remedial and shall apply to all pending and future claims.

Section 7. KRS 342.125 is amended to read as follows:

(1) Upon motion by any party or upon an~~[arbitrator's or]~~ administrative law judge's own motion, an~~[arbitrator or]~~ administrative law judge may reopen and review any award or order on any of the following grounds:

(a) Fraud;

(b) Newly-discovered evidence which could not have been discovered with the exercise of due diligence;

(c) Mistake; and

(d) Change of disability as shown by objective medical evidence of worsening or improvement of impairment due to a condition caused by the injury since the date of the award or order.

(2) No claim which has been previously dismissed or denied on the merits shall be reopened except upon the grounds set forth in this section.

(3) Except for reopening solely for determination of the compensability of medical expenses, fraud, or conforming the award as set forth in KRS 342.730(1)(c)2., or for reducing a permanent total disability award when an employee returns to work, ***or seeking temporary total disability benefits during the period of an award,*** no claim shall be reopened more than four (4) years following the date of the original award or order granting or denying benefits,~~[or within two (2) years of such award or order,]~~ and no party may file a motion to reopen within ***one (1) year***~~[two (2) years]~~ of any previous motion to reopen by the same party.

(4) Reopening and review under this section shall be had upon notice to the parties and in the same manner as provided for an initial proceeding under this chapter. Upon reopening, the~~[arbitrator or]~~ administrative law judge may end, diminish, or increase compensation previously awarded, within the maximum and minimum provided in this chapter, or change or revoke a previous order. The~~[arbitrator or]~~ administrative law judge shall immediately send all parties a copy of the subsequent order or award. Reopening shall not affect the previous order or award as to any sums already paid thereunder, and any change in the amount of compensation shall be ordered only from the date of filing the motion to reopen. No employer shall suspend benefits during pendency of any reopening procedures except upon order of the~~[arbitrator or]~~ administrative law judge.

(5) (a) Upon the application of the affected employee, and a showing of progression of his previously-diagnosed occupational pneumoconiosis resulting from exposure to coal dust and development of respiratory impairment due to that pneumoconiosis and two (2) additional years of employment in the Commonwealth wherein the employee was continuously exposed to the hazards of the disease, the~~[arbitrator or]~~ administrative law judge may review an

award or order for benefits attributable to coal-related pneumoconiosis under KRS 342.732. An application for review under this subsection shall be made within one (1) year of the date the employee knew or reasonably should have known that a progression of his disease and development or progression of respiratory impairment have occurred. Review under this subsection shall include a review of all evidence admitted in all prior proceedings.

(b) Benefits awarded as a result of a review under this subsection shall be reduced by the amount of retraining incentive benefits or income benefits previously awarded under KRS 342.732. The amount to be deducted shall be subtracted from the total amount awarded, and the remaining amount shall be divided by the number of weeks, for which the award was made, to arrive at the weekly benefit amount which shall be apportioned in accordance with the provisions of KRS 342.316.

(6) In a reopening or review proceeding where there has been additional permanent partial disability awarded, the increase shall not extend the original period, unless the combined prior disability and increased disability exceeds fifty percent (50%), but less than one hundred percent (100%), in which event the awarded period shall not exceed five hundred twenty (520) weeks, from commencement date of the original disability previously awarded. The law in effect on the date of the original injury controls the rights of the parties.

(7) Where an agreement has become an award by approval of the[~~ arbitrator or~~] administrative law judge, and a reopening and review of that award is initiated, no statement contained in the agreement, whether as to jurisdiction, liability of the employer, nature and extent of disability, or as to any other matter, shall be considered by the[~~ arbitrator or the~~] administrative law judge as an admission against the interests of any party. The parties may raise any issue upon reopening and review of this type of award which could have been considered upon an original application for benefits.

(8) The time limitation prescribed in this section shall apply to all claims irrespective of when they were incurred, or when the award was entered, or the settlement approved. However, claims decided prior to December 12, 1996, may be reopened within four (4) years of the award or order or within four (4) years of December 12, 1996, whichever is later, provided that the exceptions to reopening established in subsections (1) and (3) of this section shall apply to these claims as well.

Section 8. KRS 342.160 is amended to read as follows:

(1) The benefits in case of death shall be paid to one (1) or more dependents of the deceased employee for the benefit of all the dependents entitled thereto, as determined by the[~~ arbitrator or~~] administrative law judge. The dependents to whom payments are made shall apply the same to the use of the persons entitled thereto under this chapter, according to their respective claims on the deceased for support. The compensation of a mentally disabled person shall be paid to his guardian or conservator.

(2) If the dependents are a widow, widower, or other head of a family of minor children and one (1) or more minor children, it shall be sufficient for the widow, widower, or head of the family to make application for compensation on behalf of all. Where the dependents are mentally incapacitated or are minors the head of whose family is not a dependent, the application may be made by the guardian, conservator, or next friend of such dependents.

Section 9. KRS 342.205 is amended to read as follows:

(1) After an injury and so long as compensation is claimed, the employee, if requested by a party or by the[~~ arbitrator or~~] administrative law judge, shall submit himself to examination, at a reasonable time and place, to a duly-qualified physician or surgeon designated and paid by the requesting party. The employee shall have the right to have a duly-qualified physician or surgeon designated and paid by himself present at the examination, but this right shall not deny the requesting party's physician or surgeon the right to examine the injured employee at all reasonable times and under all reasonable conditions.

(2) The party requesting an examination pursuant to subsection (1) of this section shall make arrangements to provide all the cost of the examination. The requesting party shall also prepay the cost of transportation of the employee to and from the examination if public transportation is utilized. If the employee uses his own vehicle to travel to and from the examination, the requesting party shall prepay the employee at the state mileage rate. The requesting party shall also reimburse the employee for the cost of meals, lodging, parking, and toll charges upon proof of same by written voucher. The amounts prepaid or reimbursed by the requesting party, as required by this subsection, shall be the same as, and in accordance with, state travel administrative regulations and standards promulgated and established pursuant to KRS Chapter 45.

(3) If an employee refuses to submit himself to or in any way obstructs the examination, his right to take or prosecute any proceedings under this chapter shall be suspended until the refusal or obstruction ceases. No compensation shall be payable for the period during which the refusal or obstruction continues.

(4) Any employee receiving benefits under this chapter may be required, upon request of any party, to furnish a sworn affirmed statement of earnings and other supporting information the[~~ arbitrator or~~] administrative law judge may require.

The chief administrative law judge shall be paid at the same rate as the administrative law judges plus an additional three thousand dollars ($3,000) per year. At any time the commissioner may replace the chief administrative law judge with one (1) of the other administrative law judges at which time the former chief administrative law judge shall resume the duties assigned to the other administrative law judges pursuant to this chapter. Section 13. KRS 342.240 is amended to read as follows:

The department shall maintain its main office in Frankfort, Kentucky, using suitable rooms and offices belonging to this state, and shall be provided necessary office furniture to be paid for by the state. The commissioner shall provide necessary supplies, books, periodicals, and maps and shall provide a seal for the authentication of orders, awards, or proceedings of the[~~ arbitrators and~~] administrative law judges, on which shall be inserted the words "Department of Workers' Claims, State of Kentucky, official seal." The board[~~, the arbitrators,~~] and the administrative law judges may hold sessions at any place within the state where necessary and shall have power to sue or institute legal proceedings in any court of this state, under existing laws as to jurisdiction of actions. Unless consented to by the commissioner, all actions or proceedings against the board or a member in his official capacity, or against an[~~ arbitrator or~~] administrative law judge or the commissioner in his official capacity shall be brought in the courts of Franklin County.

Section 14. KRS 342.245 is amended to read as follows:

All proceedings of the board[~~, arbitrators,~~] and the administrative law judges shall be recorded in books kept for that purpose by the commissioner, which shall constitute a public record and shall contain an entry of each case, claim, or proceeding considered, heard or passed upon by each[~~ arbitrator,~~] administrative law judge[~~,~~] and the board, with the award, finding or decisions made thereon.

Section 15. KRS 342.260 is amended to read as follows:

(1) The commissioner shall prepare administrative regulations as he considers necessary to carry on the work of the department and the work of the[~~ arbitrators and~~] administrative law judges and may promulgate administrative regulations not inconsistent with this chapter and KRS Chapter 13A for carrying out the provisions of this chapter.

(2) The commissioner shall develop or adopt life expectancy tables for use in making computations for the apportionment of benefits under KRS 342.120, computation of attorneys' fees under KRS 342.320, and for use in all other situations arising under this chapter in which the calculation of a life expectancy is necessary or desirable, including the computation of assessments or reserves for self-insurers. The commissioner may adopt life tables published by the United States Department of Health and Human Services or other life tables developed by a qualified entity, as determined by the commissioner. The life tables designated by the commissioner through administrative regulation in effect as of the date of an opinion, award, or settlement approved by an[~~ arbitrator or~~] administrative law judge shall apply to computations concerning that opinion, award, or settlement.

(3) Processes and procedure under this chapter shall be as summary and simple as reasonably possible. The board or any member thereof or any[~~ arbitrator or~~] administrative law judge for the purpose of this chapter, may subpoena witnesses, administer or cause to have administered oaths, and examine or cause to have examined those parts of the books and records of the parties to a proceeding as relate to questions in dispute.

(4) The sheriff shall serve all subpoenas of the board[~~, arbitrators,~~] and administrative law judges and shall receive the same fee as provided by law for like service in civil actions. Each witness who appears in obedience to the subpoena of the board or any[~~ arbitrator or~~] administrative law judge shall receive for attendance the fees and mileage for witnesses in civil cases in the Circuit Courts.

(5) The Circuit Court shall, on application of the board, any member thereof, or any[~~ arbitrator or~~] administrative law judge, enforce by proper proceedings the attendance and testimony of witnesses and the production and examination of books, papers, and records.

Section 16. KRS 342.265 is amended to read as follows:

(1) If the employee and employer and special fund or any of them reach an agreement conforming to the provisions of this chapter in regard to compensation, a memorandum of the agreement signed by the parties or their representatives shall be filed with the commissioner, and, if approved by an[~~ arbitrator or~~] administrative law judge, shall be enforceable pursuant to KRS 342.305. Where all parties have not joined in the settlement agreement, it shall not be approved unless it is certified that the party not participating in the settlement has been served with a copy of the agreement not less than ten (10) days prior to submission of the agreement for approval. This provision shall not be construed to prevent the voluntary payment of compensation for the periods and in the amounts prescribed by this chapter, but nothing shall operate as a final settlement except a memorandum of agreement filed with the commissioner and approved by the[~~ arbitrator or~~] administrative law judge. Upon claims settled after December 12, 1996, the special fund shall have the option of settling its liability for income benefits on the same terms as those reached between the employee and employer. Notice of the special fund exercise of the option granted in this subsection shall be made by letter of the director of the special fund mailed to the parties within ten (10) days of receipt by the director of a copy of the agreement.

(2) Settlement agreements concluded after ***the effective date of this Act***[~~March 31, 1997~~], providing for commuted lump-sum payment of future income benefits which would otherwise be payable in amounts greater than ***one hundred***[~~ten~~] dollars ***($100)***[~~($10)~~] per week shall not be approved unless there is reasonable assurance that the worker will have an adequate source of income during disability. This subsection is remedial and applies to all pending and future claims.

(3) Upon lump-sum settlement of future periodic payments, the discount rate used in the calculation of the settlement amount

shall not exceed a reasonable amount fixed by the commissioner. For settlements approved after December 12, 1996, until December 31, 1997, the true discount rate shall be six percent (6%) compounded annually on each payment. Before January 1 of each year commencing in ***2001***~~[1998]~~, the commissioner shall fix the discount rate to be utilized in the succeeding year based ***at one-half of one percent (0.5%) below***~~[upon]~~ the interest rate paid upon ten (10) year United States Treasury Notes as of ***August***~~[July]~~ 1 of the preceding year.

(4) If the parties have previously filed an agreement which has been approved by the administrative law judge~~[or arbitrator]~~, and compensation has been paid or is due in accordance therewith and the parties thereafter disagree, either party may invoke the provisions of KRS 342.125, which remedy shall be exclusive.

(5) An application for resolution of claim shall be held in abeyance during any period voluntary payments of income benefits are being made under any benefit sections of this chapter to the maximum which the employee's wages shall entitle unless it shall be shown that the prosecution of the employee's claim would be prejudiced by delay.

Section 17. KRS 342.270 is amended to read as follows:

(1) If the parties fail to reach an agreement in regard to compensation under this chapter, either party may make written application for resolution of claim. The application must be filed within two (2) years after the accident, or, in case of death, within two (2) years after the death, or within two (2) years after the cessation of voluntary payments, if any have been made. When the application is filed by the employee or during the pendency of that claim, he shall join all causes of action against the named employer which have accrued and which are known, or should reasonably be known, to him. Failure to join all accrued causes of action will result in such claims being barred under this chapter as waived by the employee.

(2) Except with respect to claims for benefits by reason of coal workers' pneumoconiosis, the commissioner shall issue notice of the filing to all parties and shall promptly assign the claim to an ***administrative law judge***~~[arbitrator]~~ for benefit review. The ***administrative law judge***~~[arbitrator]~~ shall facilitate the exchange of information pertinent to the claim pursuant to administrative regulations promulgated by the commissioner. Within forty-five (45) days of the date of issuance of the notice required by this section, the employer or carrier shall file notice of claim denial or acceptance, setting forth specifically those material matters which are admitted, those which are denied, and the basis of any denial of the claim.

(3) ~~[(a)]~~The ***administrative law judge***~~[arbitrator]~~ shall conduct proceedings as necessary to the resolution of the claim and may order the parties to appear for a benefit review conference, or submit medical reports and other information, or refer the employee for medical evaluation. ***During benefit review proceedings, the administrative law judge shall confer informally with the parties at issue for the purpose of defining and narrowing the issues, discussing settlement, and considering other relevant matters that may aid in the resolution of the claim. If agreement on any matter is reached, the administrative law judge shall write a memorandum setting forth the matters agreed upon. The administrative law judge and all parties shall sign the memorandum, and the administrative law judge shall file it with the commissioner. Once filed, the memorandum shall become part of the record.***

~~[(b) If an arbitrator determines in his discretion that a pending claim presents factual issues best resolved through hearing before an administrative law judge, the arbitrator may enter an order transferring the claim to an administrative law judge for further proceedings.~~

~~(4) Except where compelling circumstances justify delay and except as provided in subsection (3)(b) of this section, the arbitrator shall render a written determination upon all matters at issue within ninety (90) days of the assignment of the claim. Through written order, the arbitrator may grant or deny any benefit afforded by this chapter, including interlocutory relief.~~

~~(5) Unless timely appeal is filed as set forth in KRS 342.275, the written determination of the arbitrator shall be a final order enforceable under the provisions of KRS 342.305.]~~

(4)~~[(6)]~~Benefit review conferences shall be held at a place designated by the commissioner, provided that the proceedings shall be held within the boundaries of the Commonwealth.

(5)~~[(7)]~~Within one hundred twenty (120) days of ***the effective date of this Act***~~[December 12, 1996]~~, the commissioner shall promulgate administrative regulations establishing procedures for the resolution of claims, which shall include benefit review. The administrative regulations promulgated pursuant to the provisions of this subsection shall be effective on an emergency basis and be applied to all pending claims.

Section 18. KRS 342.275 is amended to read as follows:

(1) ***If benefit review proceedings do not result in settlement or resolution of the claim,*** ~~[Within thirty (30) days after the filing of the benefit review determination with the commissioner, any party may appeal that determination by filing a request for hearing before an administrative law judge. Proceedings before the administrative law judge shall be de novo but subject to penalties for unreasonable proceedings under KRS 342.310.~~

~~(2)]~~the commissioner shall promptly issue notice of the assignment of the claim to an administrative law judge, time for presentation of proof and of the time and place of a hearing.~~[The administrative law judge may confer informally with the parties for the purpose of defining and narrowing the issues, discussing settlement, and considering other relevant matters that may aid in the disposition of the case.]~~

(2)[~~(3)~~]The administrative law judge may grant continuances ***or grant or deny any benefit afforded under this chapter, including interlocutory relief,*** according to criteria established in administrative regulations promulgated by the commissioner. The administrative law judge shall render the award, order, or decision within ***ninety (90)***[~~sixty (60)~~] days following the final hearing unless extension is mutually agreed to by all parties. The award, order, or decision, together with a statement of the findings of fact, rulings of law, and any other matters pertinent to the question at issue shall be filed with the record of proceedings, and a copy of the award, order, or decision shall immediately be sent to the parties in dispute.

Section 19. KRS 342.281 is amended to read as follows:

Within fourteen (14) days from the date of the award, order, or decision any party may file a petition for reconsideration of the award, order, or decision of the[~~ arbitrator or~~] administrative law judge. The petition for reconsideration shall clearly set out the errors relied upon with the reasons and argument for reconsideration of the pending award, order, or decision. All other parties shall have ten (10) days thereafter to file a response to the petition. The administrative law judge shall be limited in the review to the correction of errors patently appearing upon the face of the award, order, or decision and shall overrule the petition for reconsideration or make any correction within ten (10) days after submission.

Section 20. KRS 342.305 is amended to read as follows:

Any party in interest may file in the Circuit Court of the county in which the injury occurred a certified copy of a memorandum of agreement approved by the[~~ arbitrator or~~] administrative law judge, or of an order or decision of the[~~ arbitrator,~~] administrative law judge[~~,~~] or board, or of an award of the[~~ arbitrator or~~] administrative law judge unappealed from, or of an award of the board rendered upon an appeal whether or not there is a motion to reopen or review pending under KRS 342.125. The court shall render judgment in accordance therewith and notify the parties. Such judgment shall have the same effect, and all proceedings in relation thereto shall thereafter be the same as though it had been rendered in a suit duly heard and determined by that court. Any such judgment, unappealed from or affirmed on appeal or modified in obedience to the mandate of the Court of Appeals, shall be modified to conform to any decision of the[~~ arbitrator or~~] administrative law judge ending, diminishing, or increasing any weekly payment under the provisions of KRS 342.125 upon a presentation to it of a certified copy of such decision.

Section 21. KRS 342.310 is amended to read as follows:

(1) If any[~~ arbitrator,~~] administrative law judge, the board, or any court before whom any proceedings are brought under this chapter determines that such proceedings have been brought, prosecuted, or defended without reasonable ground, he or it may assess the whole cost of the proceedings which shall include actual expenses but not be limited to the following: court costs, travel expenses, deposition costs, physician expenses for attendance fees at depositions, attorney fees, and all other out-of-pocket expenses upon the party who has so brought, prosecuted, or defended them.

(2) If any[~~ arbitrator,~~] administrative law judge, the board, or any court before whom any proceedings are brought under this chapter determines that a party has committed acts in violation of KRS 342.335(1) or (2), that party may be ordered to make restitution for any compensation paid as a result of the commission of such acts.

Section 22. KRS 342.315 is amended to read as follows:

(1) The commissioner shall contract with the University of Kentucky and the University of Louisville medical schools to evaluate workers who have had injuries or become affected by occupational diseases covered by this chapter. Referral for evaluation may be made to one (1) of the medical schools whenever a medical question is at issue.

(2) The physicians and institutions performing evaluations pursuant to this section shall render reports encompassing their findings and opinions in the form prescribed by the commissioner. The clinical findings and opinions of the designated evaluator shall be afforded presumptive weight by[~~ arbitrators and~~] administrative law judges and the burden to overcome such findings and opinions shall fall on the opponent of that evidence. When[~~ arbitrators or~~] administrative law judges reject the clinical findings and opinions of the designated evaluator, they shall specifically state in the order the reasons for rejecting that evidence.

(3) The commissioner[~~, an arbitrator,~~] or an administrative law judge may, upon the application of any party or upon his own motion, direct appointment by the commissioner, pursuant to subsection (1) of this section, of a medical evaluator to make any necessary medical examination of the employee. Such medical evaluator shall file with the commissioner within fifteen (15) days after such examination a written report. The medical evaluator appointed may charge a reasonable fee not exceeding fees established by the commissioner for those services.

(4) Within thirty (30) days of the receipt of a statement for the evaluation, the employer or carrier shall pay the cost of the examination. Upon notice from the commissioner that an evaluation has been scheduled, the insurance carrier shall forward within seven (7) days to the employee the expenses of travel necessary to attend the evaluation at a rate equal to that paid to state employees for travel by private automobile while conducting state business.

(5) Upon claims in which it is finally determined that the injured worker was not the employee at the time of injury of an employer covered by this chapter, the special fund shall reimburse the carrier for any evaluation performed pursuant to this section for which the carrier has been erroneously compelled to make payment.

(6) Not less often than annually the designee of the secretary of the Cabinet for Health Services shall assess the performance of the medical schools and render findings as to whether evaluations conducted under this section are being rendered in a

timely manner, whether examinations are conducted in accordance with medically recognized techniques, whether impairment ratings are in conformity with standards prescribed by the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association, and whether coal workers' pneumoconiosis examinations are conducted in accordance with the standards prescribed in this chapter.

Section 23. KRS 342.316 is amended to read as follows:

(1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator; and

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.

(2) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to the disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, or a diagnosis of the disease is first communicated to him, whichever shall first occur.

(3) The procedure for filing occupational disease claims shall be as follows:

(a) The application for resolution of claim shall set forth the complete work history of the employee with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least one (1) written medical report supporting his claim. This medical report shall be made on the basis of clinical or X-ray examination performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The report shall be made by a duly-licensed physician. The commissioner shall promulgate administrative regulations which prescribe the format of the medical report required by this section and the manner in which the report shall be completed.

1. For coal-related occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination as well as spirometric tests when pulmonary dysfunction is alleged.

2. For other compensable occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination and appropriate pulmonary function tests.

(b) To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust shall comply with accepted medical standards as follows:

1. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report.

2. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The commissioner shall periodically review the applicability of

the spirometric test values contained in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.

4. The procedure for determination of occupational disease claims shall be as follows:

    a. Immediately upon receipt of an application for resolution of claim, the commissioner shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.

    b. The commissioner shall assign the claim to an ***administrative law judge***[~~arbitrator~~] and shall promptly refer the employee to such physician or medical facility as the commissioner may select for examination. The report from this examination shall be provided to all parties of record. The employee shall not be referred by the commissioner for examination within two (2) years following any prior referral for examination for the same disease.

    c. Within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the commissioner and all parties of record of its acceptance or denial of the claim. A denial shall be in writing and shall state the specific basis for the denial.

    d. The ***administrative law judge***[~~arbitrator~~] shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.

    e. Unless a voluntary settlement is reached by the parties, the ***administrative law judge***[~~arbitrator~~] shall issue a written determination within ninety (90) days following assignment of the claim. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.

5. The procedure for appeal from a determination of an ***administrative law judge***[~~arbitrator~~] shall be as set forth in KRS 342.275.

(4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the commissioner within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the commissioner within three (3) years after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the commissioner within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

(b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.

(5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:

(a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;

(b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and

(c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).

(6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

(7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the

employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

(8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.

(9) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.

(10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.

(11) (a) Income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.

(b) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.

(12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.

Section 24. KRS 342.320 is amended to read as follows:

(1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of an administrative law judge~~[or arbitrator]~~ pursuant to the statutes and administrative regulations.

(2) ***In an original claim,*** attorney's fees for services under this chapter on behalf of an employee shall be subject to the following maximum limits:

(a) Twenty percent (20%) of the ***first twenty-five thousand dollars ($25,000) of the*** award***, fifteen percent (15%) of the next ten thousand dollars ($10,000), and five percent (5%) of the remainder of the award,*** not to exceed ***a maximum fee of twelve thousand dollars ($12,000)***~~[two thousand dollars ($2,000) for services performed up to and including the date of a written determination by the arbitrator]~~. This fee shall be paid by the employee from the proceeds of the award or settlement.

(b)~~[Upon an appeal by an employee from a written determination of an arbitrator or an award or order of an administrative law judge, a fee to be fixed by the administrative law judge upon consideration of the extent, quality, and complexity of services not to exceed twenty percent (20%) of the first twenty-five thousand dollars ($25,000) of any increased income benefits awarded, ten percent (10%) of the next fifteen thousand dollars ($15,000) of increased income benefits, and five percent (5%) of the remainder of the additional income benefits awarded and not to exceed in all ten thousand dollars ($10,000). This fee shall be paid by the employee from the proceeds of the award or settlement and shall be in addition to the fee, if any, awarded under paragraph (a) of this subsection.~~

~~(c) Upon an appeal by an employer or carrier from a written determination of an arbitrator or an award or order of an administrative law judge, if the employer or carrier does not prevail upon appeal, the administrative law judge shall fix an attorney's fee to be paid by the employer or carrier for the employee's attorney upon consideration of the extent, quality, and complexity of the services rendered not to exceed five thousand dollars ($5,000) per level of appeal. This attorney's fee shall be in addition to any fee awarded under paragraphs (a) and (b) of this subsection.~~

~~(d)]~~ Attorney-client employment contracts entered into and signed ***after the effective date of this Act shall***~~[prior to December 12, 1996, for injuries or date of last exposure occurring prior to December 12, 1996, shall not]~~ be subject to the conditions of ***paragraph***~~[paragraphs]~~ (a)~~[, (b), and (c)]~~ of this subsection~~[, and the law existing at the date of the injury or last exposure to the hazards of an occupational disease shall apply]~~.

(3) In approving an allowance of attorney's fees, the administrative law judge~~[or arbitrator]~~ shall consider the extent, complexity, and quality of services rendered, and in the case of death, the Remarriage Tables of the Dutch Royal Insurance Institute. An attorney's fee may be denied or reduced upon proof of solicitation by the attorney. However, this provision shall not be construed to preclude advertising in conformity with standards prescribed by the Kentucky Supreme Court.~~[The date of injury or last exposure shall control the applicable maximum attorney's fee.]~~

(4) No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the~~[arbitrator or]~~ administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an attorney's fee shall be submitted within thirty (30) days following finality of the ***claim***~~[written determination of an arbitrator or last appealable order of an administrative law judge]~~. Except when the attorney's fee is to be paid by the employer or carrier, the attorney's fee shall be paid in one (1) of the following ways:

(a) The employee may pay the attorney's fee out of his personal funds or from the proceeds of a lump-sum settlement; or

(b) The~~[arbitrator or]~~ administrative law judge, upon request of the employee, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the employee in equal installments over the duration of the award or until the attorney's fee has been paid, commuting sufficient sums to pay the fee.

(5) At the commencement of the attorney-client relationship, the attorney shall explain to the employee the methods by which this section provides for the payment of the attorney's fee, and the employee shall select the method in which his attorney's fee is to be paid. His selection and statement that he fully understands the method to be used shall be submitted by his attorney, on a notarized form signed by the employee, at the time the motion for approval of the attorney's fee is submitted. The commissioner shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of an attorney's fees and contain an explanation in nontechnical language of each method.

(6) The General Assembly declares that by the enactment of KRS 342.316(3), it is the legislative intent to encourage settlement and prompt administrative handling of those claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge~~[and arbitrator]~~ shall give due regard to this legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.

(7) In a claim that has been reopened pursuant to the provisions of this chapter, an attorney's fee may be awarded by the~~[arbitrator or]~~ administrative law judge subject to the limits set forth in subsection (2) of this section. In awarding the attorney's fee, the~~[arbitrator or]~~ administrative law judge shall consider the factors set forth in subsection (3) of this section. If no additional amount is recovered upon reopening, no attorney's fee shall be awarded. No attorney's fee shall be allowed or approved exceeding the amounts provided in subsection (2)***(a)***~~[(b)]~~ of this section applicable to any additional amount recovered.

(8) Attorney's fees for representing employers in proceedings under this chapter pursuant to contract with the employer shall be subject to approval of the administrative law judge~~[or arbitrator]~~ in the same manner as prescribed for attorney representation of employees. Employer attorney's fees are subject to the ***limitation of twelve thousand dollars ($12,000)***~~[same limitations as to]~~ maximum fees~~[at each level]~~ except that fees for~~[representation before administrative law judges shall not exceed ten thousand dollars ($10,000) and fees for representation before arbitrators shall not exceed two thousand dollars ($2,000). Fees for]~~ representing employers shall not be dependent upon the result achieved. ***Employer attorney's fees may be paid on a periodic basis while a claim is adjudicated and the payments need not be approved until the claims resolution process is completed.*** Fees for legal services in presenting a claim for reimbursement to the director of the Kentucky coal workers' pneumoconiosis fund shall not exceed one thousand dollars ($1,000). All such approved fees shall be paid by the employer and in no event shall exceed the amount the employer agreed by contract to pay.

~~[(9) Notwithstanding any provisions of law to the contrary, the provisions of this chapter shall not be construed or interpreted to prohibit nonattorney representation of injured workers covered by this chapter.]~~

Section 25. KRS 342.325 is amended to read as follows:

All questions arising under this chapter, if not settled by agreement of the parties interested therein, with the approval of the~~[arbitrator or]~~ administrative law judge, shall be determined by the~~[arbitrator or]~~ administrative law judge except as otherwise provided in this chapter.

Section 26. KRS 342.435 is amended to read as follows:

Annually on or before the fifteenth day of December, the commissioner shall make a report to the Governor for the preceding fiscal year, which shall include a statement of the number of awards made and of claims rejected by the board and each~~[arbitrator and]~~ administrative law judge, a general statement of the causes of accident leading to the injuries for which awards were made or rejected claims based, together with any other information which the commissioner deems proper to call to the attention of the

Governor, including any recommendations he may have to make, and it shall be the duty of the commissioner to publish and distribute among employers and employees any general information as to the business transacted by the department as may be useful and necessary. The annual report shall not exceed ten thousand (10,000) copies. All printing of the department shall be done by the contractor or contractors for public printing, subject to the provisions of the general laws governing public printing applicable thereto.

Section 27. KRS 342.700 is amended to read as follows:

(1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against the other person to recover damages, or proceed both against the employer for compensation and the other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against the other person to recover damages, he shall give due and timely notice to the employer and the special fund of the filing of the action. If compensation is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity paid and payable to the injured employee, less the employee's legal fees and expense. The notice of civil action shall conform in all respects to the requirements of KRS 411.188(2).

(2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays the compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but the proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall the claim be barred by limitations, if the claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by an~~[arbitrator or]~~ administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

(3) It shall be considered to be contrary to public policy and unlawful for any owner or employer to require another employer to waive its remedies granted by this section as a condition of receiving a contract or purchase order. Furthermore, in selecting between two (2) or more contractors or suppliers, consideration may not be given by an owner or employer to whether one (1) contractor or supplier voluntarily waives its remedies under this section or offers to accept lesser compensation than another contractor or supplier for that waiver of remedies.

Section 28. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment.

(2) The commissioner shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public.

(3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the~~[arbitrator or]~~ administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The~~[arbitrator or]~~ administrative law judge on his own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, the~~[arbitrator or]~~ administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service likely to return the employee to suitable, gainful employment, be provided at the expense of the employer or his insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the~~[arbitrator or]~~ administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging, or travel shall be paid for by the employer or his insurance carrier.

(5) Refusal to accept rehabilitation pursuant to an order of an~~[arbitrator or]~~ administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The commissioner shall cooperate on a reciprocal basis with the Department of Vocational Rehabilitation and the Department for Employment Services of the Kentucky Cabinet for Workforce Development. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Department of Vocational Rehabilitation or Department for Employment Services following the refusal by the employer or his insurance carrier to provide such services, the~~[arbitrator or]~~ administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or his insurance carrier as apportioned in the award. This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on April 4, 1994.

(7) An employee who is enrolled and participating in a program of rehabilitation training pursuant to this section may elect to receive an acceleration of benefits as awarded under KRS 342.730. Such acceleration shall be available to the employee during the period of retraining, but in no event shall be paid in a weekly amount greater than sixty-six and two-thirds percent (66-2/3%) of the average weekly wage upon which the award is based, not to exceed one hundred percent (100%) of the state average weekly wage. Upon successful completion of the rehabilitation program, the total of all accelerated benefits paid shall be deducted on a dollar-for-dollar basis, without discount, from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, if any, shall then be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. If a program of rehabilitation training is terminated by the employee prior to completion, all sums paid on an accelerated basis shall be discounted at the rate set forth in KRS 342.265 and then deducted on a dollar-for-dollar basis from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, after the discount, shall be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. In no event shall this subsection be construed as requiring payment of benefits in excess of the total of those benefits which would otherwise be payable under the award.

Section 29. KRS 342.715 is amended to read as follows:

Notwithstanding the provisions of KRS 342.730, during the period the employee is eligible for permanent total disability benefits and is actively participating in a vocational or physical rehabilitation program, pursuant to an order of the~~[arbitrator or]~~ administrative law judge, the employee's benefits shall be calculated by taking eighty percent (80%) of his average weekly wage, but not more than one hundred percent (100%) of the state's average weekly wage, times the permanent disability rating as determined in this chapter.

Section 30. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

(a) For temporary or permanent total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.

(b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, times the factor set forth in the table that follows:

AMA Impairment	Factor
0 to 5%	*0.65*~~[0.75]~~
6 to 10%	*0.85*~~[1.00]~~
11 to 15%	*1.00*~~[1.25]~~
16 to 20%	*1.00*~~[1.50]~~
21 to 25%	*1.15*~~[1.75]~~
26 to 30%	*1.35*~~[2.00]~~
31 to 35%	*1.50*~~[2.25]~~
36% and above	*1.70*~~[2.50]~~

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

(c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be ***multiplied by three (3)***~~[one and one-half (1-1/2)]~~ times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments.

2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability ***shall be determined***~~[otherwise payable]~~ under paragraph (b) of this subsection~~[shall be reduced by one-half (1/2)]~~ for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be ***two (2) times the amount otherwise payable under***~~[restored to the rate prescribed in]~~ paragraph (b) of this subsection.

3. ***Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve (12) years of education or a high school General Educational Development diploma, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); and if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).***

4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph 2. of this paragraph.

(d) For permanent partial disability, if an employee has a permanent disability rating of fifty percent (50%) or less as a result of a work-related injury, the compensable permanent partial disability period shall be four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than fifty percent (50%), the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding fifty percent (50%) arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.

(e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.

(2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.

(3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

(a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

(b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or

(c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or

(d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the commissioner provides by administrative regulation.

(e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.

(4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f, or two (2) years after the employee's injury or last exposure, whichever last occurs. In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.

(5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.

(6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.

(7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.

Section 31. KRS 342.732 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust in the severance or processing of coal shall be paid as follows:

(a) If an employee has a radiographic classification of category 1/1 or 1/2, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by report of X-ray which conforms to the standards for X-rays contained in subsection (3) of KRS 342.316, and respiratory impairment resulting from exposure to coal-mine dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" of the American Medical Association, the employee shall be awarded a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined by KRS 342.740 but not more than seventy-five percent (75%) of the state average weekly wage, payable semimonthly for a period not to exceed one hundred four (104) weeks. These benefits shall be paid only while the employee is enrolled and actively and successfully participating as a full-time student taking twenty-four (24) or more instruction hours per week in a bona fide training or education program approved under administrative regulations to be promulgated by the commissioner. The employer shall also pay, directly to the institution conducting the training or education program, instruction, tuition, and material costs not to exceed five thousand dollars ($5,000). The benefit shall not be paid for a period in which the employee ceases to participate in the program. In no event shall the benefit be paid to the employee while the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a). The period of one hundred four (104) weeks during which this benefit is payable shall begin no later than the one-hundred-eightieth day after the order awarding the benefit becomes final. If an employee completes an approved program of training in less than one hundred four (104) weeks and that employee has accepted a bona fide offer of employment at a location more than fifty (50) miles from the employee's usual residence in the field for which the employee has been trained, the employee shall be paid in a lump sum for relocation the lesser of the sum of three thousand dollars ($3,000) or the amount remaining in unpaid weekly training benefits as provided by this section.

(b) If it is determined that an employee has a radiographic classification of category 1/1 or 1/2, based on the latest ILO International Classification of Radiographics and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of

Permanent Impairment" published by the American Medical Association, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee has an occupational disability rating of fifty percent (50%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage multiplied by the disability rating of fifty percent (50%) but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a).

(c) If it is determined that an employee has a radiographic classification of category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association or category 3/2 or 3/3 pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee is seventy-five percent (75%) disabled resulting from exposure to coal dust and the employee shall be awarded income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage multiplied by the disability rating of seventy-five percent (75%) but not to exceed seventy-five percent (75%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed five hundred twenty (520) weeks. Income benefits awarded under this paragraph shall be payable to the employee during the disability, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a).

(d) If it is determined that an employee has radiographic classification of 3/2 or 3/3 occupational pneumoconiosis based on the latest ILO International Classification of Radiographs, and respiratory impairment evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the latest edition of the "Guides to the Evaluation of Permanent Impairment" of the American Medical Association, or progressive massive fibrosis, based on the latest ILO International Classification of Radiographics, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust, and the employee shall be awarded income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a).

(2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.

(3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge~~[or arbitrator]~~ that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge~~[or arbitrator]~~ shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula (103.5 - 0.42X), where X equals the claimant's age at the time of the arterial blood gas study.

(4) In no event shall income benefits awarded under this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability.

Section 32. KRS 342.735 is amended to read as follows:

(1) The commissioner shall promulgate administrative regulations to expedite the payment of temporary total disability and medical expense benefits.

(2) The commissioner may promulgate administrative regulations incorporating managed care intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.

(3) The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A establishing an expedited method for resolving medical issues prior to the filing of a claim with the Department of Workers' Claims. The

administrative regulations shall permit an employee or other interested party, prior to the filing of a claim, to request a determination by an[~~ arbitrator or~~] administrative law judge on medical issues relating to the reasonableness or appropriateness of the proposed medical care or relating to the obligation of the employer or the employer's insurance carrier to make payment of contested medical bills. However, the employee has the burden of proof to show the medical expenses are related to the injury, reasonable and necessary prior to an application of benefits being filed and before an award or order of benefits. Thereafter, the burden is upon the employer. The respondent to the moving party shall be given ten (10) days to answer a request for an expedited determination of medical issues, and the[~~ arbitrator or~~] administrative law judge shall issue a ruling within seven (7) days thereafter. The interested parties shall be provided a form to provide to the medical care provider and the completed form filed with the department and served upon the respondent shall initiate the time for response and determination.

Section 33. KRS 342.760 is amended to read as follows:

(1) There is hereby authorized in the Labor Cabinet an uninsured employers' fund for the purpose of making payments in accordance with the provisions of subsection (4) of this section. The secretary of the Labor Cabinet shall be the custodian of the fund, and all moneys and securities in the fund shall be held in trust by the secretary of the Labor Cabinet and shall not be considered a part of the general funds of the state.

(2) The secretary of the Labor Cabinet is authorized to disburse moneys from the fund only upon written order of the[~~arbitrator,~~] administrative law judge[~~,~~] or the board.

(3) All amounts collected as fines and penalties under this chapter shall be paid into the uninsured employers' fund.

(4) The uninsured employers' fund shall be responsible for the payment of compensation when there has been default in the payment of compensation due to the failure of an employer to secure payment of compensation as provided by this chapter. Such employer shall be liable for payment into the fund of all the amounts authorized to be paid therefrom under the authority of this subsection including reimbursement of the special fund of all liability apportioned to it and for the purposes of enforcing this liability the Labor Cabinet, for the benefit of the fund, shall be subrogated to all the rights of the person receiving such compensation from the fund. This provision shall apply to all pending claims upon which a final order has not been entered.

(5) In furtherance of this purpose, the Attorney General shall appoint a member or members of his staff or special counsel to represent the fund in all proceedings brought to enforce claims against or on behalf of the fund. Necessary expenses for this purpose including salaries of said staff or special counsel shall be borne by the fund. The Labor Cabinet shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund.

(6) On December 29, 1987, the liabilities of the uninsured employers' fund and its assets remaining in the State Treasury shall be transferred to the uninsured employers' fund created within the Labor Cabinet pursuant to this section.

Section 34. KRS 342.780 is amended to read as follows:

A claimant may, in the original application for benefits, or any party may, by motion accompanied by proper allegations while the case is still pending, and the[~~ arbitrator or~~] administrative law judge shall, upon his own motion at any time before the rendition of the final award, cause the uninsured employers' fund to be made a party to the proceedings if it should appear that the named defendant has failed to secure the payment of compensation as required by KRS 342.340.

Section 35. KRS 342.790 is amended to read as follows:

When an award is made against an employer who:

(1) Has not secured payment of compensation by either securing insurance coverage or qualifying as a self-insurer; and

(2) Has not made a deposit of security, indemnity, or bond acceptable to the commissioner to secure the payment of compensation liability; and

(3) Has failed to make payment of compensation according to the terms of that award,

the award shall constitute a liquidated claim for damages against that employer in an amount commuted to a lump sum which will equal the present value of the total sum of the probable future payments discounted at four percent (4%) true discount compounded annually on each payment, which amount is to be ascertained and fixed by the commissioner, and the commissioner shall certify the same to the Attorney General who shall forthwith institute a civil action against that employer in the name of the uninsured employers' fund for the collection of that award. In that action, it shall be sufficient for plaintiff to set forth a copy of the award of the[~~ arbitrator or~~] administrative law judge relative to the claim as certified by the commissioner and to state that there is due to plaintiff on account of the opinion, order, or award of the[~~ arbitrator or~~] administrative law judge a specified sum which plaintiff claims with interest. A certified copy of the award in the claim shall be attached to the complaint and shall constitute prima facie evidence of the truth of the facts therein contained.

Section 36. KRS 342.990 is amended to read as follows:

(1) The commissioner shall initiate enforcement of civil and criminal penalties imposed in this section.

(2) When the commissioner receives information that he deems sufficient to determine that a violation of this chapter has occurred, he shall seek civil penalties pursuant to subsections (3) to (7) of this section, or criminal penalties pursuant to

subsections (8) and (9) of this section, or both.

(3) The commissioner shall initiate enforcement of a civil penalty by simultaneously citing the appropriate party for the offense and stating the civil penalty to be paid.

(4) If, within fifteen (15) working days from the receipt of the citation, a cited party fails to notify the commissioner that he intends to contest the citation, then the citation shall be deemed final.

(5) If a cited party notifies the commissioner that he intends to challenge a citation issued under this section, the commissioner shall cause the matter to be heard as soon as practicable by an administrative law judge and in accordance with the provisions of KRS Chapter 13B. The burden of proof shall be upon the attorney representing the commissioner to prove the offense stated in the citation by a preponderance of the evidence. The parties shall stipulate to uncontested facts and issues prior to the hearing before the administrative law judge. The administrative law judge shall issue a ruling within sixty (60) days following the hearing.

With respect to KRS 342.040, any employer's insurance carrier or other party responsible for the payment of workers' compensation benefits shall be fined for failure to notify the commissioner of a failure to make payments when due if a report indicating the reason payment of income benefits did not commence within twenty-one (21) days of the date the employer was notified of an alleged work-related injury or disease is not filed with the commissioner within twenty-one (21) days of the date the employer received notice, and if the employee has not returned to work within that period of time. The date of notice indicated in the report filed with the department pursuant to KRS 342.038(1), shall raise a rebuttable presumption of the date on which the employer received notice.

(j) Actions to collect the civil penalties imposed under this subsection shall be instituted in the Franklin District Court and the Franklin Circuit Court.

(8) The commissioner shall initiate enforcement of a criminal penalty by causing a complaint to be filed with the appropriate

local prosecutor. If the prosecutor fails to act on the violation within twenty (20) days following the filing of the complaint, the commissioner shall certify the inaction by the local prosecutor to the Attorney General who shall initiate proceedings to prosecute the violation. The provisions of KRS 15.715 shall not apply to this section.

(b) Any person who violates any of the provisions of KRS 342.165(2), 342.335, 342.460, 342.465, or 342.470 shall, for each offense, be fined not less than two hundred dollars ($200) nor more than two thousand dollars ($2,000), or imprisoned for not less than thirty (30) days nor more than one hundred and eighty (180) days, or both.

(c) Any corporation, partnership, sole proprietorship, or other form of business entity and any officer, general partner, agent, or representative of the foregoing who knowingly utilizes or participates in any employee leasing arrangement or mechanism as defined in KRS 342.615 for the purpose of depriving one (1) or more insurers of premium otherwise properly payable or for the purpose of depriving the Commonwealth of any tax or assessment due and owing and based upon said premium shall upon conviction thereof be subject to a fine of not less than five hundred dollars ($500) nor more than five thousand dollars ($5,000), or imprisonment for not more than one hundred eighty (180) days, or both, for each offense.

(d) Notwithstanding any other provisions of this chapter to the contrary, when any employer, insurance carrier, or individual self-insured fails to comply with this chapter for which a penalty is provided in subparagraphs (7), (8), and (9) above, such person, if the person is an owner in the case of a sole proprietorship, a partner in the case of a partnership, a principal in the case of a limited liability company, or a corporate officer in the case of a corporation, who knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be personally and individually liable, both jointly and severally, for the penalties imposed in the above cited subparagraphs. Neither the dissolution nor withdrawal of the corporation, partnership, or other entity from the state, nor the cessation of holding status as a proprietor, partner, principal, or officer shall discharge the foregoing liability of any person.

(10) Fines paid pursuant to subsections (7) and (9) of this section shall be paid into the special fund.

(11) In addition to the penalties provided in this section, the commissioner and any[~~ arbitrator,~~] administrative law judge, or court of jurisdiction may order restitution of a benefit secured through conduct proscribed by this chapter.

HB 629, AN ACT relating to Commonwealth legal actions, making an appropriation therefor, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 48 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly hereby finds and declares that:

(a) Public accountability for funds or other assets recovered in a legal action by or on behalf of the general public, the Commonwealth, or its duly elected statewide constitutional officers is appropriate and required, whether the assets or funds recovered are characterized as public or private;

(b) Accountability for assets or funds recovered by statewide elected officials is essential to the public trust, and is even more critical if the Commonwealth or its duly elected statewide constitutional officers have brought or been a party to the action that resulted in the recovery by virtue of the public office they hold; and

(c) Public accountability demands the applicability of the Kentucky Open Records Law, KRS 61.870 to 61.884, and the Kentucky Open Meetings Law, KRS 61.805 to 61.850, so that the actions of individuals or agencies who are charged with the administration of funds or other assets are conducted in full view, and are open to public scrutiny.

(2) Therefore, any other provision of the common law or statutory law to the contrary notwithstanding:

(a) The provisions of subsection (3) of this section shall apply whenever the Attorney General or other duly elected statewide constitutional officer is a party or has entered his appearance in a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other statewide elected constitutional officer or a person, organization, or entity created by the Attorney General or the Commonwealth, through court action or otherwise, to administer trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes;

(b) Except as otherwise provided in paragraph (a) of this subsection, the provisions of subsection (4) of this section shall apply when any funds or assets of any kind or nature whatsoever, including, but not limited to, public funds as defined in KRS 446.010 and private funds or assets, are recovered by judgment or settlement of a legal action by or on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, filed by a duly elected statewide constitutional officer under that officer's statutory or common law authority.

(3) Whenever the Attorney General or other duly elected statewide constitutional officer is a party or has entered his appearance in a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or by a person, organization, or entity created by the Attorney General, or the Commonwealth, through court action or otherwise, to administer trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes, those funds shall be deposited in the State Treasury and the funds or assets administered and disbursed by the Charitable Asset Administration Board created under this section. As used in this section "CAAB" means the Charitable Asset Administration Board.

(a) The CAAB shall consist of the following members, who shall be confirmed by the Senate under KRS 11.160, and who shall serve at the pleasure of the duly elected statewide constitutional officer making the appointment during that constitutional officer's term of office:

1. Three (3) members to be appointed by the Governor;

2. Three (3) members to be appointed by the Attorney General; and

3. Three (3) members to be appointed by the Auditor of Public Accounts.

(b) Each duly elected statewide constitutional officer under paragraph (a) of this subsection shall appoint at least one (1) member who has a background in the administration of charitable, eleemosynary, benevolent, educational, or similar type trust assets, but shall not be currently involved in any activity that would violate the provisions of KRS 11A.040, as they relate to the performance of the appointee's duties on the CAAB.

(c) All appointees to the CAAB shall comply with the provisions of the Executive Branch Code of Ethics found in KRS Chapter 11A.

(d) A vacancy in the membership of the CAAB shall be filled in the same manner and under the same conditions as the initial appointment to the board.

(e) The CAAB shall:

1. Be a nonprofit, de jure, quasigovernmental corporation subject to the Kentucky Open Records Law, KRS 61.870 to 61.884, and Kentucky Open Meetings Law, KRS 61.800 to 61.850;

2. Have any and all general corporate, trust, or other powers reasonable or necessary to fulfill the requirements and purposes of the CAAB;

3. Be audited on an annual basis by the Auditor of Public Accounts;

4. Provide such documents, written reports, and audits to the Legislative Research Commission as may be requested; and

5. Provide representatives of the organization or entity to testify before any committee of the Kentucky General Assembly when requested concerning the work and financial condition of the CAAB.

(f) The CAAB shall have full authority over the administration, control, and disbursement of any funds recovered under this subsection. The CAAB shall receive, analyze, administer, disburse, and preserve the identity, character, nature, and charitable, eleemosynary, benevolent, educational or similar public purpose of the funds or assets received, consistent with this subsection and the authority for administering the funds recovered, as set forth in the:

1. Articles of incorporation and bylaws, of the corporation;

2. Partnership agreement or other business association agreement;

8. State or federal law or regulation; or

9. Any other governing documents necessary to properly administer the funds recovered.

(g) The CAAB may hold public hearings, if necessary, concerning the proper administration or disbursement of trust assets received and to be administered under this subsection.

(h) 1. After the effective date of this Act, all charitable, eleemosynary, benevolent, educational, or similar type trust funds or assets, to which this subsection applies, recovered by way of judgment, settlement, or otherwise, shall be transferred to the CAAB for administration of those funds or assets consistent with their charitable, eleemosynary, benevolent, educational, or similar public purpose and the provisions of this subsection.

2. For those legal actions settled prior to the effective date of this Act, where charitable, eleemosynary, benevolent, educational, or similar type trust funds or assets, are recovered by way of judgment or settlement, and to which this subsection would otherwise be applicable, the federal and state courts where those actions are pending are encouraged to transfer any trust funds or assets remaining after administration to the CAAB.

(4) (a) Any other provision of the common law or statutory law to the contrary notwithstanding, and except for those charitable, eleemosynary, benevolent, educational, or similar trust assets to be administered by the CAAB under subsection (3) of this section, any funds or assets of any kind or nature whatsoever, including, but not limited to, public funds as defined in KRS 446.010 and private funds or assets, when recovered by judgment or settlement of a legal action by or on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, filed by a duly elected statewide constitutional officer under that officer's statutory or common law authority shall be deemed public funds, and shall be deposited into an account maintained by the Finance and Administration Cabinet.

(b) No funds to which this subsection applies when deposited in an account maintained by the Finance and Administration Cabinet shall be disbursed without a specific legislative appropriation of the deposited funds by the General Assembly while in regular or special legislative session.

(5) The common law, including the common law authority of any duly elected statewide constitutional officer, is specifically abrogated to the extent it is inconsistent with the provisions of this section.

(6) The provisions of this section shall not apply to actions by or on behalf of the Commonwealth or its duly elected statewide constitutional officers, but only if the recovery sought and received is for specific individuals, identified as parties to the action either by individual Social Security number, other individual identifying number, or by the individual's proper name.

Section 2. KRS 15.020 is amended to read as follows:

Section 5. If any provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Act that can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

Section 6. HB 939, AN ACT relating to campaign finance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 121 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds and declares that:

(a) The intent of disclosure of campaign finance information is to make that information about the role of money in politics accessible to the public;

(b) The volume of campaign finance reports submitted each year to the state renders it virtually impossible, without the help of computer technology, to derive meaningful conclusions from the records;

(c) Computer automation is a necessary and effective means of transmitting, organizing, storing, and retrieving vast amounts of data submitted by candidates in election campaigns; and

(d) Although candidates are currently permitted to file campaign finance reports electronically if they so choose, very few candidates have chosen to do so, and therefore access to campaign finance data through electronic or on-line technology is limited.

(2) The General Assembly enacts this legislation to accomplish the following:

(a) To improve the existing system of electronic reporting and extend its usage to more candidates;

(b) To allow concerned persons easy, convenient, and timely access to campaign finance reports submitted to the state;

(c) To ease the burden on candidates and committees of tabulating, filing, and maintaining public records of financial activity;

(d) To strengthen both the disclosure and enforcement capabilities of the Registry of Election Finance;

(e) To cooperate in the standardization of reporting formats among states so that interstate as well as intrastate sources of political money can be known;

(f) To provide for a fully informed electorate; and

(g) To help restore public trust in the governmental and electoral institutions of this state.

Section 2. KRS 121.015 is amended to read as follows:

As used in this chapter:

(1) "Registry" means the Kentucky Registry of Election Finance;

(2) "Election" means any primary, runoff primary, regular, or special election to fill vacancies regardless of whether a candidate or slate of candidates is opposed or unopposed in an election. Each primary, runoff primary, regular, or special election shall be considered a separate election;

(3) "Committee" includes the following:

(a) "Campaign committee," which means one (1) or more persons who receive contributions and make expenditures to support or oppose one (1) or more specific candidates or slates of candidates for nomination or election to any state, county, city, or district office, but does not include an entity established solely by a candidate which is managed solely by a candidate and a campaign treasurer and whose name is generic in nature, such as "Friends of (the candidate)," and does not reflect that other persons have structured themselves as a committee, designated officers of the committee, and assigned responsibilities and duties to each officer with the purpose of managing a campaign to support or oppose a candidate in an election;

(b) "Political issues committee," which means three (3) or more persons joining together to advocate or oppose a constitutional amendment or public question which appears on the ballot if that committee receives or expends money in excess of one thousand dollars ($1,000);

(c) "Permanent committee," which means a group of individuals, including an association, committee or organization, other than a campaign committee, political issues committee, inaugural committee, or party executive committee, which is established as, or intended to be, a permanent organization having as a primary purpose expressly advocating the election or defeat of one (1) or more clearly identified candidates, slates of candidates, or political parties, which functions on a regular basis throughout the year;

No person shall become liable as surety, endorser, or guarantor for any sum in any one (1) election which, when combined with all other contributions the individual makes to a candidate, his agent, a slate of candidates, its agent, a committee, or a contributing organization, exceeds the contribution limits provided in KRS 121A.050 or KRS 121.150;

(d) Payment by any person other than a candidate, his authorized treasurer, a slate of candidates, its authorized treasurer, a committee, or contributing organization for any goods or services with a value of more than one hundred dollars ($100) in the aggregate in any one (1) election which are utilized by a candidate, slate of candidates, committee, or contributing organization, or for inauguration activities;

Unless the context requires otherwise, any provision of law that applies to a candidate shall also apply to a slate of candidates;

(13) "Electronic reporting" means the use of technology, having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities, by which an individual or other entity submits, compiles, or transmits campaign finance reports to the registry, or by which the registry receives, stores, analyzes, or discloses the reports;

(a) Develop prescribed forms for the making of the required reports;

(b) Prepare and publish a manual for all candidates, slates of candidates, and committees, describing the requirements of the law, including uniform methods of bookkeeping and reporting, requirements as to reporting dates, and the length of time that candidates, slates of candidates, and committees are required to keep any records pursuant to the provisions of this chapter and KRS Chapter 121A;

No appointed or elected state officeholder or any other person shall, directly or indirectly, attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any registry member or employee charged with the enforcement of the campaign finance laws no alternative but to comply with the wishes of the officeholder or person. Registry members and employees shall be free of obligation or the appearance of obligation to any interest other than the fair and efficient enforcement of the campaign finance laws and administrative regulations. 6. The date of each contribution; and

7. The amount of each contribution.

(d) Make all data specified in paragraph (c) of this subsection available on the Internet no later than ten (10) business days after its receipt by the registry. If a contribution or expenditure report is filed late with the

In campaigning for all other offices, no candidate shall lend to his committee more than ten thousand dollars ($10,000) in any one (1) election.

(14) Subject to the provisions of subsection (20) of this section, no candidate or slate of candidates for nomination to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for primary election expenses after the date of the primary. No person other than the candidate or slate of candidates shall contribute for primary election expenses after the date of the primary.

No person other than the candidate or slate of candidates shall contribute for regular election expenses after the date of the regular election.

(17) Subject to the provisions of subsection (20) of this section, no candidate or slate of candidates for nomination or election to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for special election expenses after the date of the special election. No person other than the candidate or slate of candidates shall contribute for special election expenses after the date of the special election.

(18) Nothing in subsections (14) to (17) of this section shall be deemed to prohibit a slate of candidates from receiving transfers from the election campaign fund established by KRS 121A.020 for which it is eligible for matches of qualifying contributions received prior to the date of the election but for which no transfer from the fund had been made prior to the date of the election.

(19) The provisions of subsections (14) and (16) of this section shall apply only to those candidates in a primary or regular election which shall be conducted subsequent to January 1, 1989. The provisions of subsections (15) and (17) of this section shall apply only to those candidates or slates of candidates in a runoff primary or special election which shall be conducted subsequent to January 1, 1993.

(20) A candidate, slate of candidates, or a campaign committee may solicit and accept contributions after the date of a primary election, runoff primary election, regular election, or special election to defray necessary expenses that arise after the date of the election associated with election contests, recounts, and recanvasses of a specific election, complaints regarding alleged campaign finance violations that are filed with the registry pertaining to a specific election, or other legal actions pertaining to a specific election to which a candidate, slate of candidates, or campaign committee is a party. Reports of contributions received and expenditures made after the date of the specific election shall be made in accordance with KRS 121.180.

(21) No slate of candidates for Governor and Lieutenant Governor or their immediate families shall loan any money, service, or

other thing of value to their campaign, and all moneys, services, or other things of value which are loaned shall be deemed a contribution, which may not be recovered by the slate of candidates, except to the extent of a combined total of fifty thousand dollars ($50,000).

(22) No candidate, slate of candidates, committee, except a political issues committee, or contributing organization, nor anyone on their behalf, shall knowingly accept a contribution from a corporation, directly or indirectly.

(23) Nothing in this section shall be construed to restrict the ability of a corporation to administer its permanent committee insofar as its actions can be deemed not to influence an election as prohibited by KRS 121.025.

(24) In addition to the prohibitions set forth in this section, no slate of candidates shall accept any contribution during the twenty-eight (28) days immediately preceding a primary or regular election except as provided in KRS 121A.030(5).

(25) No candidate, slate of candidates, or committee, nor anyone on their behalf, shall solicit a contribution of money or services from a state employee, whether or not the employee is covered by the classified service provisions of KRS Chapter 18A. However, it shall not be a violation of this subsection for a state employee to receive a solicitation directed to him as a registered voter in an identified precinct as part of an overall plan to contact voters not identified as state employees.

(26) (a) A candidate for elective public office, except slates of candidates for Governor and Lieutenant Governor, shall not accept contributions from permanent committees which, in the aggregate, exceed fifty percent (50%) of the total contributions accepted by the candidate in any one (1) election or ten thousand dollars ($10,000) in any one (1) election, whichever is the greater amount. The percentage of the total contributions or dollar amounts of contributions accepted by a candidate in an election that is accepted from permanent committees shall be calculated as of the day of each election. Funds in a candidate's campaign account which are carried forward from one (1) election to another shall not be considered in calculating the acceptable percentage or dollar amount of contributions which may be accepted from permanent committees for the election for which the funds are carried forward. A candidate may, without penalty, contribute funds to his campaign account not later than sixty (60) days following the election so as not to exceed the permitted percentage or dollar amount of contributions which may be accepted from permanent committees or the candidate may, not later than sixty (60) days after the end of the election, refund any excess permanent committee contributions on a pro rata basis to the permanent committees whose contributions are accepted after the aggregate limit has been reached.

(27) No candidate or slate of candidates for any office in this state shall accept a contribution, including an in-kind contribution, which is made from funds in a federal campaign account. No person shall make a contribution, including an in-kind contribution, from funds in a federal campaign account to any candidate or slate of candidates for any office in this state.

Section 5. KRS 121.180 is amended to read as follows:

(1) (a) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any preelection finance reports required by subsection (3) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that contributions will not be accepted or expended in excess of three thousand dollars ($3,000) in any one (1) election to further the candidacy or to support or oppose a constitutional amendment or public question which will appear on the ballot. For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (l)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars ($1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (l)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. For a runoff primary election, a slate of candidates shall file its request for exemption not later than five (5) days after the date of the preceding primary election and shall be bound by its terms unless rescinded in writing not later than ten (10) days after the date of the preceding primary election. For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election, or runoff primary, if one is held, except as provided in subparagraph 2. of paragraph (d) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than twenty-five (25) days after the date on which the nomination for a special election is made. A political issues committee chairman shall file a request for exemption not later than ten (10) days after the date on which the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the date on which the request for exemption is filed.

(d) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.

2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted amount shall be imposed against the candidate, except for failure to file applicable reports required after the exempted amount is exceeded.

(e) Any candidate or slate of candidates that is subject to an August filing deadline and that intends to execute a request for exemption shall file the appropriate request for exemption not later than the filing deadline and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that is covered by this paragraph shall have the same reversion rights as those provided in subparagraph 1. of paragraph (d) of this subsection.

(f) Any candidate or slate of candidates that will appear on the ballot in a regular election that has signed either request for exemption for that election may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection if a candidate or slate of candidates that is subject to an August filing deadline subsequently files in opposition to the candidate or slate of candidates. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate or slate of candidates covered by this paragraph shall comply with the deadline for rescission provided in subparagraph 1. of paragraph (d) of this subsection.

(g) Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate or slate of candidates that has filed a request for exemption for a regular election that later is opposed by a person who has filed a declaration of intent to receive write-in votes may rescind the request for exemption and exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(i) If the opponent of a candidate or slate of candidates is replaced due to his withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.

(j) A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) or (b) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline for the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner may exercise the remaining exemption option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a person intending to be a write-in candidate who elects to exercise a different exemption option shall file the appropriate form with the officer who received the initial request for exemption not later than fifteen (15) days after the filing deadline for the regular or special election.

(k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.

(l) 1. Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate, slate of candidates, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that accepts contributions or makes expenditures, or whose campaign treasurer accepts contributions or makes expenditures, in excess of the applicable limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and, in lieu of other penalties prescribed by law, pay a fine of not more than five hundred dollars ($500) plus the amount by which the spending limit was exceeded.

2. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate, slate of candidates, campaign committee, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that knowingly accepts contributions or makes expenditures in excess of the applicable spending limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and shall be guilty of a Class D felony.

(2) (a) State and county executive committees shall make a full report, upon a prescribed form, to the registry, of all money, loans, or other things of value, received from any source, and expenditures authorized, incurred, or made, since the date of the last report, including:

If the contributor is self-employed, the name under which he is doing business shall be listed;

3. The total amount of cash contributions received during the reporting period; and

4. A complete statement of expenditures authorized, incurred, or made. The complete statement of expenditures shall include the name and address of each person to whom an expenditure is made in excess of twenty-five dollars ($25), and the amount, date, and purpose of each expenditure.

(b) This report shall be in the hands of the registry or postmarked within five (5) days after the thirtieth day following the primary, runoff primary if slates of candidates of that party participate, and regular elections. If an individual gives a reportable contribution to a state or county executive committee with the intention that the contribution or a portion of the contribution go to a candidate or slate of candidates, the name of the contributor and the sum shall be indicated on the committee report. The receipts and expenditures of funds remitted to each political party under KRS 141.071 to 141.073 shall be separately accounted for and reported to the registry in the manner required by KRS 121.230. The separate report may be made a separate section within the report required, by this subsection, to be in the hands of the registry or postmarked within five (5) days after the thirtieth day following each regular election.

(3) (a) Except for candidates or slates of candidates, campaign committees, or political issues committees exempted from reporting requirements pursuant to subsection (1) of this section, each campaign treasurer of a candidate, slate of candidates, campaign committee, or political issues committee who accepts contributions or expends, expects to accept contributions or expend, or contracts to expend more than three thousand dollars ($3,000) in any one (1)

election, and each fundraiser who secures contributions in excess of three thousand dollars ($3,000) in any one (1) election, shall make a full report[~~, upon a prescribed form,~~] to the registry, ***on a form provided or using a format approved by the registry,*** of all money, loans, or other things of value, received from any source, and expenditures authorized, incurred, and made, since the date of the last report, including:

3. For each contribution in excess of one hundred dollars ($100) made to any candidate or campaign committee other than those specified in subparagraph 2. or a political issues committee, the full name, address, age if less than the legal voting age, the date of the contribution, the amount of the contribution, and the employer and occupation of each other contributor. If the contributor is self-employed, the name under which he is doing business shall be listed;
4. The total amount of cash contributions received during the reporting period; and

The complete statement of expenditures shall include the name, address, and occupation of each person to whom an expenditure is made in excess of twenty-five dollars ($25), and the amount, date, and purpose of each expenditure.

(b) Reports of all candidates, campaign committees, political issues committees, and registered fundraisers shall be made as follows:

1. Candidates as defined in KRS 121.015(8), campaign committees, political issues committees, and fundraisers which register in the year before the year an election in which the candidate or public question shall appear on the ballot, shall file financial reports with the registry at the end of the first calendar quarter after the person becomes a candidate or following registration of the committee or fundraiser, and each calendar quarter thereafter, ending with the last calendar quarter of that year. Candidates, committees, and registered fundraisers shall make all reports required by this section during the year in which the election takes place;

(5) In making the preceding reports, the total gross receipts from each of the following categories shall be listed: proceeds from the sale of tickets for events such as testimonial affairs, dinners, luncheons, rallies, and similar fundraising events, mass collections made at the events, and sales of items such as campaign pins, buttons, hats, ties, literature, and similar materials. When any individual purchase or the aggregate purchases of any item enumerated above from a candidate or slate of candidates for a statewide-elected state office or a campaign committee for a candidate or slate of candidates for a statewide-elected state office exceeds one hundred dollars ($100), the purchaser shall be identified by name, address, age, if less than the legal voting age, occupation, and employer and the employer of the spouse of the purchaser or, if the purchaser or the spouse of the purchaser is self-employed, the name under which he is doing business, and the amount of the purchase. The lists shall be maintained by the campaign treasurer, political issues committee treasurer, registered fundraiser, or other sponsor for inspection by the registry for six (6) years following the date of the election.

(6) Each permanent committee, except a federally-registered out-of-state permanent committee, inaugural committee, or contributing organization shall make a full report[~~, upon a prescribed form,~~] to the registry***, on a form provided or using a***

(a) For each contribution of any amount made by a permanent committee, the name and business address of the permanent committee, the date of the contribution, the amount contributed, and a description of the major business, social, or political interest represented by the permanent committee;

(b) For other contributions in excess of one hundred dollars ($100), the full name, address, age if under the legal voting age, the date of the contribution, the amount of the contribution, and the employer and occupation of each contributor. If the contributor is self-employed, the name under which he is doing business shall be listed;

(c) An aggregate amount of cash contributions, the amount contributed by each contributor, and the date of each contribution; and

(d) A complete statement of all expenditures authorized, incurred, or made, including independent expenditures. This report shall be made by a permanent committee, inaugural committee, or contributing organization to the registry on the last day of the first calendar quarter following the registration of the committee with the registry and on the last day of each succeeding calendar quarter until such time as the committee terminates. A contributing organization shall file a report of contributions received and expenditures ***on a form provided or using a format approved***[~~ made on forms prescribed~~] by the registry not later than the last day of each calendar quarter in which contributions are received or expenditures are made. All reports to the registry shall be postmarked or received not later than five (5) days after each filing deadline.

(7) If the final statement of a candidate, campaign committee, or political issues committee shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit, the campaign treasurer shall file with the registry a supplemental statement of contributions and expenditures not more than thirty (30) days after the deadline for filing the final statement. Subsequent supplemental statements shall be filed annually, to be ***received by***[~~in the hands of~~] the registry or postmarked not later than ten (10) days after November 1 of each year, until the account shows no unexpended balance, continuing debts and obligations, expenditures, or deficit, or until the year before the candidate seeks to appear on the ballot for the same office for which the funds in the campaign account were originally contributed, in which case the candidate shall file the supplemental annual report not later than ten (10) days after November 1 of that year or at the end of the first calendar quarter of that year after the candidate files his nomination papers for the next year's primary or regular election. All contributions shall be subject to KRS 121.150.

(8) All reports filed under the provisions of this chapter shall be a matter of public record open to inspection by any member of the public immediately upon receipt of the report by the registry. A duplicate ***paper*** copy of each report filed ***either on paper or electronically*** with the registry shall be filed by the candidate, slate of candidates, or committee with the county clerk in the county in which the candidate or persons running as a slate of candidates reside at the same time. County clerks shall maintain these reports for public inspection for a period of one (1) year from the date the last report is required to be filed.

(9) A candidate or slate of candidates is relieved of the duty personally to file reports and keep records of receipts and expenditures if the candidate or slate states in writing or on forms provided by the registry that:

(a) Within five (5) business days after personally receiving any contributions, the candidate or slate of candidates shall surrender possession of the contributions to the treasurer of their principal campaign committee without expending any of the proceeds thereof. No contributions shall be commingled with the candidate's or slated candidates' personal funds or accounts. Contributions received by check, money order, or other written instrument shall be endorsed directly to the campaign committee and shall not be cashed or redeemed by the candidate;

(b) The candidate or slate of candidates shall not make any unreimbursed expenditure for the campaign, except that this paragraph does not preclude a candidate or slate from making an expenditure from personal funds to the designated principal campaign committee, which shall be reported by the committee as a contribution received; and

(c) The waiver shall continue in effect as long as the candidate or slate of candidates complies with the conditions under which it was granted.

(10) No candidate, slate of candidates, campaign committee, political issues committee, or contributing organization shall use or permit the use of contributions or funds solicited or received for the person or in support of or opposition to a public issue which will appear on the ballot to further the candidacy of the person for a different public office, to support or oppose a different public issue, or to further the candidacy of any other person for public office; except that nothing in this subsection shall be deemed to prohibit a candidate or slate of candidates from using funds in the campaign account to purchase admission tickets for any fundraising event or testimonial affair for another candidate or slate of candidates if the amount of the purchase does not exceed one hundred dollars ($100) per event or affair. Any funds or contributions solicited or received by or on behalf of a candidate, slate of candidates, or any committee, which has been organized in whole or in part to further any candidacy for the same person or to support or oppose the same public issue, shall be deemed to have been solicited or received for the current candidacy or for the election on the public issue if the funds or contributions are solicited or received at any time prior to the regular election for which the candidate, slate of candidates,

or public issue is on the ballot. Except as provided in KRS 121A.080(6), any unexpended balance of funds not otherwise obligated for the payment of expenses incurred to further a political issue or the candidacy of a person shall, in whole or in part, at the election of the candidate or committee, escheat to the State Treasury, be returned pro rata to all contributors, or, in the case of a partisan candidate, be transferred to the state or county executive committee of the political party of which the candidate is a member except that a candidate, committee, or an official may retain the funds to further the same public issue or to seek election to the same office or may donate the funds to any charitable, nonprofit, or educational institution recognized under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and any successor thereto.

(11) (a) Any publisher of newspapers or magazines, owner or lessor of billboards, or any other person, company, corporation, or business organization offering its communications or advertising services for hire to the public who receives funds for the purchase of advertising services or material, shall file with the registry a copy of the material or communication purchased which supports or opposes any slate of candidates or committee; a copy of the receipt for the funds paid; the name and address of each purchaser; and the source of the funds for the purchase if different than the purchaser.

(b) A radio or television station or network that receives funds for the purchase of advertising services or material that supports or opposes a slate of candidates or committee shall file with the registry a copy of the documentation of paid political campaign advertisements that is required to be maintained by the Federal Communications Commission, along with a cover letter from the manager of the station or network or the manager's designee.

(c) All information required to be reported by paragraphs (a) and (b) of this subsection shall be in the hands of the registry or postmarked not later than the thirtieth day following the primary, runoff primary, and regular elections that are held subsequent to the date that the broadcasting or printing of the advertisement occurs.

(d) The provisions of this subsection shall apply only to purchases of advertising services or material to support or oppose a slate of candidates for election to the offices of Governor and Lieutenant Governor.

(e) Notwithstanding KRS 121.990 and KRS 121A.990, penalties for violation of this subsection shall be assessed in accordance with the provisions of KRS 121.140(2).

(12) (a) For the purposes of this subsection, "election cycle," as applied to contributions, expenditures, or loans to support or oppose a candidate for a particular office, means the period of time beginning January 1 following a regular election for the office and ending December 31 following the next regular election for that office.

(b) For the purpose of this subsection, "election cycle," as applied to contributions, expenditures, or loans to support or oppose a constitutional amendment or public question which appears on the ballot, means the period of time beginning January 1 following a regular election for any state legislative office and ending December 31 following the next regular election for any state legislative office.

(c) If adequate and appropriate agency funds are available to implement this subsection, beginning on January 1, 2002, the option of electronic reporting shall be made available by the registry for all of the following:

1. Candidates for statewide office and slates of candidates that during the election cycle receive contributions or loans in the aggregate of twenty-five thousand dollars ($25,000) or more, or at any time have a balance in a campaign account or accounts in the aggregate of twenty-five thousand dollars ($25,000) or more;

2. Candidates for the General Assembly that during the election cycle receive contributions or loans in the aggregate of twelve thousand five hundred dollars ($12,500), or at any time have a balance in an aggregate of twelve thousand five hundred dollars ($12,500) or more; and

3. Campaign committees, political issues committees, permanent committees, registered fundraisers, contributing organizations, and individuals and entities making independent expenditures that during the election cycle receive contributions or loans in an aggregate of twenty-five thousand dollars ($25,000) or more, make expenditures in an aggregate of twenty-five thousand dollars ($25,000) or more, or at any time have a balance in an aggregate of twenty-five thousand dollars ($25,000) or more.

(13) Filers specified in subsection (12) of this section shall also continue to file required campaign finance reports in paper format until the registry deems it is no longer necessary. The paper copy shall continue to be the official version for audit and other legal purposes.

(14) Filers not required to file reports electronically, as set forth in this section, are strongly encouraged to do so voluntarily.

(15) The date that an electronic or on-line report shall be deemed to have been filed with the registry shall be the date on which it is received by the registry.

(16) All electronic or on-line filers shall affirm, under penalty of perjury, that the report filed with the registry is complete and accurate.

(17) Filers who submit computer disks which are not readable, cannot be copied, or are not accompanied by any requisite

paper copy shall be deemed to not be in compliance with the requirements set forth in this section.

(b) If the member's total service credit on his last day of paid employment is twenty (20) or more years, then his total service credit shall be used.

(a) For the disabled member, benefits as provided in subsection (5) of this section except that the monthly retirement allowance payable shall not be less than twenty-five percent (25%) of the member's monthly final rate of pay; and

The payments shall be payable to each dependent child, or to a legally appointed guardian or as directed by the system.

(7) No benefit provided in this section shall be reduced as a result of any change in the extent of disability of any retired member who is age fifty-five (55) or older.

(8) If a regular full-time officer or hazardous position member has been approved for benefits under a hazardous disability, the board shall, upon request of the member, permit the member to receive the hazardous disability allowance while accruing benefits in a nonhazardous position, subject to proper medical review of the nonhazardous position's job description by the system's medical examiner.

(9) For a member of the State Police Retirement System, in lieu of the allowance provided in subsection (5) or (6) of this section, the member may be retained on the regular payroll and receive the compensation authorized by KRS 16.165, if he is qualified.

The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;

(d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for the service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;

(e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

(10) Interest paid by a member of the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System under this section or other similar statutes under KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 prior to June 19, 1976, shall be credited to the individual member's contribution account in the appropriate retirement system and considered as accumulated contributions of the member.

(11) ***Employees***[~~Members~~] who served as assistants to officers and employees of the General Assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for the service performed after January 1, 1960, if the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12) ***(a)*** Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(b) Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by

paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave~~[granted prior to January 1, 1972]~~, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. ***Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one of the purchases.*** The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee ***elects to stop the installment payments,*** dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under paragraph(e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by transferring funds ***pursuant to the rules in 26 U.S.C. sec. 401(a)(31)*** directly from a retirement plan ***or a deferred compensation arrangement*** maintained by his employer which is a qualified plan pursuant to ***26 U.S.C. sec. 401(a). Service credit may also be purchased***~~[Section 401(a) of the Internal Revenue Code or]~~ by a rollover of funds from ***a qualified retirement***~~[the]~~ plan pursuant to the rules specified in ***26 U.S.C. sec. 402(c).***~~[Section 402(c) of the Internal Revenue Code and]~~ The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in ***26 U.S.C. secs.***~~[Section]~~ 402(c) and~~[Section]~~ 401(a)(31)~~[of the Internal Revenue Code]~~. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System or, if younger, who has sixty (60) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(18) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

(19) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) who has completed service as a volunteer in the Kentucky Peace Corps, created by KRS 154.01-720, may purchase service credit for the time served in the corps by making delayed contribution payments.

(20) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), and who was formerly employed in a regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state retirement system in which he participates the full cost of the service credit purchased, as determined by the system. Payment to one (1) of the retirement systems administered by the Kentucky Retirement Systems may be made by lump sum or in increments.

(21) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65), who was employed by a vocational technical school in a noncertified part-time position averaging eighty (80) or more hours per month, determined by using the number of months actually worked within a calendar or fiscal year, may purchase service credit in the Kentucky Employees Retirement System. The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall be deposited to the individual member's account. The delayed contribution payment shall not be picked up by the employer as described in KRS 61.560(4).

(23) Any employee participating in the County Employees Retirement System who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may purchase service credit for service with a city, county, or joint city-county planning commission, if that service was not covered by a state-administered retirement system. Notwithstanding any statute to the contrary, the employee shall be entitled to a full month of service for each month or portion of month that the employee occupied the position whether or not the employee would have qualified, at the time of planning commission service, for the service under KRS 6.525. The employee shall pay to the retirement system the full cost of the service credit purchased, as determined by the board's actuary. The payment shall not be picked up, as described in KRS 78.610(4), by the employer and shall be deposited to the member's account. Payment may be by lump sum or in increments. (24) (a) Any member or retired member of one (1) of the retirement systems administered by the Kentucky Retirement

Systems who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(b) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The payment shall not be picked up, as described in KRS 61.560(4) or KRS 78.610(4), by the employer.

(26) Any employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems on or after August 1, 1998, who has at least two hundred forty (240) months of service credit may purchase a combined maximum total of five (5) years of retirement service credit which is not otherwise purchasable under any of the provisions of KRS 16.510 to 16.652, KRS 61.510 to 61.705, and KRS 78.510 to 78.852. Payment by the member may be by lump sum or by increments.

(27) An employee participating in one (1) of the state-administered retirement systems, who has at least forty-eight (48) months of service if age sixty-five (65), or at least sixty (60) months of service if under age sixty-five (65), may obtain credit in the County Employees Retirement System for the period of that employee's service with a community action agency created under KRS 273.405 to 273.453 if that service was not covered by a state-administered retirement system. (3) Any National Guard technician involuntarily serving on active military duty during the period between January 26, 1968, and January 1, 1970, who completes his eight (8) years' service while on military duty during this period, shall have that portion of his active military duty, necessary to the completion of eight (8) years' current service, credited to his account, as current service without having to meet the reemployment criteria.

(4) Any employee eligible for retirement as prescribed in KRS 61.559 or any employee upon completion of five (5) years of service shall receive current service credit for a maximum of four (4) years for his period of active military duty in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service

under subsections (1) to (3) of this section if he pays thirty-five percent (35%) of the cost of the service based on the formula adopted by the board. The payment by the member shall not be picked up by the employer, as described in KRS 61.560(4), and shall be deposited to his individual member's account. The remaining sixty-five percent (65%) shall be paid by the state from funds appropriated specifically for the purpose and these payments shall be deposited to the respective retirement allowance accounts. If no funds are available in the special appropriation account, the system shall not accept employee payments until funds are available in the account.

(5) ***Any employee participating in one (1) of the state-administered retirement systems***~~[A member]~~ eligible to purchase military service credit under subsection (4) of this section shall receive current service credit for active military duty as provided under subsection (4) of this section without payment of the current employee contribution ratio if the member was taken prisoner by a hostile power at any time during active military service.

Payment may be made by lump sum or in increments. The payment shall not be picked up by the employer as described in KRS 16.545(4), 61.560(4), or 78.610(4) and shall be deposited in the member's individual retirement account.

(7) Effective July 1, 1978, no veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for such pension in the future; but nothing in this section shall prohibit the purchase of credit if the military pension results from service primarily on inactive duty in a reserve component of the Armed Forces, or if the military pension is a disability pension, or is for a veteran sixty-five (65) years of age or older who is considered permanently and totally disabled. Any veteran receiving a military disability pension who retired prior to July 15, 1986, who was unable to purchase military service credit pursuant to subsection (4) or subsection (6) of this section, may make the payment required by subsection (4) or subsection (6), and his retirement benefits shall be recalculated to apply to all retirement allowances and insurance benefits received after the date of the payment. Retiree payments pursuant to subsection (4) of this section shall not be accepted unless matching state funds are available in the special appropriation account.

(8) Any ***employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems***~~[member of the Kentucky Employees Retirement System]~~ age sixty-five (65) or older who has forty-eight (48) months of service, at least twelve (12) of which are current service, or ***if younger***~~[any member of the Kentucky Employees Retirement System or the State Police Retirement System]~~ who has sixty (60) months of service, at least twelve (12) of which are current service, shall receive one (1) month of current service for each six (6) months of service in the National Guard or the military reserves of the United States, by paying the retirement system the full actuarial cost as determined by the system. The service shall be treated as service earned prior to participation in the system and shall not be included in the member's final compensation. Payment may be made by lump sum or in increments. The payment shall not be picked up by the employer, as described in KRS 16.545(4), 61.560(4), or 78.610(4) and shall be deposited in the member's individual retirement account.

Section 16. KRS 61.575 is amended to read as follows:

(1) The members' contribution account shall be the account to which all members' contributions, or contributions picked up by the employer after August 1, 1982, and interest allowances as provided in KRS 61.510 to 61.692 shall be credited. From this account shall be paid the accumulated contributions of a member required to be returned to him upon withdrawal, or paid in the event of his death before retirement. ***Prior to the member's retirement, death, or refund in accordance with Section 21 of this Act, no funds shall be made available from the member contribution account.***

(4) Upon the retirement of a member, his accumulated contributions shall be transferred from the members' contribution account to the retirement allowance account.

Section 17. KRS 61.592 is amended to read as follows:

(1) "Hazardous position" means any position whose principal duties involve active law enforcement, including the positions of probation and parole officer and Commonwealth detective, active fire suppression or prevention, or other positions, including, but not limited to, pilots of the Transportation Cabinet and paramedics and emergency medical technicians, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning. Hazardous positions shall include positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.

(2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employee participating in the Kentucky Employees Retirement System who is determined by the system to be working in a hazardous position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation. An employee participating in the County Employees Retirement System who is determined by the system to be working in a hazardous duty position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, eight percent (8%) of his creditable compensation;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the system to be working in a hazardous position at the employer contribution rate as determined by the board. The rate shall be determined by actuarial methods consistent with the provisions of KRS 61.565;

(c) If the employer participated in the system prior to electing hazardous duty coverage, the employer may pay to the system the cost ***of converting***[~~in order that~~] the nonhazardous service ***to hazardous service from the date of participation to the date the payment is made***[~~be credited as hazardous service~~], or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) Except for the employee contribution by members of the Kentucky Employees Retirement System, the normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652. The employee contribution for a member of the Kentucky Employees Retirement System shall be seven percent (7%).

(5) Any person employed in a hazardous position after July 1, 1972, shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employee's department or county and made available to the system upon request.

(6) If doubt exists regarding the benefits payable to a hazardous position employee under this section, the board shall determine the benefits payable under KRS 61.515 to 61.705, or 78.520 to 78.852, or 16.510 to 16.652.

Section 18. KRS 61.590 is amended to read as follows:

(1) A member or beneficiary eligible to receive retirement benefits under any of the provisions of KRS 61.510 to 61.705, KRS 78.510 to 78.852, and KRS 16.510 to 16.652 shall have on file at the retirement office on the form prescribed by the board, notification of retirement, giving his name, address, Social Security number, last day of employment, and other information the system may require. ***The notification of retirement shall not be filed more than six (6) months before the member's effective retirement date.***

(2) Within ten (10) days of the receipt of the notification of retirement form ***submitted within two (2) months of the effective date of retirement***, the system shall cause to be prepared an estimate of the amounts the member or beneficiary may expect to receive under the various plans available to the member or beneficiary. This information shall be recorded on a form entitled "Estimated Retirement Allowance" and forwarded to the member or beneficiary. ***If the member submits a notification of retirement form more than two (2) months prior to the effective retirement date, the system shall provide***

the estimated retirement allowance within forty-five (45) days of the member's effective retirement date.

(3) The member or beneficiary shall file at the retirement office the form entitled "Estimated Retirement Allowance" after he has checked the plan of his choice, signed the document and had his signature witnessed. A member or beneficiary may not select a different plan after the first retirement allowance payment has been issued by the State Treasurer.

(4) A member or beneficiary choosing a monthly payment plan shall have on file at the retirement office his birth certificate or other acceptable evidence of date of birth. If a survivorship plan is chosen, proof of dates of birth of the beneficiary and member shall be on file at the retirement office.

(5) The effective date of normal retirement shall be the first month following the month in which employment was terminated from a regular full-time position. The effective date of disability retirement shall be the first month following the month in which the member's last day of paid employment in a regular full-time position occurred. The effective date of early retirement shall be the first month following the month the notification of retirement form is filed at the retirement office, if employment in a regular full-time position has been terminated.

(6) The effective date of a deferred retirement option as provided under KRS 16.576(5) shall be the month following age sixty-five (65), or the month following written notification from the member that he wishes to begin receiving retirement payments. In the event of the death of a member who has deferred his retirement allowance, the effective date of retirement shall be the month following the member's death.

(7) Notwithstanding the provisions of KRS 16.578 or 61.640, the effective date of a beneficiary's retirement allowance under normal, early, or disability retirement shall be as prescribed in subsection (5) or (6) of this section if the member dies before the first retirement allowance has been issued by the State Treasurer and his beneficiary becomes eligible for payments under KRS 16.578 or 61.640.

Section 19. KRS 61.600 is amended to read as follows:

(1) Any person may qualify to retire on disability, subject to the following conditions:

(a) The person shall have sixty (60) months of service, twelve (12) of which shall be current service credited under KRS 16.543(1), 61.543(1) or 78.615(1);

(b) The person shall ***not*** be ***eligible for an unreduced retirement allowance***[~~less than normal retirement age~~];

(c) The person's application shall be on file in the retirement office no later than ***twenty-four (24)***[~~twelve (12)~~] months after the person's last day of paid employment, as defined in KRS 61.510, in a regular full-time position, as defined in KRS 61.510 or KRS 78.510;

(d) The person shall receive a satisfactory determination pursuant to KRS 61.665; and

(e) ***A***[~~No~~] ***person's*** disability application based on the same claim of incapacity shall be accepted and ***reconsidered***[~~considered~~] for disability ***if***[~~for any person who has previously applied for and been denied disability benefits unless it is~~] accompanied by ***new objective medical*** evidence[~~ of a substantial change in the person's condition which shall satisfy subsection (4) of this section~~]. The application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment in a regular full-time position.

(2) Upon the examination of the objective medical evidence by licensed physicians pursuant to KRS 61.665, it shall be determined that:

(a) The person, since his last day of paid employment, has been mentally or physically incapacitated to perform the job, or jobs of like duties, from which he received his last paid employment. In determining whether the person may return to a job of like duties, any reasonable accommodation by the employer as provided in 42 U.S.C. sec. 12111(9) and 29 C.F.R. Part 1630 shall be considered;

(b) The incapacity is a result of bodily injury, mental illness, or disease. For purposes of this section, "injury" means any physical harm or damage to the human organism other than disease or mental illness;

(c) The incapacity is deemed to be permanent; and

(d) The incapacity does not result directly or indirectly from bodily injury, mental illness, disease, or condition which pre-existed membership in the system or reemployment, whichever is most recent. For purposes of this subsection, reemployment shall not mean a change of employment between employers participating in the retirement systems administered by the Kentucky Retirement Systems with no loss of service credit.

(3) Paragraph (d) of subsection (2) shall not apply if:

(a) The incapacity is a result of bodily injury, mental illness, disease, or condition which has been substantially aggravated by an injury or accident arising out of or in the course of employment; or

(b) The person has at least sixteen (16) years' current or prior service for employment with employers participating in the retirement systems administered by the Kentucky Retirement Systems.

(4) (a) 1. An incapacity shall be deemed to be permanent if it is expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months from the person's last day of paid employment in a regular full-time position.

2. The determination of a permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.

(b) The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental, and other impairments. The person's ability to walk, stand, carry, push, pull, reach, handle, and other physical functions shall be considered with regard to physical impairments. The person's ability to understand, remember, and carry out instructions and respond appropriately to supervision, coworkers, and work pressures in a work setting shall be considered with regard to mental impairments. Other impairments, including skin impairments, epilepsy, visual sensory impairments, postural and manipulative limitations, and environmental restrictions, shall be considered in conjunction with the person's physical and mental impairments to determine residual functional capacity.

(c) The person's physical exertion requirements shall be determined based on the following standards:

1. Sedentary work shall be work that involves lifting no more than ten (10) pounds at a time and occasionally lifting or carrying articles such as large files, ledgers, and small tools. Although a sedentary job primarily involves sitting, occasional walking and standing may also be required in the performance of duties.

2. Light work shall be work that involves lifting no more than twenty (20) pounds at a time with frequent lifting or carrying of objects weighing up to ten (10) pounds. A job shall be in this category if lifting is infrequently required but walking and standing are frequently required, or if the job primarily requires sitting with pushing and pulling of arm or leg controls. If the person has the ability to perform substantially all of these activities, the person shall be deemed capable of light work. A person deemed capable of light work shall be deemed capable of sedentary work unless the person has additional limitations such as the loss of fine dexterity or inability to sit for long periods.

3. Medium work shall be work that involves lifting no more than fifty (50) pounds at a time with frequent lifting or carrying of objects weighing up to twenty-five (25) pounds. If the person is deemed capable of medium work, the person shall be deemed capable of light and sedentary work.

4. Heavy work shall be work that involves lifting no more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing up to fifty (50) pounds. If the person is deemed capable of heavy work, the person shall also be deemed capable of medium, light, and sedentary work.

5. Very heavy work shall be work that involves lifting objects weighing more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing fifty (50) or more pounds. If the person is deemed capable of very heavy work, the person shall be deemed capable of heavy, medium, light, and sedentary work.

~~[(5) Persons who have previously qualified for disability retirement and have had benefits discontinued shall be reevaluated under the criteria of subsection (2) of this section.]~~

Section 20. KRS 61.605 is amended to read as follows:

Upon disability retirement, an employee may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his disability except that service credit shall be added to the employee's total service beginning with his last date of paid employment and continuing to his sixty-fifth (65th) birthday; however, the maximum service credit added shall not exceed the total service the employee had upon his last day of paid employment, and the maximum combined service credit for calculating his disability retirement allowance, including total service and added service shall not exceed twenty-five (25) years. If, however, an employee has accumulated twenty-five (25) or more years of total service, he shall receive added service necessary to bring his combined service credit, including total and added service, to ***twenty-seven (27)***~~[thirty (30)]~~ years.~~[When the employee has accumulated total service of thirty (30) or more years, his total service shall be used in computing disability benefits. For employees hired on or after July 15, 1998, the total service and added service for determining disability benefits shall not exceed twenty-seven (27) years.]~~

Section 21. KRS 61.625 is amended to read as follows:

(1) A member if living, or if not living, his designated beneficiary, shall have the right to request a refund of his accumulated contributions, including the amount of any employee contributions picked up by the employer pursuant to KRS 61.560(4), reduced by the amount of any retirement allowances previously received if~~[:~~

~~(a)]~~ the member's employment has been terminated and the member is not participating in the same retirement system~~[;~~

~~(b) The member is employed in an employment status as defined in KRS 61.510(21)(a) to (d) that does not require the member to participate in the system; or~~

~~(c) The member has been laid off for ninety (90) days or more]~~.

(2) Payments made under this section shall be in lieu of any other benefits due for the period of service under any of the

provisions of KRS 16.510 to 16.652, 61.515 to 61.705, and 78.520 to 78.852, unless the period of service is regained as provided under KRS 61.552. Payments of taxable distributions made pursuant to this section shall be subject to state and federal tax as appropriate.

(3) Refund of contributions of members whose benefits have been terminated pursuant to KRS 6.696 shall be governed by that section.

Section 22. KRS 61.637 is amended to read as follows:

(1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.515 to 61.705 and 78.520 to 78.852 and who is reemployed as an employee by a participating agency ***prior to August 1, 1998,*** shall have his retirement payments suspended for the duration of reemployment, except as provided in subsection (7) of this section. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

(2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and 78.520 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar ($1), and the member shall be credited with additional service credit.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;

(b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;

(c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;
2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);
3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;
4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691;
5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.

(5) A retired member, or his estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his estate may repay the lesser of the total amount of payments which were not suspended or fifty cents ($0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar ($1) for every three dollars ($3) earned if over age sixty-five (65).

(6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095; and

(b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his retirement by reimbursing the system in the full amount of his retirement allowance payments received.

(7) If a member is retired from a hazardous position, as defined by KRS 61.592, the member shall be permitted to seek and hold an elected city or county office under the provisions of this subsection:

(a) The member may receive the pay for the elected city or county office but shall not contribute to, receive benefits from, or otherwise participate in the office's retirement system; and

(b) The member's pension and benefits received because of retirement from the hazardous position shall not be affected if he holds an elected city or county office.

(8) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. Reemployed retired members shall be treated as new members upon reemployment. Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.

(9) A retired member or his employer shall notify the retirement system if he has accepted employment with an agency that participates in the retirement system from which the member retired.

(10) If the retired member is under a contract, the member shall submit a copy of that contract to the retirement system, and the retirement system shall determine if the member is an independent contractor for purposes of retirement benefits.

(11) If a member is receiving a retirement allowance, or has filed the forms required for a retirement allowance, and is employed within one (1) month of the member's initial retirement date in a position that is required to participate in the same retirement system from which the member retired, the member's retirement shall be voided and the member shall repay to the retirement system all benefits received. The member shall contribute to the member account established for him prior to his voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.

(12) (a) 1. A retired member of the Kentucky Employees Retirement System or the State Police Retirement System who, after initial retirement, is hired by an agency that participates in the Kentucky Employees Retirement System or the State Police Retirement System shall be considered to have been hired by the same employer.

2. If a member of the Kentucky Employees Retirement System retires from a department which participates in more than one (1) retirement system and is reemployed within one (1) month of his initial retirement date by the same department in a position participating in another retirement system, the retired member's retirement allowance shall be suspended for the first month of his retirement and the member shall repay to the retirement system all benefits received for the month.

(b) A retired member of the County Employees Retirement System who after initial retirement is hired by the county from which the member retired shall be considered to have been hired by the same employer.

(13) (a) If a hazardous member who retired prior to age fifty-five (55), or a nonhazardous member who retired prior to age sixty-five (65), is reemployed within six (6) months of the member's initial retirement date by the same employer, the member shall obtain from his previous and current employers a copy of the job description established by the employers for the position and a statement of the duties performed by the member for the position from which he retired and for the position in which he has been reemployed.

(b) The job descriptions and statements of duties shall be filed with the retirement office.

(14) If the retirement system determines that the retired member has been employed in a position with the same principal duties as the position from which the member retired:

(a) The member's retirement allowance shall be suspended during the period that begins on the month in which the member is reemployed and ends six (6) months after the member's initial retirement date.

(b) The retired member shall repay to the retirement system all benefits that the member received after reemployment began.

(c) Upon termination, or subsequent to expiration of the six (6) month period from the date of initial retirement, the retired member's retirement allowance based on his initial retirement account shall no longer be suspended and the member shall receive the amount to which he is entitled, including an increase as provided by KRS 61.691.

(d) Except as provided in subsection (7) of this section, if the position in which a retired member is employed after initial retirement is a regular full-time position, the retired member shall contribute to a second member account established for him in the retirement system. Service credit gained after the member's date of reemployment shall be credited to the second member account.

(e) Upon termination, the retired member shall be entitled to benefits payable from his second retirement account.

(15) (a) If the retirement system determines that the retired member has not been reemployed in a position with the same principal duties as the position from which he retired, the retired member shall continue to receive his retirement allowance.

(b) If the position is a regular full-time position, the member shall contribute to a second member account in the retirement system.

(16) (a) If a retired member is reemployed at least one (1) month after initial retirement in a different position, or at least six (6) months after initial retirement in the same position, and prior to normal retirement age, the retired member shall contribute to a second member account in the retirement system and continue to receive a retirement allowance from the first member account.

(b) Service credit gained after reemployment shall be credited to the second member account. Upon termination, the retired member shall be entitled to benefits payable from the second member account.

(17) A retired member who is reemployed and contributing to a second member account shall not be eligible to purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 which he was eligible to purchase prior to his initial retirement.

(13) All expenses incurred by or on behalf of the system and the board in the administration of the system during a fiscal year shall be paid from the retirement allowance account. Any other statute to the contrary notwithstanding, authorization for all expenditures relating to the administrative operations of the system shall be contained in the biennial budget unit request, branch budget recommendation, and the financial plan adopted by the General Assembly pursuant to KRS Chapter 48.

(14) Any person adversely affected by a decision of the board, except as provided under subsection (16) of this section or KRS 61.665, involving KRS 16.510 to 16.652, KRS 61.515 to 61.705, and KRS 78.520 to 78.852, may appeal the decision of the board to the Franklin Circuit Court within sixty (60) days of the board action.

(15) (a) A trustee shall discharge his duties as a trustee, including his duties as a member of a committee:

    1. In good faith;
    2. On an informed basis; and
    3. In a manner he honestly believes to be in the best interest of the Kentucky Retirement Systems.

(b) A trustee discharges his duties on an informed basis if, when he makes an inquiry into the business and affairs of the Kentucky Retirement Systems or into a particular action to be taken or decision to be made, he exercises the care an ordinary prudent person in a like position would exercise under similar circumstances.

(c) In discharging his duties, a trustee may rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

    1. One (1) or more officers or employees of the Kentucky Retirement Systems whom the trustee honestly believes to be reliable and competent in the matters presented;
    2. Legal counsel, public accountants, actuaries, or other persons as to matters the trustee honestly believes are within the person's professional or expert competence; or
    3. A committee of the board of trustees of which he is not a member if the trustee honestly believes the committee merits confidence.

(d) A trustee shall not be considered as acting in good faith if he has knowledge concerning the matter in question that makes reliance otherwise permitted by paragraph (c) of this subsection unwarranted.

(e) Any action taken as a trustee, or any failure to take any action as a trustee, shall not be the basis for monetary damages or injunctive relief unless:

    1. The trustee has breached or failed to perform the duties of the trustee's office in compliance with this section; and
    2. In the case of an action for monetary damages, the breach or failure to perform constitutes willful misconduct or wanton or reckless disregard for human rights, safety, or property.

(f) A person bringing an action for monetary damages under this section shall have the burden of proving by clear and convincing evidence the provisions of paragraphs (e)1. and (e)2. of this subsection, and the burden of proving that the breach or failure to perform was the legal cause of damages suffered by the Kentucky Retirement Systems.

(g) Nothing in this section shall eliminate or limit the liability of any trustee for any act or omission occurring prior to July 15, 1988.

(16) When an order by the system substantially impairs the benefits or rights of a member, retired member, or recipient, except action which relates to entitlement to disability benefits, the affected member, retired member, or recipient may request a hearing to be held in accordance with KRS Chapter 13B. The member, retired member, or recipient aggrieved by a final order of the board following the hearing may appeal the decision to the Franklin Circuit Court, in accordance with KRS Chapter 13B.

(17) The board shall give the Kentucky Education Support Personnel Association twenty-four (24) hours notice of the board

meetings, to the extent possible.

Section 24. KRS 61.665 is amended to read as follows:

(1) The board shall employ at least three (3) physicians, ***licensed***[~~practicing~~] in the state and not members of the system, upon terms and conditions it prescribes to serve as medical examiners, whose duty it shall be to pass upon all medical examinations required under KRS 61.510 to 61.705, KRS 16.505 to 16.652, and KRS 78.510 to 78.852, to investigate all health or medical statements and certificates made by or in behalf of any person in connection with the payment of money to the person under KRS 61.510 to 61.705, KRS 16.505 to 16.652, and KRS 78.510 to 78.852, and who shall report in writing to the system the conclusions and recommendations upon all matters referred to them. ***The board may employ one (1) or more licensed mental health professionals as consultants to assist in making determinations where there is objective medical evidence of mental impairments.***

(2) (a) Each employee requesting disability retirement shall ***file at***[~~furnish~~] the retirement office[~~ with~~] the names and addresses of ***all, but no fewer than*** two (2)***,***[~~ or more~~] physicians who have the necessary information to report the employee's physical and mental condition. The employee shall also file at the retirement office a complete description of the job and duties from which he received his last pay as well as evidence that the employee has made a request for reasonable accommodation as provided for in 42 U.S.C. sec. 12111(9) and 29 C.F.R. Part 1630. ***If an employee fails to file, at the retirement office within six (6) months of the date the employee filed his notification of retirement, any of the information required by this subsection, the employee's application for disability benefits shall be void.***

(b) The employer shall file at the retirement office a complete description of the job and duties for which the employee was last paid and shall submit a detailed description of reasonable accommodations attempted.

(c) The board shall prescribe forms upon which medical evidence shall be recorded. The forms shall be sent to the employee's physicians with the request that the documents be completed and filed at the retirement office.

(d) The cost of a medical examination shall be paid by the employee. The physicians shall be paid a reasonable amount by the retirement system for the filing of the medical report with the retirement office, pursuant to an administrative regulation promulgated by the board.

(e) The system shall select a medical examiner to evaluate the medical evidence submitted by the employee's physician. The examiner shall recommend that disability retirement be approved, or that disability retirement be denied. If the medical examiner recommends denial of disability benefits, the system shall submit the member's application to ***one (1)***[~~two (2)~~] additional medical ***examiner***[~~examiners~~]. ***If the second medical examiner recommends approval, the application shall be submitted to a third medical examiner.*** Both of the additional medical examiners shall recommend approval of disability benefits to overturn the original recommendation. ***If there is objective medical evidence of mental impairments, the medical examiners may request the board's licensed mental health professional to assist in determining the level of the mental impairment.*** Recommendations by the examiners shall be submitted to the board for approval.

(f) If the medical examiners recommend that the employee be approved for disability retirement, the general manager shall make retirement payments in accordance with the retirement plan selected by the employee.

(g) If the medical examiners recommend that the employee be denied disability retirement, the general manager shall notify the employee of this recommendation. The employee shall have sixty (60) days to file at the retirement office additional medical information or to appeal his denial for disability benefits by filing at the retirement office a request for a formal hearing. An extension of time may be granted by the system for a medical examiner to evaluate additional medical information. The extensions of time shall not be for more than sixty (60) days for any one (1) extension, and no more than three (3) extensions shall be granted. The cumulative extension of time shall not exceed one hundred twenty (120) days. The extension of time shall end upon request of a formal hearing.

(h) The medical examiners shall be paid a reasonable amount by the retirement system for each case evaluated.

(i) Notwithstanding the foregoing provisions of this section, the system may pay for one (1) or more medical examinations requested by the examiners for the purpose of providing medical information deemed necessary by the examiners. The system may direct that a specialist be sought.

(3) Any person aggrieved by a final order or determination of the system may file at the retirement office a request that a hearing be conducted by the system in accordance with KRS Chapter 13B. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. If any extensions of time are granted by the system, they shall be as provided for in subsection (2)(g) of this section.

(a) Any person whose disability benefits have been reduced, discontinued, or denied pursuant to subsection (2)(g) of this section or KRS 61.615(1) may file at the retirement office a request for an administrative hearing with the system. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. The request shall be filed with the general manager, at the system's central office in Frankfort. The request for a hearing shall include a short and plain statement of the reasons the reduction, discontinuance, or denial of disability benefits is being contested. The request shall not operate as a stay of any reduction, discontinuance, or denial of benefits.

(b) Failure of the member to request a formal hearing within the period of time specified shall preclude the member from proceeding any further with his cause of action, except as provided in KRS 61.600(1)(e). This paragraph shall not limit the member's right to appeal to a court.

(c) The system may require the member requesting the formal hearing to submit to one (1) or more medical or psychological examinations. Notice of the time and place of the examination shall be mailed to the member or his legal representative. The system shall be responsible for the cost of the examination.

(d) A final order of the board shall be based on substantial evidence appearing in the record as a whole and shall set forth the decision of the board and the facts and law upon which the decision is based.

(e) A final order of the board which alters or amends the decision recommended pursuant to subsection (2)(g) of this section shall relate back and take effect on the date of the recommendation.

(f) All requests for a hearing pursuant to this section shall be made in writing.

(4) The board may establish an appeals committee whose members shall be appointed by the chairman and who shall have the authority to act upon the recommendations and reports of the hearing officer pursuant to this section on behalf of the board.

(5) Any person aggrieved by a final order of the board may seek judicial review after all administrative appeals have been exhausted by filing a petition for judicial review in the Franklin Circuit Court in accordance with KRS Chapter 13B.

(6) The system, pursuant to regulations, may refer an employee determined by it to be disabled to the Kentucky Office of Vocational Rehabilitation for evaluation and, if appropriate, retraining.

(a) The cost of the evaluation and retraining shall be paid by the system in accordance with the regulations established by the board.

(b) The member shall perform all acts that are necessary to enroll in and satisfy the requirements of Vocational Rehabilitation as prescribed by the board. This shall include the exchange of confidential information between Kentucky Retirement Systems and the Kentucky Office of Vocational Rehabilitation as necessary to conduct the rehabilitation process. Failure of the member to cooperate with the system or Vocational Rehabilitation may result in his disability allowance being discontinued, reduced, or denied until the member complies with the agency requests. If the refusal continues for one (1) year, all his rights to any further disability allowance shall cease.

Section 25. KRS 61.680 is amended to read as follows:

(1) Prior to August 1, 1982, every employee shall be deemed to consent and agree to any deduction from his compensation required by KRS 6.500 to 6.535, 16.510 to 16.652, 61.510 to 61.692, 78.510 to 78.852, and to all other provisions thereof. Thereafter, employee contributions shall be picked up by the employer pursuant to KRS 61.560(4).

(2) (a) Notwithstanding any other provisions of KRS 6.500 to 6.535, 16.510 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and 161.220 to 161.714, upon death, disability, or service retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits. Vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education and accepted by the Kentucky Employees Retirement System or the County Employees Retirement System, may be used to determine eligibility for ***twenty-seven (27)***[~~thirty (30)~~] year retirement but not the amount of benefits. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation shall be determined as if all service were in one (1) system. If the member has prior service in more than one (1) system, he shall obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate the prior service in each system for purposes of determining consolidated benefits under this section. Upon the determination of benefits, each system shall pay the applicable percentage of total benefits.

(b) The provisions of paragraph (a) of this subsection shall be waived if the member notifies the system of his desire to maintain separate retirement accounts in the State Police Retirement System, Kentucky Employees Retirement System, or County Employees Retirement System, or if he is a member of the State Police Retirement System or is working in a hazardous position under the Kentucky Employees Retirement System or County Employees Retirement System and as a result of an act in line of duty, becomes disabled or deceased.

(c) If the member has not contributed at least one (1) year in a system in which he has prior service, his current service in the system shall be valid for purposes of determining eligibility and in computation of benefits on a consolidated basis.

(3) A member with service credit in the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System who becomes the holder of an office entitling him to membership in the Judicial

Retirement Plan or the Legislators' Retirement Plan, but who does not elect within thirty (30) days after taking office in such service to participate in the plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System. In that event, the agency employing the member shall withhold employee contributions, or picked-up employee contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership. Any person entitled to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, who does not elect within thirty (30) days after taking office to participate in the plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have service credit in, any of the retirement systems mentioned in this section, or the Teachers' Retirement System, shall participate in the Kentucky Employees Retirement System. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the system in which the employer of the nonelected position participates. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is not employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the Kentucky Employees Retirement System.

(4) (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, shall be exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.

(b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, if he elects to cancel his option prior to January 1, 1977.

(c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan, as provided for in KRS 6.535, when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(3).

(5) Effective July 1, 1974, any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up the employee contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership, as subsection (2) of this section eliminates the necessity of the transfers.

(6) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by the same retirement system, shall have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, an accumulation of all hours worked within the same retirement system shall be used to determine eligibility under KRS 61.510(21).

(7) Notwithstanding the provisions of subsection ***(2)***[~~(3)~~] of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System, but who is a member of one (1) of the systems or is a former member of one (1) or more of the systems with valid service credit therein, shall become eligible for service retirement benefits attributable to the amount of his actual service credit in each system in which he has service credit when his combined service credit in all the systems, plus any service credit he has in the Judicial Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system. The final compensation shall be determined by using the creditable compensation reported to the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System and only as much of the compensation earned in the Judicial Retirement Plan as is needed to satisfy the final compensation requirement applicable in the respective retirement systems.

Section 26. KRS 61.690 is amended to read as follows:

(1) All retirement allowances and other benefits accrued or accruing to any person under the provisions of KRS 61.510 to

61.705, 16.505 to 16.652, and 78.510 to 78.852, and the accumulated contributions and cash securities in the funds created under KRS 61.510 to 61.705, 16.505 to 16.652, and 78.510 to 78.852, are hereby exempt from any state, county, or municipal tax, and shall not be subject to execution, attachment, garnishment, or any other process, and an assignment thereof shall not be enforceable in any court. Except retirement benefits accrued or accruing to any person under the provisions of KRS 61.510 to 61.705, 16.505 to 16.652, and 78.510 to 78.852 on or after January 1, 1998, shall be subject to the tax imposed by KRS 141.020, to the extent provided in KRS 141.010 and 141.0215.

(2) A retirement allowance, a disability allowance, a member's accumulated contributions, or any other benefit under the system shall not be classified as marital property ***or as an economic circumstance as provided in***[~~pursuant to~~] KRS 403.190[~~(1)~~] in an action for dissolution of marriage[~~ if the property of the other party to the action is exempted from a marital property classification pursuant to KRS 161.700(2)~~].

(3) [~~Qualified domestic relations and ~~]Child support orders for current, owed, or to-be- owed child support, issued by a court or administrative agency shall be honored by the retirement systems if the orders are in compliance with the regulation adopted by the board pursuant to KRS 61.645(9)(e).

Section 27. KRS 61.701 is amended to read as follows:

(1) There is hereby created and established a state fund to be known as "Kentucky Retirement Systems Insurance Fund."

(2) The fund is created for the purpose of providing a fund separate from the retirement funds and is to be used to provide fringe benefits ***as provided in Section 28 of this Act*** to retired recipients and employees of employers participating in the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System, and to certain of their dependents or beneficiaries[~~ named in KRS 61.702~~].

(3) The fund shall be administered by the board of trustees of the Kentucky Retirement Systems and the board shall manage the assets of the fund in the same manner in which it administers the retirement funds.

Section 28. KRS 61.702 is amended to read as follows:

(1) ***(a)*** The board of trustees of Kentucky Retirement Systems shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan for present and future recipients of a retirement allowance from the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System. The board shall also arrange to provide health care coverage by health maintenance organizations, as defined in KRS 18A.225, as an alternative to group hospital and medical insurance for any person eligible for hospital and medical benefits under this section. Any person who chooses coverage by a health maintenance organization shall pay, by payroll deduction from the retirement allowance or by another method, the difference in premium between the cost of health maintenance organization coverage and the benefits to which he would be entitled under this section. The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems[~~, who are under age sixty-five (65),~~] to be included in the state employees' group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status. ***Notwithstanding the provisions of any other statute, recipients shall be included in the same class as current state employees in determining medical insurance policies and premiums.***

(b) For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status, the board shall provide a medical insurance reimbursement plan as described in subsection (7) of this section.

(2) Each employer participating in the State Police Retirement System as provided for in KRS 16.510 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under KRS 61.565.

(3) (a) The premium required to provide hospital and medical benefits under this section shall be paid:

1. Wholly or partly from funds contributed by the recipient of a retirement allowance, by payroll deduction, or otherwise;

2. Wholly or partly from funds contributed by the Kentucky Retirement Systems insurance fund;

3. Wholly or partly from funds contributed by another state-administered retirement system under a reciprocal arrangement, except that any portion of the premium paid from the Kentucky Retirement Systems insurance fund under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in one (1) of the systems administered by the Kentucky Retirement Systems;

4. Partly from subparagraphs 1., 2., or 3., except that any premium for hospital and medical insurance over

the amount contributed by the Kentucky Retirement Systems insurance fund or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the Kentucky Retirement Systems insurance fund shall pay the balance, not to exceed the monthly contribution.

5. In full from the Kentucky Retirement Systems insurance fund for all recipients of a retirement allowance from any of the three (3) retirement systems where such recipient is a retired former member of one (1) or more of the three (3) retirement systems (not a beneficiary or dependent child receiving benefits) and had two hundred and forty (240) months or more of service upon retirement. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180) months of service, seventy-five percent (75%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. Notwithstanding the foregoing provisions of this subsection, a State Police Retirement System member or a hazardous position employee, as defined in KRS 61.592, who becomes disabled in the line of duty as defined in KRS 16.505(19), shall have his premium paid in full as if he had two hundred forty (240) months or more of service. Further, a State Police Retirement System member or a hazardous position employee as defined in KRS 61.592, who is killed in the line of duty as defined in KRS 16.505(19), shall have the premium for the beneficiary, if the beneficiary is the member's spouse, and for each dependent child paid so long as they individually remain eligible for a monthly retirement benefit. "Months of service" as used in this section shall mean the total months of combined service used to determine benefits under any or all of the three (3) retirement systems, except service added to determine disability benefits shall not be counted as "months of service."

(b) For a member electing insurance coverage through the Kentucky Retirement Systems, "months of service" shall include, in addition to service as described in paragraph (a) of this subsection, service credit in one of the other state-administered retirement plans.

1. Effective August 1, 1998, the Kentucky Retirement Systems shall compute the member's combined service, including service credit in another state-administered retirement plan, and calculate the portion of the member's premium to be paid by the insurance fund, according to the criteria established in paragraph (a) of this subsection. Each state-administered retirement plan annually shall pay to the insurance fund the percentage of the system's cost of the retiree's monthly contribution for single coverage for hospital and medical insurance which shall be equal to the percentage of the member's number of months of service in the other state-administered retirement plan divided by his total combined service. The amounts paid by the other state-administered retirement plans and the insurance fund shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.

2. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.

3. A state-administered retirement plan shall not pay any portion of a member's monthly contribution for medical insurance unless the member is a recipient or annuitant of the plan.

(4) (a) Group rates under the hospital and medical insurance plan shall be made available to the spouse, dependents, and disabled children, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the spouse, dependent, disabled child, or beneficiary hospital and medical insurance is paid by payroll deduction from the retirement allowance or by another method. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(b) The other provisions of this section notwithstanding, the insurance fund shall pay a percentage of the monthly contribution for the spouse and dependents of a recipient who was a member of the General Assembly and is receiving a retirement allowance based on General Assembly service, of the Kentucky Employees Retirement System and determined to be in a hazardous position, of the County Employees Retirement System, and determined to be in a hazardous position or of the State Police Retirement System, or the beneficiary of the member, if the member designated only one (1) person as beneficiary. The percentage of the monthly contribution paid for the spouse and dependents shall be based solely on the member's service with the State Police Retirement System or service in a hazardous position using the formula in subsection (3)(a) of this section.

(c) The insurance fund shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance fund provides coverage for the spouse or dependents or beneficiary of a former member of the County Employees Retirement System, the insurance fund shall continue the same level of coverage for the spouse or dependent or beneficiary after the age of sixty-five (65) as before the age of sixty-five (65), if the spouse or dependent or beneficiary is not eligible for Medicare coverage.

(5) After July 1, 1998, notwithstanding any other provision to the contrary, a member who holds a judicial office but did not elect to participate in the Judicial Retirement Plan and is participating instead in the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System, as provided in KRS 61.680, and who has at least twenty (20) years of total service, one-half (1/2) of which is in a judicial office, shall receive the same hospital and medical insurance benefits, including paid benefits for spouse and dependents, as provided to persons retiring under the provisions of KRS 21.427. The Administrative Office of the Courts shall pay the cost of the medical insurance benefits provided by this subsection.

(6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.

(7) The board shall promulgate an administrative regulation to establish a medical insurance reimbursement plan to provide reimbursement for hospital and medical insurance premiums of recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky and having the same Medicare hospital and medical insurance eligibility status. An eligible recipient shall file proof of payment for hospital and medical insurance at the retirement office. Reimbursement to eligible recipients shall be made on a quarterly basis. The recipient shall be eligible for reimbursement of substantiated medical insurance premiums for an amount not to exceed the total monthly premium determined under subsection (3) of this section. The plan shall not be made available if all recipients are eligible for the same coverage as recipients living in Kentucky.

Section 29. KRS 61.705 is amended to read as follows:

(1) Upon the death of a retired member of the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System who had a minimum of forty-eight (48) months of service, a death benefit of five thousand dollars ($5,000) shall be paid. ***If the retired member had more than one (1) account in the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System, the system shall pay only one (1) five thousand dollar ($5,000) death benefit.*** Application for the death benefit made to the Kentucky Retirement Systems shall include acceptable evidence of death and of the eligibility of the applicant to act on the deceased retired member's behalf.

(2) The death benefit shall be paid to a beneficiary named by the retired member. Upon retirement or any time thereafter, the retired member may designate on the form prescribed by the board, death benefit designation, an individual, his estate, a trust or trustee as the beneficiary of the death benefit. The beneficiary for the death benefit may or may not be the same beneficiary designated in accordance with KRS 61.590(1). Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the

member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

(3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.

(4) (a) A member receiving retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service for which the member is receiving credit. Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.

(b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid.

(5) An active contributing member of the Teachers' Retirement System may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. ***Notwithstanding any other statute, regulation, or policy to the contrary, the system shall provide a member, upon request, the estimated actuarial cost of the National Guard or military reserves service purchase based upon the information available at the time of the request. The member shall be entitled to enter into a contract with the system at the time of the request to purchase the National Guard or military reserve service by paying to the system the estimated actuarial cost, either by installments or in lump sum***~~[The member shall pay the full actuarial cost of the service in the military reserves or the National Guard]~~. Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).

Section 42. The following KRS sections are repealed:

61.554 Persons employed by Legislative Research Commission for six legislative bienniums may purchase credit in Kentucky Employees Retirement System.

Section 32. KRS 324.420 is amended to read as follows:

(1) An aggrieved party ***may***~~[shall]~~ commence an ***administrative*** action which may result in collection from the recovery fund by first filing ***a complaint*** with the commission on a form prepared by the commission. ***The complaint shall constitute a prima facie case that a licensee is in violation of Section 17 of this Act and is subject to the same conditions set forth in Section 15 of this Act. If the complaint constitutes a prima facie case and the matter is not settled,*** the commission shall hold a hearing pursuant to the requirements set forth in the provisions of this chapter and KRS Chapter 13B to determine if a violation of this chapter has in fact occurred. If a violation of fraud is so found, the commission shall determine if the violation resulted in damages to complainant and in what amount. If damages cannot be accurately determined, then the amount of damages shall be determined by a Circuit Court in the county where the violation took place. In the event the question of damages is referred to the Circuit Court, the decision of the commission will not be final and appealable until the question of damages is certifiable.

(2) Upon final order by the commission or upon certification to the commission by the Circuit Court on the issue of damages, and after the licensee has refused to pay the claim within a period of twenty (20) days of entry of a final order, the aggrieved party or parties shall be paid the amount or amounts by the commission from the recovery fund.

(3) The license of the licensee against whom the claim was made by the aggrieved party shall be suspended or may be permanently revoked until such time as the licensee has reimbursed the recovery fund in full for all amounts paid, plus interest at the rate of ten percent (10%) per annum.

(4) Any party aggrieved by a final order of the commission may appeal to the Circuit Court where the licensee has his principal place of business or where the applicant resides in accordance with KRS Chapter 13B.

(5) Upon the final order of the court, and after the commission has paid from the real estate education, research, and recovery fund any sum to the aggrieved party, the commission shall be subrogated to all of the rights of the aggrieved party to the extent of the payment. The aggrieved party shall to the extent of the payment assign his right, title and interest in the judgment to the commission. After such assignment, the commission may challenge in bankruptcy court any attempt by a former licensee to discharge the debt, if proper notice is given. Any funds recovered by the commission shall be deposited in the real estate education, research, and recovery fund.

(6) No aggrieved party shall be entitled to recover compensation from the real estate education, research, and recovery fund unless the action against the licensee is commenced within two (2) years from actual knowledge of the cause of action or from the time when circumstances should reasonably have put the aggrieved party on notice of the cause of action.

(7) For purposes of this section, an "aggrieved party" shall mean either:

(a) A member of the consumer public who stands in a direct relationship to the licensee, i.e., one who demonstrates an interest in purchasing, leasing, renting, or otherwise securing an interest in real estate through a licensee ***and who believes that the licensee is in violation of the provisions of this chapter***; or

(b) ***A member of the consumer public***[~~One~~] who directly engages the services of a licensee for purposes of selling, leasing, renting, or otherwise dealing in ***his or her***[~~their~~] own property.

(8) If at any time the money on deposit in the real estate education, research and recovery fund is insufficient to satisfy any duly-authorized claim or portion thereof, the commission shall, when sufficient money has been deposited in the real estate education, research, and recovery fund, satisfy such unpaid claim or portions thereof, in the order that such claims or portions were originally filed, plus accumulated interest at the rate of ten percent (10%) per annum.

(9) Any funds in excess of the four hundred thousand dollar ($400,000) level which are not being currently used, may be invested and reinvested as set forth in subsection (2) of KRS 324.410.

The Senate Committee Substitute to **HCR 44** is as follows:

HCR 44, A CONCURRENT RESOLUTION relating to the establishment of a task force to complete a study to identify barriers to quality end-of-life care, best practices, and strategies to improve quality of care.

WHEREAS, the purpose of this concurrent resolution is to establish a task force to assess the quality of end-of-life health care for all Kentuckians relating to pain management, and to make recommendations on how to improve health care to ensure that patients experience a peaceful, natural, and, as much as possible, pain-free end-of-life experience, while preserving the sanctity of human life. Nothing in this concurrent resolution shall be construed to authorize a study or to support physician or other health care provider-assisted suicide, euthanasia, or any other measures which might result in a premature end to any human life; and

WHEREAS, the National Task Force on End-of-Life Care in Managed Care reported that end-of-life care has been an intractable problem across the United States and contributions from many sectors of the American society will be needed to improve access to comprehensive, high-quality care, to strengthen accountability, and to develop payment methods; and

WHEREAS, a group of researchers completed a four (4) year Study to Understand Prognoses and Preferences for Outcomes and Risks of Treatments (SUPPORT) in five (5) teaching hospitals in the United States to improve end-of-life decision making and reduce the frequency of a mechanically supported, painful, and prolonged process of dying. The researchers found shortcomings in the care for seriously ill hospitalized patients including pain management and physician knowledge of the patient's desires regarding resuscitation; and

WHEREAS, too many patients die in physical pain and discomfort, despite the technical capability to control most symptoms near the end of life; and

WHEREAS, physicians are often fearful of disciplinary actions for prescribing appropriate medications to promote comfort in patients who are dying; and

WHEREAS, consumers are unaware of their rights to make decisions about end of life care; and

WHEREAS, legal matters surrounding advance directives often complicate decision making for patients, families, and health care practitioners; and

WHEREAS, patients' and families' wishes are often ignored; and

WHEREAS, technologies are often imposed upon patients that merely prolong the dying process, while comfort and support are not provided; and

WHEREAS, patients and families have the right to a seamless health care system that provides access to holistic care which includes care for the mind, body, and soul through both technical methods and supportive care; and

WHEREAS, reimbursement for care should support access to both technical and supportive care; and

WHEREAS, the curriculum for health care providers is limited in the amount of content related to palliative or end of life care; and

WHEREAS, the opportunities for medical students, residents, and other health care providers to participate in guided palliative care experiences need to be expanded;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is directed to establish a twenty (20) member task force to complete a study to identify the barriers to quality end-of-life care and pain management, to identify strategies to improve access to quality end-of-life care that is based upon patients' and families' desires, to identify ways to strengthen accountability to determine whether quality care is being delivered, and to identify payment methods for delivering a seamless system of care. The Speaker of the House shall appoint two (2) members of the House of Representatives, and eight (8) at-large members to the task force. The President of the Senate shall appoint two (2) members of the Senate and eight (8) at-large members to the task force. Section 2. The task force shall submit a final report of its findings and recommendations to the Legislative Research Commission no later than September 1, 2001.

Section 3. Staff services to be utilized in completing the work of the task force are estimated to cost $30,000. These staff services shall be provided from the regular Commission budget and are subject to the limitations and other research responsibilities of the Commission.

Section 4. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.13-011 is amended to read as follows:

As used in this subtitle, unless the context requires otherwise:

(1) A "market" is the interaction between buyers and sellers consisting of a product market component and a geographic market component. A product market component consists of identical or readily substitutable products including but not limited to consideration of coverage, policy terms, rate classifications, and underwriting. A geographic market component is a geographical area in which buyers have a reasonable degree of access to insurance sales outlets. Determination of a geographic market component shall consider existing market patterns.

(2) "Supplementary ***rating***~~[rate]~~ information" ***includes***~~[is]~~ any manual or plan of rates, classification, rating schedule, minimum premium, policy ***fees***~~[fee]~~, rating ***rules***~~[rule]~~, ***or***~~[and]~~ any other similar information needed to determine the applicable rate ***or premium. This shall include underwriting rules, but only to the extent necessary to determine the rate or premium that will be applicable to a risk should the insurer decide to provide coverage. This does not include guidelines that relate to the selection of those risks that are acceptable to an insurer***~~[in effect or to be in effect]~~.

(3) "Supporting information" is the experience and judgment of the filer and the experience or data of other insurers or organizations relied on by the filer, the interpretation of any ***other***~~[statistical]~~ data relied on by the filer, descriptions of methods used in making the rates, and any other~~[similar]~~ information required to be filed by the commissioner.

(4) "Personal risks" ***means homeowners, tenants, private passenger nonfleet automobiles, mobile homes, and other***~~[are those covered by]~~ property and casualty insurance for personal, family, or household needs.

(5) "Commercial risks" are any kinds of risks that are not personal risks.

(6) "Joint underwriting" is a voluntary arrangement established~~[on an ad hoc basis]~~ to provide insurance coverage for a~~[commercial]~~ risk pursuant to which two (2) or more insurers ***jointly***~~[separately]~~ contract with the insured at a price and under policy terms agreed on between the insurers.

(7) A "pool" is a voluntary arrangement, other than by a contract of reinsurance, established on a general and continuing basis pursuant to which two (2) or more insurers participate in the sharing of risks on a predetermined basis. A pool may operate through an association, syndicate or other pooling agreement.

(8) A "residual market mechanism" is an agreement, either voluntary or mandated by law, involving participation by insurers in the equitable apportionment among them of insurance that may be afforded applicants who are unable to obtain insurance through ordinary methods.

(9) An "advisory organization" is any ***entity, including its affiliates or subsidiaries,***~~[organization]~~ which either has two (2) or more member insurers or is controlled ***either directly or indirectly*** by two (2) or more insurers and which assists insurers in ratemaking related activities. Two (2) or more insurers having a common ownership or operating in this state under common management or control constitute a single insurer ***for purposes of this definition***.

(10) A "competitive market" is a market that has not been found to be noncompetitive pursuant to KRS 304.13-041 and for which no such order is in effect.

(11) A "noncompetitive market" is a market for which there is an order in effect pursuant to KRS 304.13-041 that a reasonable degree of competition does not exist.

(12) "~~[Loss]~~Trending" is any~~[appropriate]~~ procedure for projecting developed losses to the average date of loss***, or premiums or exposures to the average date of writing,*** for the period during which the policies are to be effective.

(13) "Expenses" are those portions of any rate attributable to~~[unallocated loss adjustment expenses,]~~ acquisition, field supervision, and collection expenses, general expenses, and ***premium*** taxes, licenses, and fees.~~[Expenses do not include those directly allocated by the insurer to the settlement of specific losses.]~~

(14) "Profit" is the portion of any rate attributable to funds needed for growth, contingencies, and return to stockholders.

(15) "Pure premium" ***means the loss cost per unit of exposure excluding all loss adjustment expenses***~~[is the loss cost per unit of exposure plus the loss adjustment expense directly allocated to the settlement of specific losses]~~.

(16) "Classification system" or "classification" means the process of grouping risks with similar risk characteristics so that differences in cost may be recognized.

(17) "Developed losses" means losses (including loss adjustment expenses) adjusted, using standard actuarial techniques, to their ultimate anticipated value.

(18) "Experience rating" means a rating procedure utilizing past insurance experience of the individual policyholder to forecast future losses by measuring the policyholder's loss experience against the loss experience of policyholders in the same classification to produce a prospective premium credit, debit, or unity modification.

(19) "Form provider" means a person who prepares, files, and distributes policy contract forms and endorsements and consults with members, subscribers, customers, or others relative to their use and application, but is not an advisory organization as defined in this subtitle.

(20) "Loss adjustment expenses" means the expenses incurred by the insurer in the course of settling claims.

(21) "Prospective loss costs" means that portion of a rate that does not include provisions for expenses (other than loss adjustment expenses) or profit, and are based on historical aggregate losses or output from simulation models and loss adjustment expenses adjusted through development to their ultimate value and projected through trending to a future point in time. Loss costs, derived in part or entirely upon output form simulation models, must be approved by the commissioner before they become effective.

(22) "Rate" means the expected value of the future cost of insurance per exposure unit which accounts for the treatment of losses, expenses, and profit prior to any application of individual risk variations based on loss or expense considerations, but does not include minimum premium.

(23) "Special assessments" means guaranty fund assessments, residual market mechanism assessments, and other similar assessments which are included in ratemaking. Special assessments shall not be considered as either expenses or losses. Additional charges collected by the insurer and returned to a governmental agency on behalf of an insured are not special assessments. Examples of these additional charges include, but are not limited to, the Special Fund charge for workers' compensation imposed by KRS Chapter 342, local government premium tax imposed by KRS 91A.080, and the Revenue Cabinet surcharge imposed by KRS Chapter 136.

(24) "Statistical agent" means an entity that has been licensed by the commissioner to collect statistics from insurers and provide reports developed from these statistics to the commissioner for the purpose of fulfilling the statistical reporting obligations of those insurers under this chapter.

Section 2. KRS 304.13-021 is amended to read as follows:

(d) The~~[systems of]~~ expense provisions included in the rates for use by any insurer or group of insurers ***shall***~~[may differ from those of other insurers or group of insurers to]~~ reflect the requirements of the operating methods of any such insurer or group ***and its anticipated expenses,*** with respect to any kind of insurance or with respect to any subdivision or combination thereof for which subdivision or combination separate expense provisions are applicable;

(e) Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which establish standards for measuring variations in hazards or expense provisions, or both. Such standards may measure any differences among risks which ***can be demonstrated to***~~[may]~~ have a probable effect upon losses or expenses. Rates made in accordance with this section may be used subject to this subtitle.

The commissioner may adopt reasonable administrative regulations to assure that the experience of all insurers is made available at least annually in such form and detail as is necessary to aid in determining whether rating systems comply with the standards set forth in this subtitle***. ~~[However, except for workers' compensation reports, no insurer shall be required to report its loss experience on a classification basis that is inconsistent with the rating system filed by it.]~~ The commissioner may designate one (1) or more advisory organizations ***or statistical agents*** to assist him in gathering, compiling, and reporting such information***, which shall be a matter of public record. The scope of these rules may include the data which must be reported by insurers, definitions of data elements, the timing and frequency of statistical reporting by insurers, data quality standards, data edit and audit requirements, data retention requirements, reports to be generated by advisory organizations or statistical agents to fulfill the requirements of this section, and the timing of such reports***.~~[Insurers shall record and report their workers' compensation experience on a classification basis consistent with that of an advisory~~

(2) The commissioner may promulgate administrative regulations for the interchange of data necessary for the application of rating plans.

(3) In order to further uniform administration of rate regulatory laws, the commissioner and every insurer, advisory organization, and statistical agent may exchange information and experience data with insurance supervisory officials, insurers, and advisory organizations in other states and may consult with them with respect to the application of rating systems and the collection of statistical data.

(d) Physician, podiatric, and dental services;

(e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses shall be provided only to children under age twenty-one (21);

(f) Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent;

(g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where the students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified in this paragraph;

(h) Services provided by health-care delivery networks as defined in KRS 216.900; and

(i) Services provided by midlevel health-care practitioners as defined in KRS 216.900.

(2) Payments for hospital care, nursing-home care, and drugs or other medical, ophthalmic, podiatric, and dental supplies shall be on bases which relate the amount of the payment to the cost of providing the services or supplies. It shall be one (1) of the functions of the council to make recommendations to the Cabinet for Health Services with respect to the bases for payment. In determining the rates of reimbursement for long-term-care facilities participating in the Medical Assistance Program, the Cabinet for Health Services shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

(a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;

(b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars ($15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the United States Department of Labor. Medically equipped motor vehicles, vans, or trucks shall be exempt from the fifteen thousand dollar ($15,000) limitation. Costs exceeding this limit shall not be reimbursable and shall be borne by the facility. Costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the Cabinet for Health Services if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;

(c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;

(d) The cost of contracts, loans, or other payments made by the facility to owners, administrators, or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for Health Services. Any other payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health Services. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;

(e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators, and other indirect payments made to the owner, unless the payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health Services; and

(f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

(3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(4) The rules and regulations of the Cabinet for Health Services shall require that a written statement, including the required opinion of a physician, shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing the medical services.

(5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.

(6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

(7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.

(8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to

the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

(9) No long-term-care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

(10) Family-practice physicians practicing in geographic areas with no more than one (1) primary-care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.

(11) The Cabinet for Health Services may make payments under the Medical Assistance program for services which are within the lawful scope of practice of a chiropractor licensed pursuant to KRS Chapter 312, to the extent the Medical Assistance Program pays for the same services provided by a physician.

Section 16. KRS 213.141 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, the cabinet shall prescribe by regulation a fee not to exceed five dollars ($5), to be paid for certified copies of certificates or records, or for a search of the files or records when no copy is made, or for copies or information provided for research, statistical, or administrative purposes.

(a) The amino acid modified preparations or low-protein modified food products are prescribed for the therapeutic treatment of inherited metabolic diseases listed in subsection (1)(c) of Section 15 of this Act and are administered under the direction of a physician; and

(b) The affected person's amino acid modified formula and foods are not covered under any public or private health benefit plan.

(3) Fees collected under this section by the state registrar shall be used to help defray the cost of administering the system of vital statistics.

(4) No fee or compensation shall be allowed or paid for furnishing certificates of birth or death required in support of any claim against the government for compensation, insurance, back pay, or other allowances or benefits for any person who has at any time served as a member of the Army, Navy, Marine Corps, or Air Force of the United States.

(5) The cabinet shall notify the State Board of Elections monthly of the name, address, birthdate, sex, race, and Social Security number of residents of the Commonwealth who died during the previous month. This data shall include only those persons who were over the age of eighteen (18) years at the date of death. No fee or compensation shall be allowed for furnishing these lists.

Section 17. KRS 214.155 is amended to read as follows:

(1) The administrative officer or other person in charge of each institution caring for infants twenty-eight (28) days or less of age and the person required in pursuance of the provisions of KRS 213.046 shall register the birth of a child, and cause to have administered to every such infant or child in its or his care tests for inborn errors of metabolism, including but not limited to phenylketonuria (PKU), in accordance with rules or regulations prescribed by the secretary of the Cabinet for Health Services. Testing, recording, and reporting of the results of such tests shall be performed at such times and in such manner as may be prescribed by the secretary of the Cabinet for Health Services or his designee. The secretary of the Cabinet for Health Services shall by regulation establish and collect fees to cover the cost of analyzing the testing samples for inborn errors of metabolism.

(2) Nothing in this section shall be construed to require the testing of any child whose parents are members of a nationally recognized and established church or religious denomination, the teachings of which are opposed to medical tests, and who object in writing to the testing of such child on that ground.

(3) The cabinet shall make available the names and addresses of health care providers, including, but not limited to, physicians, nurses, and nutritionists, who may provide postpartum home visits to any family whose infant or child has tested positive for an inborn error of metabolism, including, but not limited to, PKU.

SECTION 18. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(2) Coverage for a newly born child shall consist of coverage of injury or sickness, including the necessary care and treatment of medically diagnosed inherited metabolic diseases.

(3) If payment of a specific premium or fee is required to provide coverage for a child, the policy or contract may require that notification of birth of a newly born child and payment of the required premium or fees must be furnished to the insurer within thirty-one (31) days after the date of birth in order to have the coverage continue beyond that thirty-one (31) day period.

(4) (a) For purposes of this subsection:

1. "Amino acid modified preparation" means a product intended for the dietary treatment of an inherited metabolic disease listed in subsection (1)(c) of Section 15 of this Act under the direction of a physician; and

2. "Low-protein modified food" means a product formulated to have less than one (1) gram of protein per serving and intended for the dietary treatment of an inherited metabolic disease listed in subsection (1)(c) of Section 15 of this Act under the direction of a physician.

(b) A health benefit plan that provides prescription drug coverage shall provide that coverage for amino acid modified preparations and low-protein modified food products for the treatment of inherited metabolic diseases if the amino acid products are prescribed for the therapeutic treatment of inherited metabolic diseases and are administered under the direction of a physician. Coverage under this subsection may be subject, for each plan year, to a cap of four thousand dollars ($4,000) on both individual medical food prescription expenditures and medical formulas, subject to annual inflation adjustments.

(6) Nothing in this section or Section 15, 16, or 17 of this Act shall be construed to require a health benefit plan to provide coverage for an amino acid modified preparation or low-protein modified food for the treatment of lactose intolerance, protein intolerance, food allergy, food sensitivity, or any other condition or disease not listed in subsection (1)(c) of Section 15 of this Act.".

"Section 18. KRS 403.211 is amended to read as follows:

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined ***monthly adjusted parental gross***[~~parental~~] income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) The court shall allocate between the parents, in proportion to their ***combined monthly*** adjusted ***parental*** gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.

(7) (a) ***If health care insurance coverage is reasonable and available at the time the request for coverage is made, the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care insurance coverage for the child, in addition to the support ordered under the child support guidelines.***

(b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.

(c) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:

1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and
2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.

(d)[~~(b)~~]If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.

(8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their ***combined monthly*** adjusted ***parental*** gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars ($100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.

(9) The court order shall include the Social Security numbers of all parties subject to a support order.

(10) In any case administered by the Cabinet for Families and Children, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Families and Children may, upon application, enroll the child.

(11) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.

(12) In the case in which a noncustodial parent provides health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Families and Children shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice as specified by KRS Chapter 13B.

(13) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or

assignment for the payment of current child support or owed or to-be-owed child support.

(14) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.", and

Breaking into television in Madison, Wisconsin, as a weekend sports anchor and general assignment news reporter, he went on to become the news director and news anchor for two daily newscasts. Moving to Louisville in 1977 as back-up anchor for WHAS-TV and serving as the station's Indiana Bureau Chief, his next move took him to Lexington as primary news anchor for WKYT-TV, until 1987. Following a stint at WTVF-TV in Nashville, he returned to Lexington to be part of the primary anchor team for Newschannel 36. In his ten years at Channel 36, he has become one of the most recognized people in the Bluegrass and one of the most highly regarded. Having been diagnosed with cancer nearly three years ago, he has continued his work, directly facing and sharing the reality of his illness with his audience.
